

FIELD NOTES

OF THE RETRACEMENT OF

3rd. Standard Parallel North, thru part of Range 5 East, and

Portion of the Subdivision lines of Township 13 North, Range 5 East,

and RESURVEY of

Portions of the bdry. of Ft. Verde Garden Reservation,

Portions of the bdry. of Camp Verde Military Reservation,

The 3rd. Standard Parallel N., thru part of Range 5 East,

and

Parts of the East bdy. and Subdivision lines of

TOWNSHIP 13 NORTH, RANGE 5 EAST,

and SURVEY of

Parts of the East, North and West bdrs., and Subdivision lines of

TOWNSHIP 13 NORTH, RANGE 5 EAST, &

Part of the Subdivision lines of TOWNSHIP 13 NORTH, RANGE 4 EAST,

Of the Gila and Salt River Base and Meridian,

In the State of Arizona.

EXECUTED BY

William H. Richards, Jr. U.S.S.

with corrections of survey of part of Subdivision lines of T. 13 N.,

R. 5 E., by Sidney E. Blout, U. S. Cadastral Engineer,

In the capacity of U. S. Surveyor, under Special Instructions dated October 14., 1915,

issued by the United States Surveyor General to govern surveys included in Group

No. 61, Arizona, which were approved by the Commissioner of the General Land

Office, October 28., 1915, and Assignment Instructions dated January 6., 1916

ent,
and Survey commenced February 15., 1916. (Richards)

nt,
and Survey completed April 22., 1916. (Richards)

