and level Soil. 2<sup>d</sup> rate, Dense Bush the entire mile and over.

Mar 16 1885, Dec. 1. 1883

## General Description

This township is situated in the level valley of the Santa Cruz River, the soil is good, and covered with a dense growth of brush and scattering trees, it will if irrigated produce a rich crop. Water may be had by sinking 40 feet below the surface.

There is some grazing on this Township.

The town of Casa Grande is in Sec. 29 & 30.

For final notes see book No. 18
