## Preliminary Oaths of Assistants.

-----

We, *Urban Bessard* -----  
and *E. C. Smith* -----

do solemnly swear that we will faithfully execute the duties of Chain Carriers; that we will level the chain upon uneven ground, and plumb the tally pins, whether by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability.

Township 6 S. Range 14 W.  
Gila and Salt River Meridian

General Description

This Township lies along the valley of the Gila, the river running through the adjoining township on the South. There is an abundance of water not yet utilized in the river for irrigating purposes.

There is considerable good land throughout the township. The surface is mostly level. The land generally descends a little south. There is very little timber but some brush and grass.
