General Description

With the exception of portions of sections 8, 9, 16 & 17 this Township is a level, heavily timbered tract of land.

No settlements or locations on the Township.

The timber is Pine & Cedar

The brush is a "buck" brush and Chico brush.

The drainage is apparently to the South West.

James J Trotter
U S Deputy Surveyor

BOOK 555

APPROVAL.

OFFICE OF THE UNITED STATES SURVEYOR GENERAL

Tucson, Arizona.

March 1, 1901.

The foregoing field notes of the survey of The Subs. of Tp 28 N. R 3 E Gila and Salt River Base & Mer executed by James F. Fraker under his contract No. 72 dated June 13, 1900, having been critically examined, and the necessary corrections and explanations made, the said field notes, and the surveys they describe, are hereby approved.

George Christ

U. S. Surveyor General for Arizona
