"Rain-bow"

Notice of Mining Location

Lode Claim

To all whom it may concern:

This Mining Claim, the name of which is the Rain-bow Mining Claim, situate on lands belonging to the United States of America and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by E. L. Bowman a citizen of the United States the undersigned, on the 31st day of August 1901.

The length of this claim is 1500 feet, and I claim 750 feet in a Northerly direction and 750 feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Peck Mining District in Yavapai County, in the Territory of Arizona, about one mile in a Northerly direction from Gladiator Mine and South center end monument stands about 500 ft. Northeast of the falls in Homeward bound gulsh.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a Southerly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the South end line of said claim; thence westerly 300 feet to a monument of stones being the Southwest corner of said claim; thence northerly 1500 feet to a monument of stones, being at the Northwest corner of said claim; thence easterly 300 feet to a monument of stones at the center of the North end of said claim; thence easterly 300 feet to a monument of stones, being at the Northeast corner of said claim; thence southerly 1500 feet to a monument of stones at the Southeast corner of said claim; thence westerly 300 feet to the place of

beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines" approved March 30th 1895, and amended March 2d, 1899.

Dated and posted on the ground, this 31st day of August 1901.
