Mineral Survey No. 2418

Lot No. _____

Arizona Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

F. K. O'Brien

KNOWN AS THE

Batholdi, Chadwick, Muri Hill, Sigi, Sorspion, Amalgamated Copper
Lauson, U.H. Buzze, The Hercules, Old Homestead & Munk Hill
Blue Tank Mining District.

Yavapai County, Arizona

Section Approx., Township 8 N., Range 3 W., Unsur.

Surveyed under instructions dated May 2nd, 1907

by William H. Burnett
U. S. Deputy Mineral Surveyor

Claim located Jan 13-1904 " " " " " "
" " " " " " " " " " " "
Jan 17-1904 " " " " " "
" " " " " " " " " " " "
April 26-1907 " " " " " "

Survey commenced June 11th, 1907

Survey completed " 16th, 1907

6-107

Address of Claimant
Norris & Ross Atty
Piscott Arizona

The ACCIDENT LODE

No. 1 dis. cut which brs. from S. C. End. N 5° 37' E 210 ft.
4X20X12 ft. value \$50.00

Note \$450.00 worth of the work in No. 2 shaft Nogi lode is credited to each lode of the claim.

Instrument
This survey was made with a Gurley light mountain solar transit. The courses were deflected from the true meridian as determined by direct solar observations. The distances were measured with a 100-ft and 500-ft. steel tapes.

Note: - It is the intention of the claimant to work these claims as a group.

William H. Merrill
U. S. Dep. Mineral Surveyor

Handwritten notes and signatures at the bottom of the page, including "settled" and "prospect".

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, William H. Merritt, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated May 2nd 1907, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of P. X. O'Brien, known as the Bathulda, Chandurick, Meter Hill, Nogi, Scorpion, Amalgamated Copper, Lawson, W. H. Binney, the Peccaton, Old Homestead, Monument Hill, situate in Blue Tank Mining District, Yavapai County, Arizona, in Section Approx., Township No. 8 N., Range No. 3 W., Unsur., and designated as Survey No. 2418, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

William H. Merritt
U. S. Deputy Mineral Surveyor.

NOTICE OF MINING LOCATION. LODE CLAIM.

To All Whom It May Concern:

This Mining Claim, the name of which is the Batholdi
Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purposes of exploration and purchase by R.W. Baxter a citizen of the U.S.

(Locator must insert either "a citizen of the United States," or, "who has declared his intention to become a citizen of the United States.")

the undersigned, on the 13 day of December, 1904

The length of this claim is 1500 feet,
and I claim 750 feet,
in a southerly direction and 750
feet in a northerly direction from
the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with
300 feet in width of the surface grounds, on each side of the
center of said claim. The general course of the lode deposit and premises is from the
South to the North

The claim is situated and located in the Blue Tank Mining District,
in County, in the Territory of Arizona, about 1 1/4 miles
in a southerly direction from Gilbert station and joins
Chadwick claim on the North and Hogi claim on east, and abandoned
property formerly known as the Burage property.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at
a monument of stone

at a point in a southerly direction 750 feet from
the discovery shaft (at which this notice is posted), being in the center of the south
end line of said claim; thence 300 feet to a monument of stones
 , being the southeast corner of said claim; thence
1500 feet to a monument of stone , being at the
north east corner of said claim; thence 300 feet
to a monument of stones at the center of the north end of said claim;
thence 300 feet to a monument of stone , being at the
North west corner of said claim; thence 1500
feet to a monument of stones at the south west corner of said claim;
thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 13 day of Dec. 1904

center of said claim. The general course of the lode deposit and premises is from the North
to the South.

The claim is situated and located in the Blue Tank Mining District,
in Yavapai County, in the Territory of Arizona, about 4000 ft
in a southerly direction from Gilberts store adjoins Baxter
group on north Located as abandoned ground

The surface boundaries of the claim are marked upon the ground as follows: Beginning at
a mmonument of stone
at a point in a southerly direction 400 feet from
the discovery shaft (at which this notice is posted), being in the center of the south
end line of said claim; thence 300 feet to a monument of stone
, being the south east corner of said claim; thence
1500 feet to a monument of stone, being at the
north east corner of said claim; thence 300 feet
to a monument of stone at the center of the north end of said claim;
thence 300 feet to a monument of stone, being at the
North west corner of said claim; thence 1500
feet to a mmonument of stone at the South west corner of said claim;
thence 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona," approved March 16, 1901.

Dated and posted on the ground this 29 day of Dec 1904.

"MONTAI HILL"

AMENDED NOTICE OF MINING LOCATION
-Lode Claim-

TO ALL WHOM IT MAY CONCERN, This Mining Claim, the name of which is MONTAI HILL Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered and located for the purpose of exploitation and purchase by F. X. O'Brien, a citizen of the United States, the undersigned, on the 26th day of April, A. D., 1907.

The length of this claim is 1500 feet, and I claim 750 feet in a northerly and 750 feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of surface ground on each side of the center of the vein. The general direction of the lode deposit and premises is from south to north.

