Preliminary Oaths of Assistants.

We, Lyman Wakefield
and Chas. B. Warren
do solemnly swear that we will faithfully execute
the duties of Chain Carriers; that we will level the
chain upon uneven ground, and plumb the tally
pins, whether by sticking or dropping the same;
that we will report the true distance to all notable
objects, and the true length of all lines that we as-
sist in measuring, to the best of our skill and
ability.

Lyman Wakefield
Chas. B. Warren

General Description:

This township lies along the San Pedro Valley, the San Pedro River passing through the western portion of the township. Along the river is rich bottom land and water for irrigating purposes. On either side of the bottom of the valley the surface is rolling and hilly in the E. Eastern portion. These rolling lands are covered with grass furnishing excellent grazing. There is some lumber along the river and some scattering trees elsewhere.
