WREN.

NOTICE OF LOCATION.

Know all men by these presents: That I, the undersigned have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three Hundred (300) feet on each side of the centre of the vein, with all mineral deposits contained therein and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs fifteen hundred (1500) feet in a South-easterly direction along the ledge.

The exterior boundaries are as follows, viz:

Commencing at this monument and notice and running Three Hundred (300) feet in an easterly direction to monument of stone at N. E. corner of claim; thence in a Southerly direction parallel with the ledge Fifteen Hundred (1500) feet to monument at S. E. corner of claim; thence at right angles across the ledge in a westerly direction Six hundred (600) feet to monument at S. W. corner of claim; thence parallel with the lode in a Northerly direction Fifteen Hundred (1500) feet to monument at N. W. corner of claim; thence at right angles across the ledge in an easterly direction Three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated on the head waters of Slate Creek, commencing at the South Western end of the Dardanell Mining Claim & running thence Southwesterly 1500 ft. This claim lies east of, and adjoining the original Davis Mine, the claim being about eleven miles South of Prescott; one and one half miles west of the Prescott & Bradshaw wagon road, at the point known as Ross' Camp, in Hassayampa Mining District, Yavapai County, Arizona Territory, and shall be known as the Wren Mining Claim.

Dated on the ground, this third day of June, 1883.

NOTICE OF LOCATION.

Know all men by these presents:

That we the undersigned, have this day located fifteen (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs fifteen hundred (1500) feet in a northerly direction along the ledge, from discovery shaft.

The exterior boundaries are as follows, viz:

Commencing at this monument and notice, and running three hundred (300) feet in an easterly direction to monument at S. E. corner of claim; thence in a northerly direction parallel with the ledge fifteen hundred (1500) feet to monument at N. E. corner of claim; thence in a westerly direction at right angles across the ledge six hundred (300) feet to monument at N. W. corner of claim; thence parallel with the lode in a southerly direction fifteen hundred (1500) feet to monument at S. W. corner of claim; thence at right angles across the ledge in an easterly direction three hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated on the head of slate creek 3 miles south west of the Senator Mine and is the north extension of the "Wren" Mine. This is an abandoned claim and was formerly known as the "Mocking Bird", in Hassayampa Mining District, Yavapai County, Arizona Territory, and shall be known as the "Jay Hawker" Mining Claim.

NOTICE OF MINING LOCATION.
Quartz Claim.

To all whom it may concern:

This mining claim, the name of which is the Little Kid Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by W. C. Hanson, H. Z. Chappell and A. J. Pickrell the undersigned, on the 27th day of Nov. 1899.

The length of this claim is 500 feet, and we claim 200 feet in a westerly direction and 300 feet in a Easterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the West to the East.

The claim is situated and located in the Passayampia Mining District, in Yavapai County, in the Territory of Arizona, about two miles & half in a westerly direction from Senator mill and joins East end of Rico claim and west end of Wren claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at west center monument at a point in a westerly direction 200 feet from the discovery shaft (at which this notice is posted), being in the center of the West end line of said claim; thence 300 feet to a monument, being the South west corner of said claim; thence 200 feet to a monument at the center of the South side line of said claim; thence 300 feet to a monument being at the Southeast corner of said claim; thence 300 feet to a monument at the center of the East end of said claim; thence 300 feet to a monument, being at the North East corner of said claim; thence 300 feet to a monument being at the center of the North side line of said claim; thence 200 feet to a monument at the North W. corner of said claim; thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

Dated and posted on the ground this 27 day of Nov. 1899.