The claim is situated and located in the Blue Tank Mining District, in Yavapai County, Arizona, about one mile in a southerly direction from Gilbert Station, and joins the CHADWICK claim on the East. This claim is located as abandoned property, and was formerly known as the Burrage property.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a southerly direction 750 feet from the discovery shaft (at which this notice is posted), being the center of the south end line of said claim; thence ^{easterly} 300 feet to a monument of stones, being the south east corner of said claim; thence northerly 1500 feet to a monument of stones, being the north-east corner of said claim; thence westerly 300 feet to a monument of stones, being the center of the north end line of said claim; thence, on the same course, 300 feet to a monument of stones, being the north-west corner of said claim; thence southerly 1500 feet to a monument of stones, being the south-west corner of said claim; thence easterly 300 feet to the place of beginning.

This is an amendment of the original notice of location as made and given by R. W. Baxter, posted on said claim December 17th, 1904, and now of record in Book 72 of Vines, page 518, and is made to correct errors in the description of boundaries of said claim in said original notice.

All done under the provisions of Chapter Six, Title XXXII of the Revised Statutes of the United States, and legislation supplemental thereto.

Dated and posted on the ground this April 26th A. D. 1907.

"OLD HOMESTEAD"

AMENDED NOTICE OF MINING LOCATION
Lode Claim.

TO ALL WHOM IT MAY CONCERN:

This Mining Claim, the name of which is the "OLD HOMESTEAD" Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by P. X. O'Brien, a citizen of the United States, the undersigned, on the 26 day of April, 1907.

The length of this claim is 1500 feet, and I claim 750 feet in a northerly direction and 750 feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface ground on each side of the center of the vein. The general direction of the lode deposit and premises is from the South to the North.

The claim is situated and located in the Blue Tank Mining District, in Yavapai County in the Territory of Arizona, about one mile in a southerly direction from Gilbert Station, and joins the Lawson Claim on the west, and is located as abandoned ground, having been formerly known as the Burrage property.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a southerly direction 750 feet from the Discovery shaft (where this notice is posted), being the center of the south end line of said claim; thence easterly 300 feet to a monument of stones being the south east corner of said claim; thence northerly 1500 feet to a monument of stones being the north-east corner of said claim; thence westerly 300 feet to a monument of stones at the center of the north end of said claim; thence westerly 300 feet to a monument of stones, being the north-west corner of said claim; thence southerly 1500 feet to a monument of stones, being the south-west corner of said claim; thence easterly 300 feet to the place of beginning.

This is an amendment of the original notice of location of said claim, made and given by A. W. Baxter, posted on said claim December 17th, 1904, and now of record in Book 72 of Mines, page 519.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of legislation supplemental thereto.

Dated and posted on the ground this 26 day of April, 1907.

U. S. SURVEYOR GENERAL'S FINAL CERTIFICATE ON
FIELD NOTES.

DEPARTMENT OF THE INTERIOR,

OFFICE OF U. S. SURVEYOR GENERAL,

Phoenix, Arizona,

October 18, 1907.

I, U. S. Surveyor General for Arizona,
do hereby certify that the foregoing transcript of the Field Notes, return and approval
of the Survey of the mining claim of F. X. O'Brien,

known as the Batholdi, Chadwick, Meter Hill, Nogi, Scorpion,
Amalgamated Copper, Lawson, W.H. Borage, The Accident, Old Homestead,
and Montai Hill, situate in Blue Tank

Mining District, Yavapai County,
Arizona, in Section Approx., Township No. 8 N.,

Range No. 3 W., and designated as Survey
No. 2418,

has been correctly copied from the originals on
file in this office; that said Field Notes furnish such an accurate description of said
mining claim as will, if incorporated into a patent, serve fully to identify the premises,
and that such reference is made therein to natural objects or permanent monuments as
will perpetuate and fix the *locus* thereof.

And I further certify that five hundred dollars' worth of labor has been expended
or for each of
or improvements made upon said mining claim by claimant or his grantors, and
that said improvements consist of 9 shafts, 5 cuts and 2 tunnels, total
value \$6450.00, shaft No. 2 on the Nogi lode being a common im-
provement, and a 1/11 interest therein, valued at \$450, is
credited to each lode

and that no portion of said labor or improvements has been included in the estimate of
expenditures upon any other claim.

I further certify that the plat thereof, filed in the U. S. Land Office at Phoenix,
Arizona, is correct and in conformity with the foregoing Field Notes.

Frank S. Ingalls,

United States Surveyor General for Arizona.

4-687.

SURVEYOR-GENERAL'S CERTIFICATE OF APPROVAL OF FIELD
NOTES AND SURVEY OF MINING CLAIM.

Department of the Interior,

Office of U. S. Surveyor-General,

Phoenix, Arizona,

October 18, 1907.

I, U. S. Surveyor-General for Arizona,

do hereby certify that the foregoing and hereto attached Field Notes and Return of the Survey of the
Mining Claim of E. X. O'Brien,

known as the
Batholdi, Chadwick, Meter Hill, Nogi, Scorpion, Amalgamated Copper,
Lawson, W. H. Borage, The Accident, Old Homestead & Montai Hill,

situate in Blue Tank Mining District,

Yavapai County, Arizona,

in Section Approx., Township No. 8 N., Range No. 3 W.

designated as Survey No. 2418,

executed by William H. Merritt, U. S. Deputy Mineral

Surveyor, June 11-18, 1907, 1907, under my instructions dated

May 2nd, 1907, have been critically examined and the necessary cor-

rections and explanations made, and the said Field Notes and Return, and the Survey they describe,

are hereby approved. A true copy of the copy of the location certificate filed by the applicant for

survey is included in the field notes.

Frank S. Ingalls

U. S. Surveyor-General for Arizona,
