Preliminary Oaths of Assistants.

We, Lyman Wakefield
 and Chas B. Warren
 do solemnly swear that we will faithfully execute
 the duties of Chain Carriers; that we will level the
 chain upon uneven ground, and plumb the tally
 pins, whether by sticking or dropping the same;
 that we will report the true distance to all notable
 objects, and the true length of all lines that we as-
 sist in measuring, to the best of our skill and
 ability.

Lyman Wakefield
Chas B Warren

Sworn to and subscribed before me, this 29
 day of September, 1877

William Brown
Notary Public

We, *Fred C. Jones* and
J. P. Chenoweth

do solemnly swear that we will well and truly per-
form the duties of *Deputy*
and Magistrate respectively
according to instructions given us, and to the best
of our skill and ability.

Fred C. Jones
J. P. Chenoweth

Sworn to and subscribed before me this *29*
day of *September*, 187*7*

Dec. 15, 1877

Township S. R. 16 E. T. 6 S. Salt River

BOOK 672

General Description:

This township lies along the San Pedro valley, the San Pedro River running through the western portion of it. Along the river is rich bottom land. There is water in the river for irrigating purposes. On either side of the bottom the surface is rolling & hilly, and in the N. E. corner rough & broken. This rolling land is covered with natural grasses furnishing good grazing. There is Cottonwood, Willow and mesquite timber along the river and palo verde on the hills.

Final Oath of Deputy Surveyor.

BOOK 672

64

I, John L. Harris

U. S. Deputy Surveyor, do solemnly swear that in pursuance of a contract with John Wasson, United States Surveyor-General for Arizona, bearing date the 14th day of July,

1879 I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General, the Surveying Manual, and the laws of the United States, surveyed all those portions of

the subdivision lines of town-
ship C South of Range 16 East
of the Gila and Salt River
Meridian

as are represented in the foregoing Field Notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the Surveying Manual and printed instructions, and also in accordance with the additional requirements con-

65

tained in circular instructions from the U. S. Surveyor-General for Arizona, dated September 1, 1873, regarding the establishment of corner boundaries of public surveys, and that the foregoing are the true and original Field Notes of such surveys.

John L. Harris
Deputy Surveyor.

Sworn to and subscribed before me, this 8th day of January, 1878.

William B. Brown
