(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

Franklin W. Smith, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Aug 16th, 1900 I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of August A. Smith known as the Dawson City Tombstone Square, known as the _____, situate in Warren Mining District, Cochise County, Arizona, in Section Approx., Township No. 230, Range No. 24 E of S. R. B. M. and designated as Survey No. 2150, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Franklin W. Smith
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Franklin W. Smith
U. S. Deputy Mineral Surveyor, before me Cora E. Smith
this 1st
day of September, 1900

my commission expires _____

Affidavit of Five Hundred Dollars Improvements.

We, R. A. Zimmerman and J. C. Revereus

of lawful age, being first duly sworn according to law, depose and say: That we are acquainted with the Layson Quartz Limestone mining claim, situate in Warren mining district, Cochise County, Arizona Territory, for which

Howell A. Smith

has made application for survey prior to application for patent under the provisions of the Act of Congress approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and his grantor exceed five hundred dollars in value, and further that we are not personally interested in said mine.

I, Frank Ware, County Recorder in and for said County, hereby certify that I have compared the foregoing copy with the Amended Location Notice of the Lomb Stone claim, filed and recorded in my office on the 11th day of August 1905, in book 34, at page 411, Record of Mines, and that the same is a full, true and correct copy of such original and of the whole thereof.

Witness my hand and seal of office this 11th day of August, 1905.

Frank Ware

County Recorder.

Filed at request of E.F. Armstrong, Aug. 11, 1905
Record of Mines, at page 411.

AMENDED
Notice of Mining Location
 LODE CLAIM

To All Whom it May Concern:

This Mining Claim, the name of which is the Tombstone
 Mining Claim, situate on lands belonging to the United States of America, and in which there
 are valuable mineral deposits, was entered upon and located for the purposes of exploration and
 purchase by Novel A. Smith

a citizen of the United States
 (Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 4th day of August 1905

The length of this claim is Fifteen Hundred (1500) feet,
 and 2 claim Ten Hundred and fifty (1050) feet,
 in a westerly direction and Four Hundred
and fifty (450) feet in a Easterly direction from
 the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together
 with Three Hundred (300) feet in width of the surface grounds, on each
 side of the center of said claim. The general course of the lode deposit and premises is from the
East to the West.

The claim is situated and located in the Maricopa Mining District, in
Yochis County, in the Territory of Arizona, about 4 miles
 in a South easterly direction from Bisbee and is
 bounded on the north by the Square
Mining Claim on the east by the Mona
Mining Claim Sur. No. 7117

The surface boundaries of the claim are marked upon the ground as follows: Beginning at
a post

at a point in a westerly direction about 1050 feet from
 the discovery shaft (at which this notice is posted), being in the center of the west
 end line of said claim; thence northerly about 300 feet to a post and
monument, being the north west corner of said claim; thence
easterly about 1500 feet to a post and monument, being at the
north east corner of said claim; thence southerly about 300 feet
 to a post at the center of the east end of said claim;
 thence southerly about 300 feet to a post and monument, being at the
south east corner of said claim; thence westerly about 1500
 feet to a post and monument at the South west corner of said claim;
 thence northerly about 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of
 the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to
 Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the Tombstone
 Mining Claim, located by Chas. Mills of Bisbee Arizona
and A. M. Anderson Bisbee Ariz. on the 23rd day of
July 1902, and recorded in Book 22 of Record of Mines, at
 page 168, in the office of the County Recorder of the aforesaid County of Yochis
 to which reference is hereby made, and this amended Location Notice is made and posted to
 correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 4th day of August 1905

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 4th day of August 1905

The length of this claim is Fifteen Hundred (1500) feet,
 and Eighty (80) claim feet,
 in a Westerly direction and Fourteen

Hundred and twenty (120) feet in a Easterly direction from
 the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together
 with Three Hundred (300) feet in width of the surface grounds, on each
 side of the center of said claim. The general course of the lode deposit and premises is from the
East to the West

The claim is situated and located in the Granen Mining District, in
Yochise County, in the Territory of Arizona, about 4 miles
 in a South Easterly direction from Bisbee and is
 bounded on the north by the Grant Mining
Claim and on the East by the Carpenter
Mining claim See No. 21174

