July 7, 1894.

General Description.

The southwestern part of the Township consists of a high, rolling mesa, covered with scattering pine timber and dense undergrowth of cedar and pinon brush, which breaks off abruptly toward the lower and largest part; this consists of rolling, rocky prairie, containing no timber, and but little brush. Good grass grows in all parts of

T. 25 N. R. 6 East (contd)

Chs. the Township during
the wet seasons.

In sections 17, 19 and
20, are several large
springs of fresh water,
owned by the A. Cattle
company by virtue of the
application of U. S. Land
Scrip upon the land
surrounding the springs.

In section 28 there is a
small spring, fenced and
claimed by Wm. Chester Meyer

The Grant canon Stage
company's station is sit-
uated in section 16

Charles E. Perkins
