Notice of Mining Location

LODE CLAIM

APR 17 1917

TO ALL WHOM IT MAY CONCERN:

This Mining Claim, the name of which is the New York Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Robt. Coughran

(Locator must insert either "a citizen of the United States," or "who has declared his intention to become a citizen of the United States.") the undersigned, on the 3 day of March, 1913.

The length of this claim is 1500 feet, and I claim 400 feet, in a Northerly direction and 1100 feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Warren Mining District, in Cochise County in the Territory State of Arizona, about 1 1/2 miles in a Southwesterly direction from The City of Bisbee, and is bounded on the east by the "Montreal" mining claim and on the west by the Portland Mining Claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at Stone Monument three feet high

at a point in a Northerly direction 400 feet from the discovery shaft (at which this notice is posted), being in the center of the North end line of said claim; thence East 300 feet to a Stone Monument, being the Northeast corner of said claim; thence South 1500 feet to a Stone Monument, being at the Southeast corner of said claim; thence West 300 feet to a Stone Monument at the center of the South end of said claim; thence West 300 feet to a Stone Monument being at the Southwest corner of said claim; thence North 1500 feet to a Stone Monument at the Northwest corner of said claim; thence East 300 feet to the place of beginning.

Dated and posted on the grounds this 3 day of March 1913

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act to Revise and Codify the Laws of the Territory of Arizona", approved March 16th, 1901.

Dated and posted on the ground this 3 day of March 1903.

Excerpts from the Mining Laws of the State of Arizona.

Title XLVII of the Revised Statutes of 1901, and Amendments thereto.

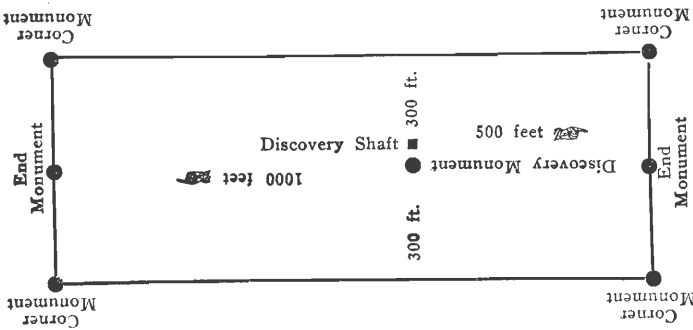

Sec. 2. Such location shall be made by erecting at or contiguous to the point of discovery a conspicuous monument of stones not less than three feet in height, or an upright post, securely fixed, projecting at least four feet above the ground, in which monument of stones or on which post there shall be posted a location notice which shall be signed by the name or names of the locator or locators.

Sec. 4. From the time of the location of a mining claim, as above specified, the locator shall be allowed ninety days within which to do or cause to be done the following things:

2. To sink a discovery shaft in the claim to a depth of at least eight feet from the lowest part of the rim of the shaft at the surface, and deeper, if necessary, until there is disclosed in said shaft mineral in place.

Sec. 6. Such surface boundaries shall be marked by six substantial posts projecting at least four feet above the surface of the ground, or by substantial stone monuments at least three feet high, to-wit: One at each corner of said claim and one at the center of each end-line thereof.

Sec. 8. Location notices may be amended at any time and the monuments changed to correspond with the amended location; Provided, That no change shall be made that will interfere with the rights of others.

This diagram is to give locator a general idea of plan of location under the new law. The Discovery Shaft can be in the center of claim or any distance from either end desired. In the diagram it is placed 500 feet from one end and 1000 feet from the other. Commence description of claim at a center end monument, giving its distance and direction from center of Discovery Shaft; thence bound the claim in either direction. In description be careful to state locality of claim with reference to some natural object, or permanent monument, as will identify the claim.
