NOTICE OF MINING LOCATION.
Quartz Claim.

To all whom it may concern:

This mining claim, the name of which is the "Midnight" Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Lilian Upton the undersigned, on the 1st day of Jan. 1899.

The length of this claim is Fifteen hundred (1500) feet, and I claim Nine hundred and fifty (950) feet in a southerly direction and Five hundred and fifty (550) feet in a northerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three hundred (300) feet in width of the surface grounds, on each side of the center of said claim, also claim all improvements that are affixed to and lie within boundaries of claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Weaver Mining District, in Yavapai County, in the Territory of Arizona, about 200 feet in a westerly direction from T. E. Peery's store in Stanton and is a relocation of the Gila Monster Mining Claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stone at a point in a southerly direction Nine hundred and fifty feet from the discovery shaft (at which this notice is posted), being in the center of the south end line of said claim; thence easterly 300 feet to a monument, being the south east corner of said claim; thence northerly 750 feet to a monument at the center of the east side line of said claim; thence northerly 750 feet to a monument being at the north east corner of said claim; thence westerly 300 feet to a monument at the center of the north end of said claim; thence westerly 300 feet to a monument, being at the north west corner of said claim; thence southerly 750 feet to a monument being at the center of the west side line of said claim; thence southerly 750 feet to a monument at the south west corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895.