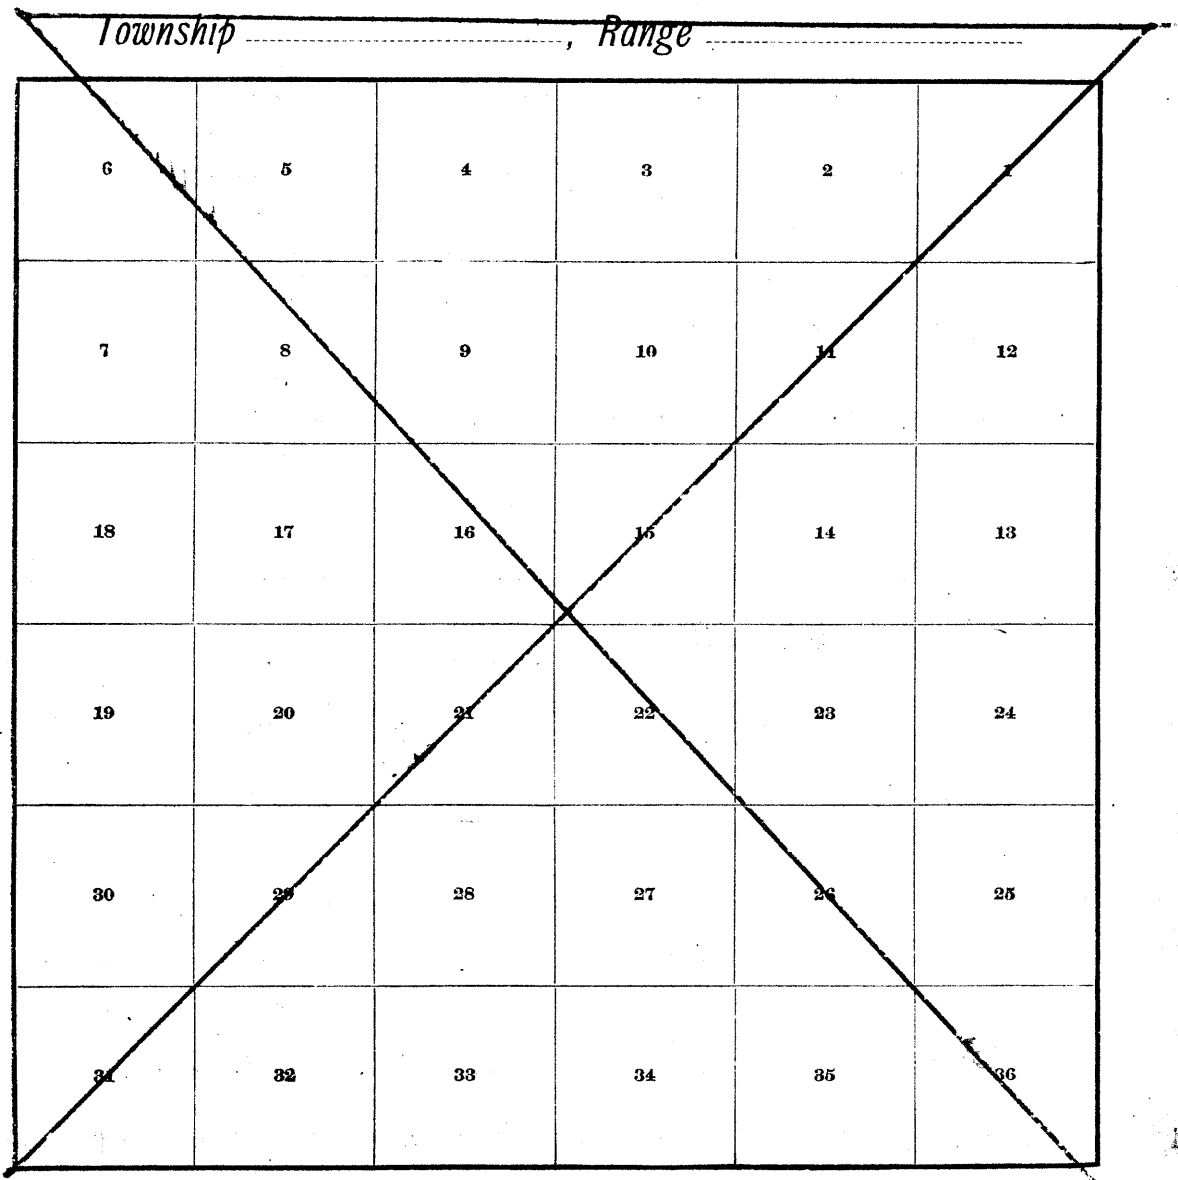

Corrections, March 7, 1919. (Blout)

Field correction of $\frac{1}{4}$ sec.cors., on N., S., & W. bdrs. of sec. 20, by Sidney E. Blout, U.S. Cadastral Engineer.

Chains.

Retracements, Resurveys and Surveys hereinafter described, were executed by Wm. H. Richards, Jr., U.S. Surveyor, on dates shown on page 2 hereof, using Buff solar transit No. 9206, with Smith solar attachment. For description of instrument and certificate of approval, see Book "A."

Examine the adjustments of the transit and correct all errors; then, to test the solar apparatus, by comparing its indications resulting from solar observations made during a.m. and p.m. hours, with a meridian determined by observations on Polaris, proceed as follows: February 13, 1916. At camp in the NE. quarter of sec. 15, T. 13 N., R. 5 E., in lat. 34° 32' N.; long. 111° 48' W., at 4h. 0m. p.m., l.m.t., set off 34° 32' N., on the lat. arc; 13° 30' S. on the decl. arc, and determine a meridian with the solar, marking a point thereof by a nail in a stake 10 chs. N. of station.

At 9h. 53.6m. p.m., l.m.t. by watch, which is set to correct local mean time, observe Polaris at western elongation, and mark a point in the line thus determined on a stake set 10 chs. N. of station.

February 13, 1916.

February 14, 1916.

At 8h. a.m., l.m.t., lay off the azimuth of Polaris, 1° 22 1/4' to the east, and mark the meridian thus determined by a nail on the stake set last evening. Referred to this meridian, the bearing of the solar meridian determined last evening is N. 0° 0' 30" E.

At 8h. 10m. a.m., l.m.t., set off 34° 32' N. on the lat. arc; 13° 17' S. on the decl. arc, and determine a meridian with the solar; the line thus determined coincides with the meridian determined by solar last evening, whose bearing is N. 0° 0' 30" E.

The solar apparatus by a.m. and p.m. observations, defines positions for meridians which deviate only 30" from the true meridian; therefore, conclude that the adjustments of the solar are satisfactory.

Certain corrections were found to be required in the location of the 1/4 sec. cors. as set by Wm. H. Richards, U.S. Surveyor, on the N., S. and W. bdrs. of sec. 20, T. 13 N., R. 5 E., and said corrections were made by Sidney E. Blout, U.S. Cadastral Engineer in March, 1919, using a Buff solar transit No. 9984, described with record of test and certificate of approval, in Book "K," of this group. In the following notes such corners as are affected by the corrections made by Sidney E. Blout, U.S. Cadastral Engineer, are preceded by the initials "S.E. B."

RETACEMENT:--Part of Bdy. of FORT VERDE GARDEN RESERVATION.

Retacement for Resurvey.

Begin at the closing cor. of secs. 11 and 12 (reestablished in 1887 on line 4-3 (SE. line) of Fort Verde Garden Reservation bdy., which is a granite stone, 10x6x4 ins. above ground, firmly set, marked "FVGR CC" on NW. face, and witnessed by mound of stone NW. of cor.

Thence, N. 55° 00' E., on random line on line 4-3 (SE. line) of Fort Verde Garden Reservation bdy. SE. of that part of sec. 12, inside the Reservation.

80.01

Fall 23 lks. S. 35° E. of original closing cor. of those parts of secs. 1 and 12, lying inside the Fort Verde Garden Reservation, which is a limestone, 11x8x4 ins. above ground, firmly set, marked "FVGR CC" on NW. face,

Retracement: Part of bdy. of Fort Verde Garden Reservation bdy.

