FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Chas W Miller Jr, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated June 22-1905, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of P. J. Holmes Bartlett Richards and E. J. Rhodes, known as the Oversight, situate in San Francisco Mining District, Mohave County, Arizona, in Section \_\_\_\_\_, Township No. 19 N, Range No. 19 W unsurveyed and designated as Survey No. 2122, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Chas W Miller Jr  
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Chas W Miller Jr  
U. S. Deputy Mineral Surveyor, before me J. Murphy  
a Notary Public this 11<sup>th</sup>  
day of July - 1905

J. Murphy  
Notary Public

Affidavit of Five Hundred Dollars Improvements.

We, W. A. Brooks and R. E. Zuver.

of lawful age, being first duly sworn according to law, depose and say: That we are acquainted with the

Oversight mining claim, situate in San Francisco

mining district, Mohave County, Arizona Territory, for which A. J. Holmes

Bartlett Richards and E. J. Rhodes.

has ~~we~~ made application for survey prior to application for patent under the provisions of the Act of Congress

approved May 10, 1872; and that the labor done and improvements made thereon by the applicant ~~s~~ and

their grantor ~~s~~ exceed five hundred dollars in value, and further that we are not personally interested

in said mine.

 County Recorder.

By \_\_\_\_\_ Deputy Recorder.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.

4-688.

U. S. SURVEYOR-GENERAL'S FINAL CERTIFICATE ON FIELD NOTES.

Department of the Interior,

OFFICE OF U. S. SURVEYOR-GENERAL,

Phoenix, Arizona.

Sept. 1st, 1905.

I, U. S. Surveyor-General for the district of Arizona.

do hereby certify that the foregoing transcript of the Field Notes, return and approval of the survey of the mining claim of R. J. Holmes, Bartlett Richards and C. J. Rhodes,

known as the Oversight

situate in San Francisco

Mining District, Mohave County, Arizona

in Section APPROX, Township No. 19 N., Range No. 19 W. unsurveyed, and designated as Survey No. 2122, has been correctly copied from the originals on file in this office; that said Field Notes furnish such an accurate description of said mining claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

And I further certify that five hundred dollars' worth of labor has been expended or improvements made upon said mining claim by claimant or their grantors, and that said improvements consist of 1 Shaft and 1 cut, total value \$600.00

and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Prescott, Arizona is correct and in conformity with the foregoing Field Notes.

( Signed ) Frank S. Ingalls,

United States Surveyor-General for Arizona.

4-687.

SURVEYOR-GENERAL'S CERTIFICATE OF APPROVAL OF FIELD NOTES AND SURVEY OF MINING CLAIM.

Department of the Interior,

Office of U. S. Surveyor-General,

Phoenix, Arizona.

Sept. 1st, 1905

I, U. S. Surveyor-General for the district of Arizona.

do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the Mining Claim of R. J. Holmes, Bartlett Richards and C. J. Rhodes,

known as the Oversight

situate in San Francisco Mining District, Mohave County, Arizona.

in Section approx., Township No. 19 N., Range No. 19 W. unsurveyed, designated as Survey No. 2122

executed by Chas. W. Miller Jr., U. S. Deputy Mineral Surveyor, July 6th-7th 1905.

June 23, 1905, 1905, have been critically examined and the necessary corrections and explanations made, and the said Field Notes and Return, and the Survey they describe, are hereby approved. A true copy of the copy of the location certificate filed by the applicant for survey is included in the field notes.

Frank J. Ingalls

U. S. Surveyor-General for Arizona.
