Notice of Mining Location.
Lode Claim.

To all whom it may concern; This mining claim, the name of which is the Moonlight Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by Will G. Baker, the undersigned, on the fourth day of February, 1904.

The length of this claim is 1500 feet and I claim 750 feet in an easterly direction and 750 feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said vein. The general course of the lode deposit and premises is from the easterly to the westerly.

The claim is situated and located in the Pine Grove Mining District, in Yavapai County, in the Territory of Arizona, about 1800 feet in a northerly direction from the northeast corner of the Nevada and southeast corner of the Main Point Mining claims which are patented and are owned by the Crowned King Mining Company. This claim adjoins the Jack Pot claim, parallel on the north. This is an abandoned mining claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in an easterly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the east end line of said claim; thence northerly 300 feet to a monument of stones being the northeast corner of said claim; thence westerly 1500 feet to a monument of stones, being at the northwest corner of said claim; thence southerly 300 feet to a monument of stones at the center of the west end of said claim; thence southerly 300 feet to a monument of stones being at the southwest corner of said claim; thence easterly 1500 feet to a monument of stones being the southeast corner of said claim; thence northerly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895, and amended March 2d, 1899 and March 16th, 1901.

Dated and posted on the ground this fourth day of February, 1904.
Will G. Baker.