- and witnessed by a mound of stone NW. of cor..
True course and dist. of that part of line 4-3 (SE. line)
of Fort Verde Garden Reservation bdy. forming SE. bdy.
of that part of sec. 12 inside the Reservation are there-
fore S. 54° 50' W., 80.01 chs.
Thence,
N. 55° 00' E., on a random line, on line 4-3 (SE. line) of
Fort Verde Garden Reservation bdy., SE. of that part of
sec. 1, inside the reservation.
- 13.28 Intersect the original closing cor. of those parts of S.
halves of secs. 1 and 6, T. 13 N., R. 5 and 6 E. lying
inside the reservation, which is a limestone, 26x11x6
ins., set in a mound of stone; marked "FVGR CC" on NW.
face. No accessories visible.
True course and dist. of that part of line 4-3 (SE. line)
of Fort Verde Garden Reservation bdy. forming SE. bdy.
of that part of sec. 1 inside the Reservation are there-
fore S. 55° 00' W., 13.28 chs.
Thence,
N. 55° 00' E., on random line on line 4-3 (SE. line) of Fort
Verde Garden Reservation bdy. SE. of that part of sec.
6, T. 13 N., R. 6 E. inside the Reservation.
- 30.58 Intersect the original cor. No. 3 of the Reservation, which
is a limestone 15x8x6 ins. above ground, firmly set,
marked "FVGR No. 3" on W. face.
No trace of the original mound of stone and bearing tree
can be found.
True course and dist. of that part of line 4-3 (SE. line)
of Fort Verde Garden Reservation bdy., which form the
SE. bdy. of that part of sec. 6, T. 13 N., R. 6 E. inside
the reservation, are therefore S. 55° 00' W., 30.58 chs.
Thence,
N. 35° 00' W., on random line, on that part of line 3-2
(NE. line) of Fort Verde Garden Reservation bdy. within
sec. 6, T. 13 N., R. 6 E.
- 43.01 Fall 6 lks. S. 55° W. of original closing cor. of those
parts of north halves of secs. 1 and 6, T. 13 N., R. 5
and 6 E., lying inside the Reservation, which is a lime-
stone, 16x10x8 ins., loosely set in a mound of stone,
marked "FVGR CC" on SW. face. No accessories visible.
True course and dist. of that part of line 3-2 (NE. line)
of Fort Verde Garden Reservation bdy. within sec. 6, T. 13
N., R. 6 E. are therefore S. 34° 55' E., 43.01 chs.
Thence,
N. 35° 00' W., on random line on that part of line 3-2 (NE.
line) of Fort Verde Garden Reservation bdy. within sec.
1, T. 13 N., R. 5 E.
- 20.14 Fall 12 lks. S. 55° W. of original closing cor. of secs. 1
and 36, T. 13 and 14 N., R. 5 E., which is a limestone,
12x12x9 ins. above ground, firmly set, marked "FVGR CC"
on SW. face. No trace of mound of stone can be found.
No bearing trees.
True course and dist. of that part of line 3-2 (NE. line)
of Fort Verde Garden Reservation bdy. within sec. 1 are
therefore S. 34° 40' E., 20.14 chs.
-
- The original closing cor. of secs. 35 and 36, T. 14 N., R. 5
E. is a limestone, 24x12x8 ins. in a mound of stone,
faintly marked on SE. face, but marks illegible, and
witnessed by a mound of stone SE. of cor. No bearing
trees.
Thence,
S. 55° 00' W., on a random line, on that part of line 2-1
(NW. line) of Fort Verde Garden Reservation bdy. which
forms NW. bdy. of that part of sec. 35, T. 14 N., R. 5 E.,
inside the Reservation.

is a limestone, 15x11x13 ins. above ground, firmly set, marked "IMFVGR No.1" on E. face, and witnessed by a mound of stone E. of cor. No bearing trees. True course and dist of line 2-1 (NW. line) of Fort Verde Garden Reservation bdy. in sec. 9 are therefore N. 55° 03' E., 10.37 chs.

 RESURVEY-Part of Bdy. of Fort Verde Garden Reservation.

- From original cor. No. 1 or Initial Mon. of Fort Verde Garden Reservation bdy. described above, N. 55° 03' E. on a true line, on line 1-2 (NW. line) of Fort Verde Garden Reservation bdy. in sec. 9. Over mountainous land, thru scattering undergrowth. Ascend steeply.
- 10.37 Intersect closing cor. of secs. 9 and 10, hereinbefore described. Reestablish this cor. by moving mound of stone 2 ft. base, 1½ ft. high from SE. to S. of cor., and reset stone in same place with same dimensions above ground, placing marking to the south.
- Thence, N. 54° 40' E., on true line, NW. of sec. 10. Over mountainous land, thru scattering undergrowth. Ascend steeply.
- 20.20 Intersect original closing cor. of those parts of secs. 3 and 10, inside the Reservation, hereinbefore described. Reestablish this cor. by moving mound of stone 2 ft. base, 1½ ft. high from SE. to E. of cor., and reset stone in same place, with same dimensions above ground, placing marking to east.
- Thence, N. 56° 54' E., on true line, NW. of sec. 3. Over mountainous land, thru scattering undergrowth. Ascend steeply.
- 19.04 Top of steep ascent, brs. N. and S. Ascend more gradual slope.
- 34.54 Spur, slopes S. 20° W., 255 ft. above closing cor. of secs. 3 and 10. Descend 30 ft.
- 44.99 Wash, 5 lks. wide, 2 ft. deep, course S. Ascend 65 ft.
- 62.04 Spur, slopes S. Descend 185 ft. to
- 80.89 Intersect original closing cor. of those parts of secs. 2 and 3 inside the Reservation, hereinbefore described. Reestablish this cor. by moving mound of stone, 2 ft. base, 1½ ft. high, from SE. to S. of cor., and reset stone in same place with same dimensions above ground, placing marking to the south.
- Thence, N. 55° 25' E., on true line, NW. of sec. 2. Over mountainous land, thru scattering undergrowth. Descend 30 ft.
- 12.00 Gulch, course S. Ascend 40 ft.
- 18.00 Spur, slopes W. Descend 25 ft.
- 20.00 Gulch, 2 chs. wide, course W. Ascend 45 ft.
- 28.00 End of spur, slopes N. 50° W. Ascend 120 ft. alongside of gulch, which brs. S. 50° W. about 150 lks. NW. of line.
- 62.05 Intersect original closing cor. of these parts of secs. 2 and 35, T. 13 and 14 N., R. 5 E., inside the Reservation, hereinbefore described. Reestablish this cor. by moving mound of stone 2 ft. base, 1½ ft. high, from SE. to E. of cor., and resetting stone to same dimensions above ground, with marking to the east.
- Thence, N. 57° 29' E., on true line, NW. of sec. 35, T. 14 N., R. 5 E. Over mountainous land, thru scattering undergrowth. Ascend along side of gulch, course S. 50° W. about 150 lks. NW. of line.
- 36.83 Intersect original closing cor. of secs. 35 and 36, T. 14 N. R. 5 E., hereinbefore described. Reestablish this cor.

