F I E L D N O T E S
OF THE SURVEY OF THE
SUBDIVISION LINES
OF

Township 17 South, Range 9 East.

Gila and Salt River Base and
Meridian,

ARIZONA.

By George J. Roskrugs, S.D., under
Contract dated March 5, 1886.
Survey commenced October 20, 1886.
Survey completed October 25, 1886.

No. 841

Field Notes

of the
Survey of the
Subdivision Lines
of
Township No 17 South, Range 9 East.
of the
Gila and Salt River Meridian
of Arizona

as Surveyed by
Geo. J. Roskinge
U. S. Deputy Surveyor
under his contract No, 1
Dated March 5th 1886.

Survey Commenced: October 20th 1886.

Survey Completed: October 25th 1886.

For preliminary oaths
see Book No. 1,

Township No 17 S. Range No 9. E. G. & S. R. Meridian.

Sp. 17 S. R. 9 E.

Before commencing the Survey of the Subdivision lines of this Township, I take an observation, using a Young & Davis Solar Transit, and find the magnetic Variation to be $12^{\circ}55' E$.

I ran North on a blank line on the E. boundary of Sec. 36. and at 40 chs. found the $\frac{1}{4}$ Sec. Cor. and at 80 chs. found the Sec. Cor. I then ran S. $85^{\circ}40' W$. on a blank line on the S. boundary of Sec. 36, and at 40 chs found the $\frac{1}{4}$ Sec. Cor. and at 80 chs found the Sec. Cor. My compass will therefore run the same line as the exterior boundaries and the chaining practically agrees.

Survey commenced Oct. 20th 1886.
I commenced at the cor to Secs 1. 2. 35 & 36 on the S. boundary of the Township which is a Granite stone previously established and described by me.

Thence I run

General Description

Through Secs. 2, 11, 14, 23, 26 & 35 there is a fine belt of first class land.

In Secs. 2, 11, 14 & 23, C. H. Warren, and other parties, have under fence about 1000 acres. Warren's ranch house, outbuildings and corrals are in Secs. 14 & 2.

A well was sunk to a depth of 180 ft and an abundant supply of water obtained which is raised by steam power.

The land in the balance of the Township may be classed as 2^d & 3^d rate, but without irrigation this land is of no use for any purpose. The whole Township is covered by a growth of nutritious grasses. The timber consists of mesquite and palo verde.

George Proskruge
U. S. Deputy Sur^r.

For final oaths see book no. 15.

BOOK 841

OFFICE U. S. Surveyor General,Tucson, Arizona,March 27th. 1888.

The foregoing Field Notes of the surveys of the Subdivision Lines of Township **17** South, Range **9** East, of the Gila and Salt River Base and Meridian Arizona, executed by George J. Roskrutz, U. S. Deputy Surveyor, under his contract of the 5th. day of March 1886, having been critically examined and the necessary corrections and explanations made, the said Field Notes and the surveys they describe are hereby approved.

John Aise
U. S. Surveyor General.
