Subdivisions T. 6. S. R. 30. E.

Note

From the Closing Cor. to
Tps. 6. S. Rs. 31^{4d} 32 E. west
to the Standard Cor. to Secs.
35^{4d} 36. T. 5. S. R. 31 E. I
remeasure the same and find
the actual distance to be
5.60 chains. as the Cor. posts
are actually established on
the ground.

I also remeasure
the distance bet. the Standard
Sec. Cors. on a boundary of
Sec. 36. T. 5. S. R. 30. E. and
find the same to be 79.67 chs.
as the Cor. posts are
actually established on
the ground.

Daniel Drummond
U. S. Deputy Surveyor

General Description

This township contains Mountain mesa and bottom land. The soil ranges from rocky and stoney to rich alluvial. The soil of the bottom land along the Gila River is generally rich sandy loam. The mountains and mesas are covered with nutritious grasses. Timber is found only on the Gila Bottom. The high mountains in the South western portion contains some scrubby cedar and Juniper. The Gila River traverses the northern portion also. the Arizona and New

Mexico Railroad running
from Lordsburg New Mexico
to Clifton Arizona a distance
of 71 miles.

The unsurveyed
portion of the township
consist of high, steep
and rocky mountains.

Daniel Drummond,
U. S. Deputy Surveyor

List of Names.

September 1891

G. K. Miller
Notary Public
Pima County Arizona

Final Oath of Deputy Surveyor.

BOOK 668

15

I, Daniel Drummond

U. S. Deputy Surveyor, do solemnly swear that in pursuance of instructions received from Rayce Johnson ~~John Wasson~~, United States Surveyor-General for Arizona, bearing date the 27th day of June 1881, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the United States Surveyor-General for Arizona, the Surveying Manual, and the laws of the United States, surveyed all those parts or portions of the Exterior lines of T. T. S. R 31 E Tps. 6. S R 30 and 31 E. the Subdivisions of the same also the meanders of the Gila River, and the Extension of First Stand for South as are represented in the foregoing Field Notes as having been surveyed by me and under my direction; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the Surveying Manual, printed instructions, the special ^{written} instructions of the United States Surveyor-General for Arizona, and in the specific manner described in the

16
field notes, and that the foregoing are the true Field Notes of
such survey, and should any fraud be detected I will suffer the
penalty of perjury, under the provisions of an act of Congress
approved August 8, 1846

David Drummond

U. S. Deputy Surveyor.