RESURVEY - Part of Bdy. of Fort Verde Garden Reservation.

Chains.

in same place by resetting same stone 24x12x8 ins., 18 ins. in the ground, and raise a mound of stone 2 ft. base, 1 1/2 ft. high, S. of cor. Place the marking on stone to the S. The marking being indistinct, renew the marking to plainly read "FVGR CC".

That portion of line 1-2 (NW. line) of Fort Verde Garden Reservation bdy. resurveyed as hereinbefore described has general description as follows:

Land, mountainous.
Soil, rocky and gravelly, 4th rate.
No timber.
Undergrowth, scattering mesquite, scrub oak and catclaw.
No grass.

Resurvey a part of line 2-3 (NE. line) of Fort Verde Garden Reservation bdy. as follows:

Reestablish the closing cor. of secs. 1 and 36, Ts. 13 and 14 N., R. 5 E., hereinbefore described by resetting stone in same place with same dimensions above ground, placing marking to the west, and raise a mound of stone, 2 ft. base, 1 1/2 ft. high, W. of cor.

Thence,
S. 34° 40' E., on true line, NE. of sec. 1.
Over mountainous land, thru scattering undergrowth. Descend.

20.14 Intersect the closing cor. of those parts of N. halves of secs. 1 and 6, Ts. 13 N., Rs. 5 and 6 E. lying inside the Reservation, hereinbefore described. Reestablish this cor. in same place by resetting the stone 16x10x8 ins., 11 ins. in the ground, with marking to the south, and raise a mound of stone, 2 ft. base, 1 1/2 ft. high, S. of cor.

Thence,
S. 34° 55' E., on true line in sec. 6, T. 13 N., R. 6 E.
Over mountainous land, thru scattering undergrowth. Descend.

43.01 Intersect original cor. No. 3 of Reservation, hereinbefore described.
Reestablish this cor. by raising a mound of stone, 2 ft. base, 1 1/2 ft. high, W. of cor. No bearing trees within limits.

That portion of line 2-3 (NE. line) of Fort Verde Garden Reservation bdy. resurveyed as hereinbefore described has general description as follows:

Land, mountainous.
Soil, rocky, 4th rate.
No timber.
Undergrowth, scattering catclaw, scrub oak and mesquite.
No grass.

Resurvey a part of line 3-4 (SE. line) of Fort Verde Garden Reservation, as follows:

From reestablished cor. No. 3, hereinbefore described, S. 55° 00' W., on true line, SE. of that part of sec. 6, T. 13 N., R. 6 E., inside the Reservation.

Over rolling land, thru scattering undergrowth. Descend SW. slope.

30.43 Road brs. N. 50° W. and S. 50° E.

30.58 Intersect the original closing cor. of those parts of S. halves of secs. 1 and 6 lying inside the Reservation, hereinbefore described.

Reestablish this cor. in same place by resetting the stone 26x11x6 ins., 18 ins. in the ground with marking to the N., and raise a mound of stone, 2 ft. base, 1 1/2 ft. high, N. of cor. No bearing trees within limits.

