No. 742

Field Notes  
of the Survey of the  
Subdivision Lines  
of  
Township No 9 South, Range No 3 East  
of the  
Gila & Salt River Base & Meridian  
of  
Arizona Territory  
as surveyed by  
R. C. Powers  
U.S. Deputy Surveyor  
Under his Contract No 41  
Dated July 20<sup>th</sup> 1883.

Survey commenced Nov 3<sup>d</sup> 1887  
Survey completed Nov 16<sup>th</sup> 1887

Chain

T. G. South R. 8 East

For preliminary oaths and character of instrument see Book No 1 Exterior Boundaries

This resurvey of 11 Townships is made in strict conformity with the instructions of the Surveyor General of Arizona as contained in his letters of instructions of April 27<sup>th</sup> and 30<sup>th</sup> 1887, all lines being carefully re-measured, new corners being established and the old ones destroyed.

Chains

T. J. South R. 8 East.

Preliminary to commencing this survey I ran North on a blank line, on the East boundary of Sec 36. and at 39.97 chs found the  $\frac{1}{4}$  Sec cor and at 80 chs found the sec cor. I then ran S.  $89^{\circ}39'W$  on a blank line on the South boundary of sec 36. and at 40.01 chs found the  $\frac{1}{4}$  sec cor and at 79.88 chs found the sec cor. My compass will therefore run the same lines with the Exterior boundaries and the chaining practically agrees.

At 12 o'clock M. this day before entering upon the subdividing of this Tp. I took the latitude and found it to be  $32^{\circ}36'N$ .

I also carefully examined my instrument and found it to be in good adjustment.

Survey commenced Nov 3<sup>d</sup> 1887 with

Chassis Subdivisions T. 9 S. R. 8 E. Continued

a. Burt's improved Solar Compass  
with telescope attachment

I commenced at the cor to Secs 1-2-35  
& 36 on the South boundary previously  
established and described by me

Thence I run

North bet Secs 35 & 36.

Var  $12^{\circ} 57' E$ .

Over level ground

40.00 Set a mesquite post 3 ft long 3 ins  
square with marked stone 12 ins in the  
ground for  $\frac{1}{4}$  sec. cor. marked  $\frac{1}{4}$  S.  
on W. face, dug pits 18 x 18 x 12 ins N  
& S. of stone  $5\frac{1}{2}$  ft dia and raised  
a mound of earth  $1\frac{1}{2}$  ft high  $3\frac{1}{2}$  ft  
base around post

57.00 Descend 8 ft into wash of Santa Cruz river

57.70 Cross Santa Cruz river 60 yds wide  
course of stream N. W.

Chas Subdivisions T. 9 S. R. 8 E. Continued

59.70 Ascend 10 ft from mark of Santa Cruz

80.00 Set a mesquite post 4 ft long 4 ins square  
with marked stone 12 ins in the ground  
for cor to secs 25, 26, 35 & 36 marked  
T. 9 S. S. 25 on NE

R 8 E S. 36 on SE

S 35 on SW and

S. 26 on N. W. faces with notch  
on S. and E. edges, dug pits 18 X 18 X  
12 ins in each sec 5 1/2 ft dia. and  
raised a mound of earth 2 ft high  
4 1/2 ft base around post  
Land level

Soil, alluvial, 1<sup>st</sup> rate

Dense brush entire mile.