The surface boundaries of the claim are marked upon the ground as follows: Beginning at
a post

at a point in a westerly direction about 80 feet from
 the discovery shaft (at which this notice is posted), being in the center of the west
 end line of said claim; thence northwesterly about 300 feet to a post and monument
, being the north west corner of said claim; thence
castery about 1500 feet to a post and monument, being at the
North East corner of said claim; thence southerly about 300 feet
 to a post at the center of the east end of said claim;
 thence southerly about 300 feet to a post and monument, being at the
South East corner of said claim; thence westerly about 1500
 feet to a post & monument at the south west corner of said claim;
 thence northwesterly about 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of
 the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to
 Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

This is an Amended Location Notice of the Square
 Mining Claim, located by Chas. Mills of Bisbee Arizona
and A. M. Anderson Bisbee Ariz. on the 23rd day of
July 1902, and recorded in Book 22 of Record of Mines, at
 page 167, in the office of the County Recorder of the aforesaid County of Yochise
 to which reference is hereby made, and this amended Location Notice is made and posted to
 correct errors in the description in the said original Location Notice.

Dated and posted on the ground this 4th day of August 1905

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.

4-688.

U. S. SURVEYOR-GENERAL'S FINAL CERTIFICATE ON FIELD NOTES.

Department of the Interior,

OFFICE OF U. S. SURVEYOR-GENERAL,

Phoenix, Arizona

Oct. 14, 1905., 190

I, U. S. Surveyor-General for Arizona do hereby certify that the foregoing transcript of the Field Notes, return and approval of the survey of the mining claim of Hoval A. Smith

known as the Dawson City, Tombstone, Square situate in Warren Mining District, Coconino County, Arizona in Section APPROX., Township No. 23 S., Range No. 24 E. (unsur) and designated as Survey No. 2150

has been correctly copied from the originals on file in this office; that said Field Notes furnish such an accurate description of said mining claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

And I further certify that five hundred dollars' worth of labor has been expended or improvements made upon said mining claim by claimant or his grantors, and that said improvements consist of 15 shafts, Total value \$1600.00

and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Phoenix Arizona is correct and in conformity with the foregoing Field Notes.

(signed) Frank S. Ingalls

United States Surveyor-General for Arizona.

4-687.

SURVEYOR-GENERAL'S CERTIFICATE OF APPROVAL OF FIELD NOTES AND SURVEY OF MINING CLAIM.

Department of the Interior,

Office of U. S. Surveyor-General,

Phoenix, Arizona

Oct. 14, 1905., 190...

I, U. S. Surveyor-General for Arizona

do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the Mining Claim of Royal A. Smith

known as the Dawson City, Tombstone, Square

situate in Warren Mining District, Cochise County, Arizona

in Section APPROX., Township No. 23 S., Range No. 24 E. (unsur) designated as Survey No. 2150

executed by Franklin W. Smith, U. S. Deputy Mineral Surveyor, Aug 18th. to Aug 25th, 1905., under my instructions dated Aug. 16, 1905., have been critically examined and the necessary cor-