Thence,

Chains.	
11.78 13.28	S. 55° 00' W., on true line, SE. of sec. 1. Over rolling land, thru scattering undergrowth; descend. Wash, course W. Ascend gradually.
4.00	Intersect original closing cor. of those parts of secs. 1 and 12 inside the Reservation, hereinbefore described. Reestablish this cor. in same place by resetting stone with same dimensions above ground, placing marking to the west, and move mound of stone, 2 ft. base, 1½ ft. high, from NW. to W. of cor. No bearing trees within limits. Thence, S. 54° 50' W., on true line, SE. of that part of sec. 12, inside the Reservation.
80.01	Over rolling land, thru scattering undergrowth. Descend. Enter gulch, course SW. from E. Thence descend alongside of gulch.
	Intersect the closing cor. of secs. 11 and 12, hereinbefore described. Reestablish this cor. in same place, by resetting stone with same dimensions above ground, placing marking to the N., and move mound of stone, 2 ft. base, 1½ ft. high, from NW. to N. of cor. No bearing trees within limits. That portion of line 3-4 (SE. line) of Fort Verde Garden Reservation bdy. resurveyed as hereinbefore described, has general description as follows: Land, mountainous and rolling. Soil, rocky and gravelly, 3rd and 4th rate. No timber. Undergrowth, scattering mesquite and catclaw. No grass.
	----- RETRACEMENT: Part of Bdy. of Camp Verde Military Reservation.
139.30	Retracement for Resurvey: The original closing cor. of secs. 4 and 33, at intersection of N. bdy. of T. 13 N., R. 5 E. with E. line of bdy. of Camp Verde Military Reservation bdy. is a limestone, 16x14x8 ins. above ground, firmly set, marked "CVMR CC" on W. face, with remains of the original mound of earth, W. of cor. No trace of original pits. No bearing trees. Thence, S. 21° 37' E., on a random line, on E. line of Camp Verde Military Reservation bdy. Fall 51 lks. S. 68° 23' W. of original SE. cor. of reservation, which is a post 4x6 ins., 4 ft. above ground in a mound of stone. Post is unmarked, and there are no accessories. True course and dist. of above described part of E. line of Camp Verde Military Reservation are therefore S. 21° 50' E., 139.30 chs.
14.75	----- The initial monument on S. line of Camp Verde Military Reservation bdy., identical with original ¼ sec. cor. of secs. 7 and 8, could not be found after diligent search, but accepted as its previous position, a point identified by Lewis Ball, a settler of long residence in the vicinity as the point of former location of the missing original cor. Thence, N. 86° 30' W., on random line, on S. line of Camp Verde Military Reservation bdy. thru. sec. 7, T. 13 N., R. 5 E. Fall 2 lks. N. 3° 30' E., of original meander cor. of left bank of the Verde River, which is a malpais stone, 16x13x5 ins. above ground, firmly set, marked "MC" on W. face, and witnessed by a pit and mound of earth E. of cor. No bearing trees. True course and dist. of S. line of Camp Verde Military Reservation bdy. from Initial Mon. to this M.C. are therefore N. 86° 35' W., 14.75 chs. Thence, N. 86° 30' W., on random line, continuing measurement.

RETRACEMENT: Part of Bdy. of Camp Verde Military Reservation. 8

Chains

- 67.14 Discontinue chaining at this point, and triangulate measurement across Verde River as follows:
Set flag on line beyond the water on W. side of river,
Lay off a base from 67.14 ch. sta., S. 3° 30' W., 3 chs.
From S. end of base, flag brs. N. 54° 10' W.
Included angles are, 57° 40', 32° 20' and 90° 00', the sum of which is 180° 00'.
Dist. bet. 67.14 chs. sta. and flag is obtained by $\text{tang. } 57^\circ 40' \times \text{base}$, or $1.57981 \times 3.00 = 4.74$ chs., which added to 67.14 chs. =
-
- 71.88 Flag point of above described triangulation. Continue measurement by chaining.
- 76.20 Diligent search in this vicinity fails to reveal any trace of original meander cor. of Right Bank of Verde River.
- 79.84 Fall 50 lks. N. 3° 30' E. of original closing cor. of secs. 7 and 12 at intersection of W. bdy. of T. 13 N., R. 5 E. with S. line of Camp Verde Military Reservation bdy., which is a malpais stone 24x13x11 ins. above ground, firmly set, marked "CC" on N. face. No accessories visible.
- 80.14 Fall 50 lks. N. 3° 30' E. of SW. cor. of Reservation, which is a sawed post, 4x6 ins., 3 ft. above ground in a mound of earth, marked "SW. cor. No. 1, U.S. Mil. Res. 1876," and witnessed by faint traces of pits N. 23° 16' W. and S. 86° 30' E. of post. No bearing trees.
True course and dist. of S. line of Camp Verde Military Reservation bdy. from M.C. on left bank of Verde River to the SW. cor. of Reservation, are therefore, N. 86° 56' W., 65.39 chs.

RESURVEY--Part of bdy. of Camp Verde Mil. Reservation.

- Reestablish the closing cor. of secs. 4 and 33 at intersection of N. bdy. of T. 13 N., R. 5 E. with E. line of Camp Verde Military Reservation, hereinbefore described, by destroying the remains of the mound of earth W. of cor., and in same place raise a mound of stone, 2 ft. base, 1½ ft. high.
- Thence,
S. 21° 50' E., on true line, on E. line of Camp Verde Military Reservation bdy., thru. sec. 4, and part of sec. 9, T. 13 N., R. 5 E.
Over rolling land, thru. scattering undergrowth.
- 19.90 Road brs. S. 50° W. and N. 50° E.
22.10 Dim road brs. E. and W.
22.40 Shack brs. E. 2 chs. dist.
26.90 Wash, 25 lks. wide, 4 ft. deep, course S. 35° W.

The stone reported as marking the cor. of secs. 10, 11, 14 and 15 is missing, but the mound of stone described as accessory to said cor. remains, therefore locate the point of former location of cor. by reference to said mound.

