Chains

On the night of January 22nd 1889
I take an observation of the Star
Polaris in accordance with in-
structions contained in the
Manual of Surveys and drive
pickets on the line so establish-
ed.

Survey commenced January 23rd
1889 with a Transit by Knox
and Chain No 1303

Before commencing this survey
I test my instrument on the line
established last night and find
it correct and the variation
to be $13^{\circ}10'$ E.

This Township having been
previously partly surveyed
under Contract dated February
29th 1868 I commence at the

Chains	<p> $\frac{1}{4}$S. cor. bet. Sec. 20 and 21 which is a sandstone set in a mound of earth and marked $\frac{1}{4}$ on the W. face and run North bet. S. 20 and 21 Val. $13^{\circ} 10' E$. </p>
35.00	Base of Mountain
40.00	<p> Set Sandstone on Mountain side $15 \times 6 \times 6$ ins 10 ins in the ground for cor. to Sec. 16 17 20 and 21 marked with 3 notches on the S and 4 notches on the E. edges and raised a mound of stone 2ft. high 3ft base alongside. Pits impracticable. Land broken Soil 4th Class Timber Palo verde </p>

Final Oath of Assistants.

We hereby certify that we assisted Andrew
Barry U. S. Deputy Surveyor, in surveying
all those parts or portions of Township No 3 North
Range No 3 East and Township No 2
North Range No 4 East of the Gila and
Salt River Base and Meridian of
the Territory of Arizona

as are represented in the foregoing field notes as having been
surveyed by him and under his direction; and that said Survey
has been in all respects, to the best of our knowledge and belief,
well and faithfully surveyed and the corner monuments estab-
lished according to the instructions furnished by the United
States Surveyor-General for Arizona.

Notary Public

Final Oath of Deputy Surveyor.

I, *Andrew Barry*

U. S. Deputy Surveyor, do solemnly swear that in pursuance of instructions received from John ~~Wasson~~ ^{Hill}, United States Surveyor-General for Arizona, bearing date the *24th* day of *December* 1888, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the United States Surveyor-General for Arizona, the Surveying Manual, and the laws of the United States, surveyed all those parts or portions of

*Township No 3 North Range No 1 East
and Township No 2 North Range No 1
East of the Gila and Salt River
Base and Meridian of the
Territory of Arizona*

as are represented

in the foregoing Field Notes as having been surveyed by me and under my direction; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the Surveying Manual, printed instructions, the special instructions of the United States Surveyor-General for Arizona, and in the specific manner described in the

75
field notes, and that the foregoing are the true Field Notes
such survey, and should any fraud be detected I will suffer
penalty of perjury, under the provisions of an act of Congress
approved August 8, 1846

Andrew Barry
U. S. Deputy Surveyor

sworn to and subscribed before me this 28th day

January, 1889.