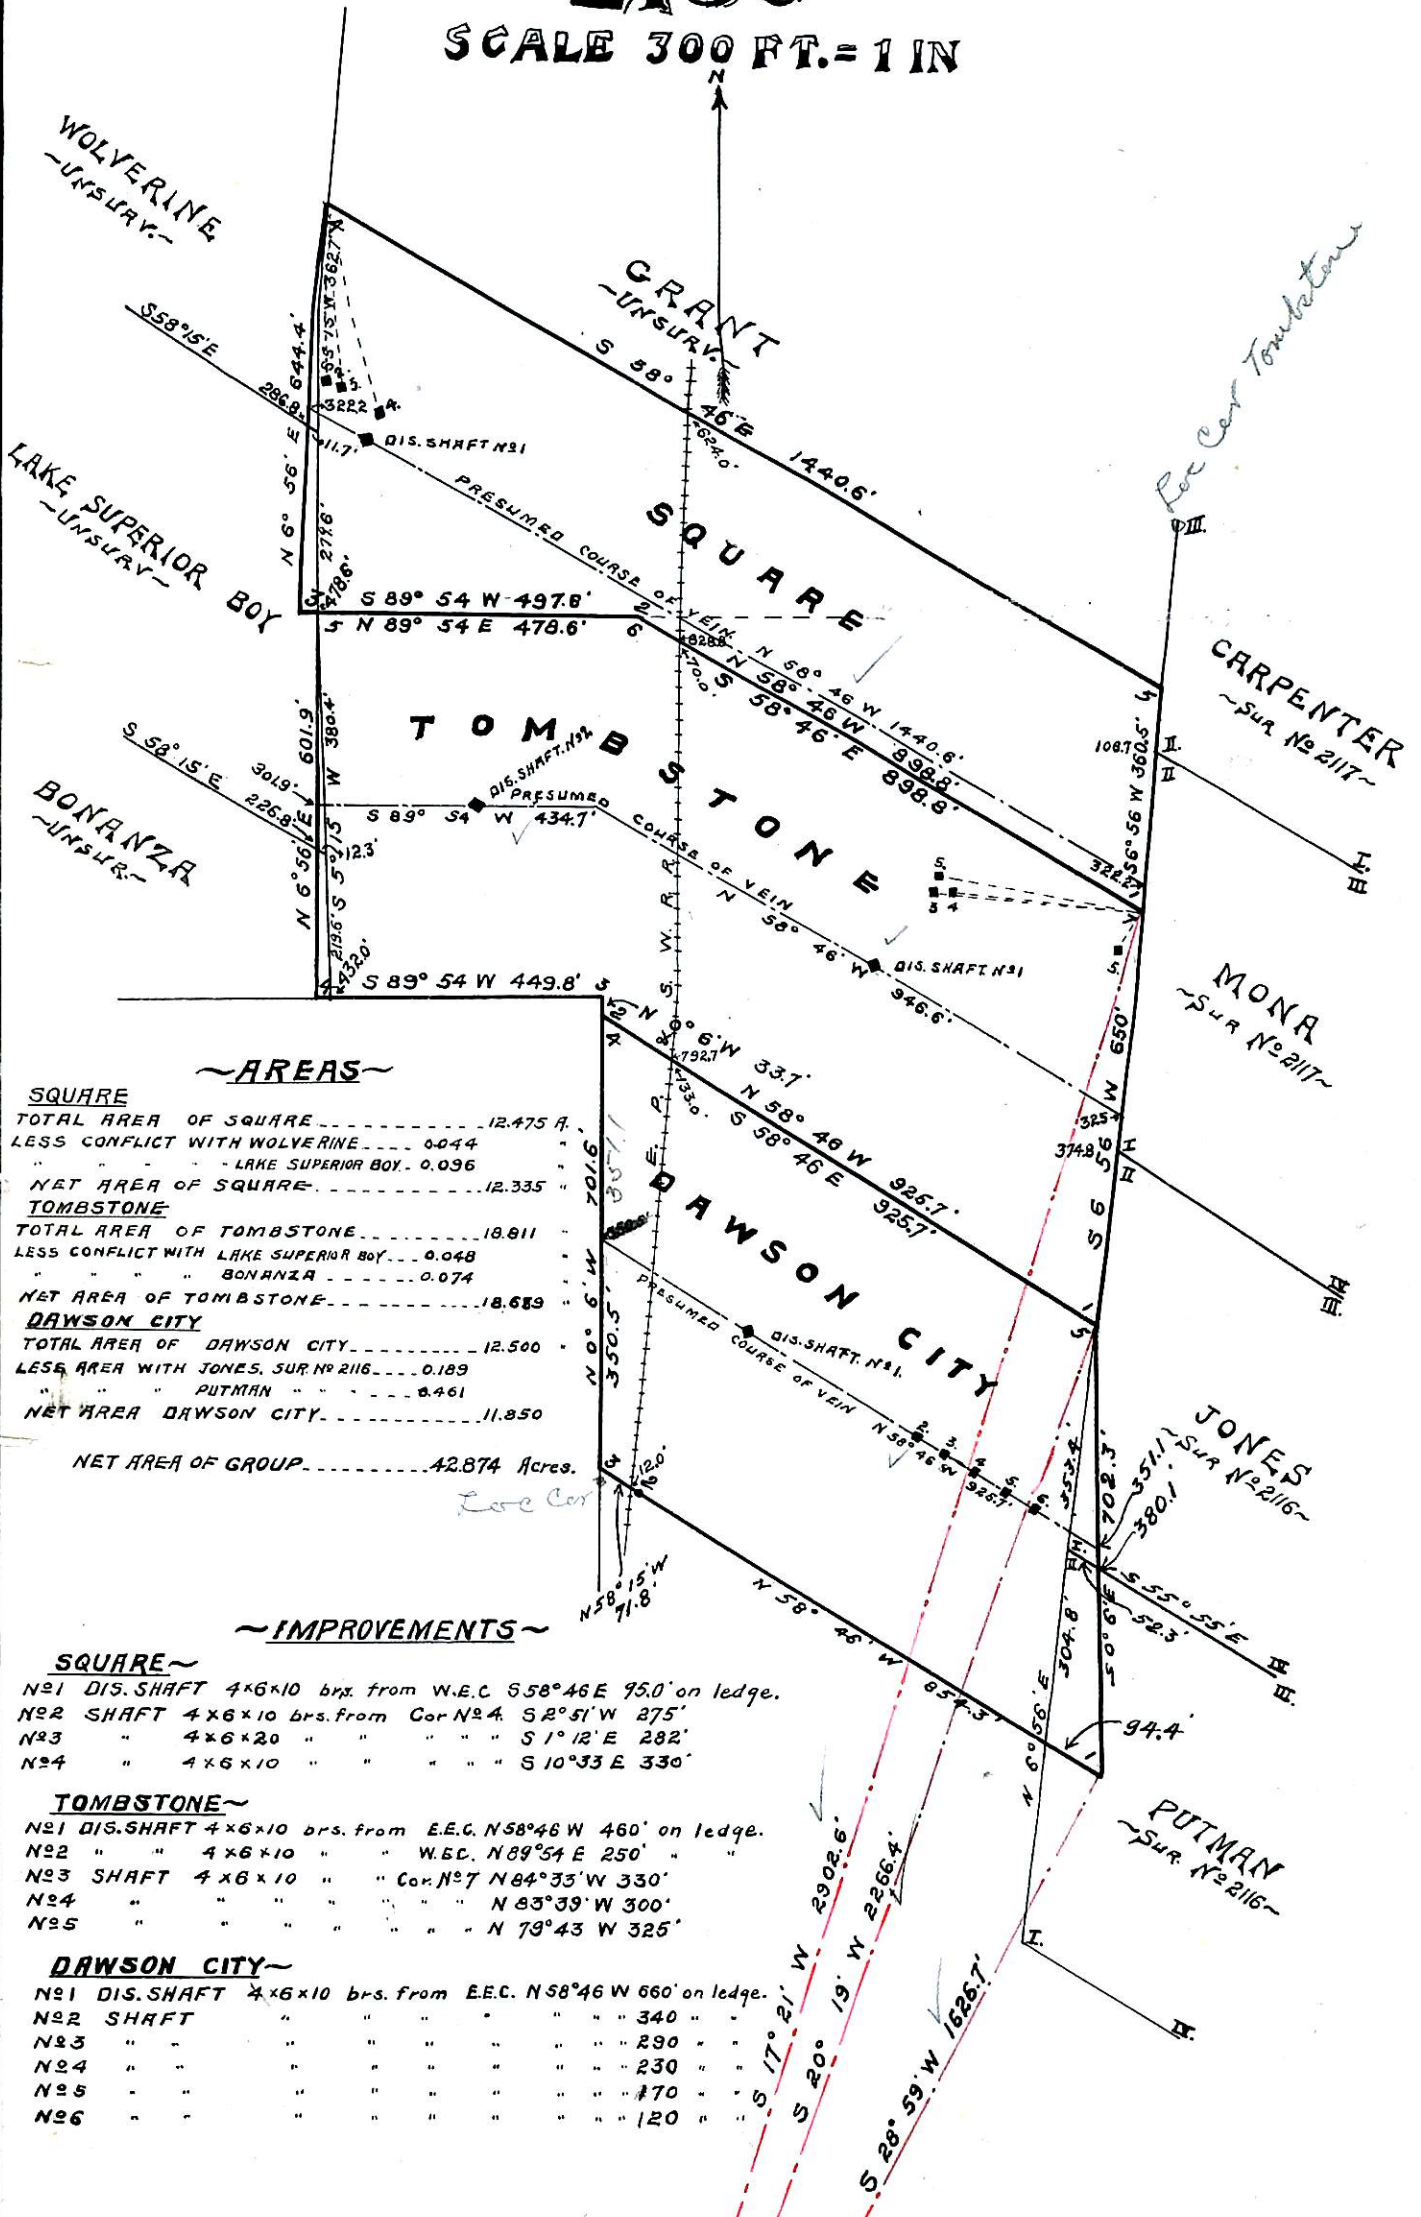

rections and explanations made, and the said Field Notes and Return, and the Survey they describe, are hereby approved. A true copy of the copy of the location certificate filed by the applicant for survey is included in the field notes.

Handwritten signature of Frank A. Fitzgerald

U. S. Surveyor-General for Arizona.