Thence
East, on random line, bet. secs. 11 and 14
Over rolling land, thru scattering timber & undergrowth.
Enter dense mesquite undergrowth, brs. NE. and SW.
Enter cottonwood timber, brs. NE. & SW. in Clear Creek bottom.
N. bank of Clear Creek, brs. SW. from NE. and E. Line E. of this point passes along slope of said bank, making the chaining of measurement on same impracticable, therefore traverse from this point as follows:

N. $24\frac{3}{4}^{\circ}$ E., 9.00 chs. thence,
S. 75° E., 24.00 chs. to a point 1.96 chs. N. of random line projected and at N. of 46.98 ch. station thereon Thence, on offset line in sec. 11
East, 35.22 chs. to a point 1.64 chs. N. of fence cor. in which is a malpais stone, 15x11x8 ins. in a mound of stone, identified by Wm. Wingfield, a settler of long residence in this vicinity, as occupying the same position as the original cor. of secs. 11, 12, 13 & 14, now lost. No trace of the original cor. can be found, therefore accept the above described stone as the sec. cor.
The falling of the random line projected would be 1.96 chs. - 164 chs. = 32 lks. S. of sec. cor., resulting in a true course and dist. for sec. line of N. $89^{\circ}47'E.$, 82.20 chs.

82.20 (Point on random line projected) Fall 32 lks. S. of old sec. cor. described above.
Reestablish this sec. cor. as follows:
Remove the stone from mound, destroy the mound and reset the same stone, 10 ins. in the ground, for reestablished cor. of secs. 11, 12, 13 and 14, marked with 4 notches on S., and 1 notch on E. edge, and on
A cottonwood, 25 ins. in diam., bearing N. $5\frac{3}{4}^{\circ}$ E., 252 lks. dist., mark T13NR5E S12 BT and
An ash, 6 ins. in diam., bearing S. $85\frac{1}{4}^{\circ}$ E., 84 lks. dist., mark T13NR5E S13 BT.
No other trees within prescribed limits.
Raise mound of stone, 2 ft. base, 1 1/2 ft. high, W. of cor. Land, W. 20 chs. rolling, E. 62 chs., broken creek bank. Soil, gravelly clay, 3rd and 4th rate. Timber, mesquite and cottonwood. Undergrowth, mesquite. No grass.

Retracement for Resurvey.

From reestablished cor. of secs. 11, 12, 13 and 14, described above
North, on random line, bet. that part of secs. 11 and 12, lying outside the F.V.G.R.
33.98 Fall 8 lks. E. of original closing cor. of secs. 11 and 12 on line 3-4 (SE. line) of F.V.G.R. bdy., which cor. is hereinbefore described.
True course and dist. of that part of line bet. secs. 11 and 12 lying outside the F.V.G.R. are therefore, N. $0^{\circ}8'W.$, 33.98 chs.
For topographical features on this portion of the sec. line see notes of resurvey of same hereinafter described.
Retracement.
From above described closing cor.
North, on random line, bet. that part of S. 1/2 of secs. 11 and 12 lying inside the F.V.G.R.

180 Retracement- Part of the Subdivision lines- T13 N. R. 5 E.

chains

6.06 (40.04 chs. Northerly from sec. cor.) Fall 2 lks. W. of original $\frac{1}{4}$ sec. cor., which is a limestone, 10x8x2 ins. above ground, firmly set, marked "1" on W. face and witnessed by a mound of stone W. of cor. No bearing trees.
True course and dist. of that part of S. $\frac{1}{2}$ of line bet. secs. 11 and 12 lying inside the F.V.G.R. are therefore, N. 0° 11' E., 6.06 chs.

Thence

RETRACEMENT

10.00 North, on random line, on N. $\frac{1}{2}$ of line bet. secs. 11 and 12.
Over rolling land, thru scattering timber & undergrowth.
Ascend 150 ft. to sec. cor.
39.88 Fall 11 lks. W. of original cor. of secs. 1, 2, 11 and 12, which is a cedar post, 3 ins. square, in a mound of earth, marked "T13NS1" on NE., "R5ES12" on SE., "S11" on SW. and "S2" on NW. faces, with 5 notches on S. and 1 notch on E. edges and witnessed by faint traces of the original pits NE., SE., SW. and NW. of post.
True course and dist. of N. $\frac{1}{2}$ of line bet. secs. 11 and 12 are therefore, N. 0° 9' E., 39.88 chs.
Land, rolling.
Soil, clay and limestone, 2nd and 4th rate.
Timber, scattering cedar.
Undergrowth, scattering mesquite and catclaw.
No grass.

Retracement for Resurvey.

From reestablished cor. of secs. 11, 12, 13 and 14, hereinbefore described,
40.50 East, on random line, on W. $\frac{1}{2}$ bet. secs. 12 and 13
Fall 55 lks. N. of original $\frac{1}{4}$ sec. cor., which is an old weathered post, in a mound of stone, marks obliterated.
No bearing trees.
True course and dist. of W. $\frac{1}{2}$ of line bet. secs. 12 and 13 are therefore, S. 89° 13' E., 40.50 chs.

Thence

37.22 East, on random line, on E. $\frac{1}{2}$ bet. secs. 12 and 13
Fall 1.30 chs. S. of true point for reestablishment of cor. of secs. 12 and 13, hereinbefore described.
True course and dist. of E. $\frac{1}{2}$ of line bet. secs. 12 and 13 are therefore, N. 88° 00' E., 37.24 chs.
For topographical features and reestablishment of the $\frac{1}{4}$ sec. cor. see notes of the resurvey of the line, hereinafter described.

Retracement.

 28.60 Gulch, course E. Ascend 60 ft.
 35.67 Descend 20 ft.
 38.62 Bottom of gulch, course N. 65° E. Ascend 20 ft.
 41.45 Descend 15 ft.
 44.21 Bottom of gulch, course N. 30° E., containing stream of clear running water, 3 lks. wide, 2 ins. deep.
 61.82 Fall 63 lks. W. of original std. cor. of secs. 33 and 34 on the S. bdy. of Tp. (3rd Std. Par. N.) hereinbefore described.
 True course and dist. of S. $\frac{1}{2}$ of line bet. secs. 33 and 34 are therefore, N. 0° 35' W., 61.82 chs.
 Land, rolling.
 Soil, rocky, 4th rate.
 No timber.
 Undergrowth, scattering catclaw and mesquite.
 No grass.

 From the accepted cor. of secs. 27, 28, 33 and 34, hereinbefore described,
 East, on random line, bet. secs. 27 and 34 (W. $\frac{1}{2}$)
 Over rolling land, thru scattering undergrowth.
 4.50 York's house brs. N. 3 chs. dist.
 6.83 Gate in fence bearing N. and S. Road, brs. N. 60° E. & S. 60° W.
 8.80 Top of earth bank of Verde River, brs. NW. and SE.
 Descend 15 ft. to
 9.00 Foot of bank. Thence across Verde River bottom land.
 17.29 Flag point of triangulation hereinafter described.
 18.54 Edge of water in Verde River, brs. NW. and SE., flowing SE.
 As it is impracticable to chain measurement across the river, triangulate as follows:

Leave flag at 17.29 ch. sta.
 Set up instrument on line E. of the river.
 Thence measure a base, South, 2.50 chs.
 From S. end of base, the flag at 17.29 ch. sta. brs. N. 68° 52' W.
 Included angles are 68° 52', 21° 08' and 90° 00' the sum of which is 180° 00'
 Dist. on random line from flag to instrument is therefore obtained by
 tang. 68° 52' x base or 2.58708 x 2.50 = 6.47 chs.
 which, added to 17.29 chs. gives 23.76 ch. sta.
 as location of instrument on E. side of river.

Retracement- Part of the Subdivisions lines of T.13 N., R.5 E. 21

The pits and mound described as accessories to this cor. have dissappeared. No bearing trees. This cor.was reestablished in 1892. True lengths of N. $\frac{1}{2}$ of line bet.secs.20 and 21, the N.and S. halves of line bet.secs.16 and 17, and N.and S.halves of line bet.secs.8 and 9, on the random line just run, to maintain the original proportions, are therefore, 40.94 chs. Return on random line, adjusting the position of the temp. cors.set thereon to obtain the proportional measurement noted. Resurvey of N. $\frac{1}{2}$ of line bet.secs.20 and 21, line bet.secs.16 and 17 and line bet.secs.8 and 9, hereinafter described.
	----- Find the original post which marked the $\frac{1}{4}$ sec.cor.of secs.16 and 21, lying alongside mound of earth and stone, No trace of pits. Post is marked "13". Accept the mound as the original position of the cor. Thence
40.00	West, on random line, bet.secs.16 and 21, (W. $\frac{1}{2}$) No trace of original cor.of secs.16, 17, 20 and 21 can be found. Set temp. cor.
43.33	Continue line & measurement, bet.secs.17 and 20, (E. $\frac{1}{2}$) Temp.cor.of secs.16, 17, 20 and 21, set on random N.and S. line as hereinbefore described, brs. S., 5 lks, dist.
87.46	Fall 1.08 chs.S. of original $\frac{1}{4}$ secs cor., which is an ash post, 3 ins.in diam., unmarked, 3 ft.above ground, set in a mound of stone. No bearing trees. Return on random line, adjusting the position of the temp. sec.cor.to the midpoint thereon, or 43.73 chs.from each $\frac{1}{4}$ sec.cor.
	----- From accepted cor.of secs.9,10,15 and 16, hereinbefore described,
39.96	West, on random line, bet.secs.9 and 16 (E. $\frac{1}{2}$) Fall 44 lks. N.of a malpais stone, 11x11x9 ins.above ground, firmly set, marked with a cross (X) on top.No accessories. This is accepted as being in same position as formerly occupied by the original $\frac{1}{4}$ sec.cor., on the testimony of G.W. Hantz, a settler of long residence in the vicinity. True course and dist.of E. $\frac{1}{2}$ of line bet.secs.9 and 16 are therefore, S.89°22'W., 39.96 chs.
	Thence,
40.00	West, random line, bet.secs.9 and 16 (W. $\frac{1}{2}$) No trace of original cor.of secs.8,9,16 and 17 can be found. Set temp. cor.
41.43	Continue line and measurement, bet.secs.8 and 17 (E. $\frac{1}{2}$) Temp.cor.of secs.8,9,16 & 17 of random N.and S.line, hereinbefore described, brs. N., 1.22 chs.dist.
81.70	Fall 3.88 chs. S.of point of former location of the original $\frac{1}{4}$ sec.cor.of secs.8 and 17. Faint traces of the original pits and mound remain. Accept this point on the testimony of L.Young, a settler of long residence in sec. 8 near this cor. Return on random line, adjusting the position the temp.sec. cor.to the midpoint thereon, or 40.85 chs.from each $\frac{1}{4}$ sec. cor.
	----- From above described point of original location of $\frac{1}{4}$ sec.cor.of secs.8 and 17
	West, on random line, bet.secs.8 and 17 (W. $\frac{1}{2}$)

- Chains
40.00 Diligent search in this vicinity fails to reveal any trace of the original $\frac{1}{4}$ sec.cor. Set temp.cor.of secs.7,8,17 and 18.
-
- 39.14 From reestablished $\frac{1}{4}$ sec.cor.of secs.7 and 8, identical with initial monument of the Camp Verde military Reservation Bdy., hereinbefore described, South, on random line, bet.secs.7 and 8, (S. $\frac{1}{2}$) Temp.cor.of secs.7,8,17 and 18 set at 40 chs.W.from $\frac{1}{4}$ sec.cor.of secs.8 and 17as hereinbefore described, bears W. 3.35 chs.dist.
- 40.00 Diligent search in this vicinity fails to reveal any trace of the original cor.of secs.7,8,17 and 18. Set temp. sec. cor. From this temp.sec.cor., the previously set temp. cor.of said secs. brs. N.75°36'W., 3.46 chs.dist., therefore locate point for reestablishment of the missing sec. cor.at the midpoint bet.the temp.sec.cors., at a point 1.67 chs.W.of random line run S. and 43 lks. S.of the random line run W. as hereinbefore described. True course and dist. of S. $\frac{1}{2}$ of line bet.secs.7 and 8, are therefore, N.2°25'E., 39.61 chs. and of W. $\frac{1}{2}$ of line bet. secs.8 and 17, S.89°21'W., 38.32 chs.
-
- 39.77 From original cor.of secs.3,4,9 and 10, hereinbefore described, West, on random line, bet.secs.4 and 9. Diligent search in this vicinity fails to reveal any trace of the $\frac{1}{4}$ sec.cor.which was reestablished in 1892. Set temp. $\frac{1}{4}$ sec.cor.
- 79.50 Fall 1.76 chs. S. of the cor.of secs.4,5,8 and 9 which was reestablished in 1892, and is hereinbefore described. True course and dist.of line bet.secs.4 and 9 are therefore, N.88°44'W., 79.52 chs.
-
- 40.04 From cor.of secs.4,5,8 and 9, hereinbefore described, North, on random line, bet.secs.4 and 5 (S. $\frac{1}{2}$) Intersect the $\frac{1}{4}$ sec.cor.which was reestablished in 1892, which is a limestone, 7x5x6 ins.above ground, firmly set, marked " $\frac{1}{4}$ " on W.face, and witnessed by faint remains of the original mound of earth W.of cor., but no trace of pits. No bearing trees. True course and dist.of S. $\frac{1}{2}$ of line bet.secs.4 and 5 are therefore, North, 40.04 chs. Thence
- 39.95 North, on random line, bet.secs.4 and 5 (N. $\frac{1}{2}$) Intersect cor.of secs.4,5,32 and 33 on N.bdy.of Tp.which was reestablished in 1892, which is a limestone, 17x13x6 ins.above ground, firmly set in a mound of stone, marked with 4 notches on E.edge and 2 notches on W.edge, and witnessed by pits NE., SE., SW., and NW. of cor. The mound of earth has dissappeared. No bearing trees. True course and dist.of N. $\frac{1}{2}$ of line bet.secs.4 and 5 are therefore, North, 39.95 chs.
-
- RETRACEMENT of part of NORTH Bdy.- T. 13 N., R. 5 E.
-
- 24.07 From the cor.of secs.4,5,32 and 33, described above, East, on random line, bet.that part of secs.4 and 33, lying inside the Camp Verde Mil.Res. Fall 8 lks. N.of reestablished closing cor.of secs.4 & 33 on E.line of C.V.M.R. bdy., hereinbefore described. True course and dist.of that part of N.bdy.of T.13 N., R.5 E., bet.secs.4 and 33, lying inside the C.V.M.R. are therefore, S.89°49'E., 24.07 chs.

GENERAL DESCRIPTION.

The survey of that portion of the Subdivision of the township described in the foregoing notes completes the survey of all of the township outside of the Prescott National Forest Reserve. This township is in the Verde River Valley, the surface being rolling and mountainous, with a few scattered level areas. The Verde River, course SE., passes thru. the Tp. from the NW. cor. to the SE. cor., and carries permanent running water. A spring near the W. bdy. of sec. 18 with pipe line from same, furnishes a water supply to settlers in sec. 16. Clear Creek, course W., thru. secs. 13, 14, 15, 16 and 21 also carries permanent running water. The soil, rocky and gravelly, 3rd and 4th rate, except along the Verde River, and Clear Creek, where a sandy loam, 1st rate, is found. There are a number of settlers with cultivated land and some improvements, and some irrigation is being done. The only timber, is a scattering growth of cottonwood, sycamore and cedar along Verde river, and Clear Creek.

(General Description- continued.)

A scattering undergrowth of mesquite, catclaw, scrub cedar, mountain cranberry, greasewood and scrub oak is prevalent in all portions, and also a fair growth of grass. There is no evidence of valuable mineral deposits.

A power transmission line brs. NW. and SE. thru. the western part of the township.

GENERAL DESCRIPTION.

The portion of this township subdivided as described in the foregoing field notes is that portion of secs. 1 and 12 situated outside the bdy. of the Camp Verde Military Reservation. The surface is rolling and mountainous, draining easterly into the Verde River in the adjoining township on the east. The soil is rocky and gravelly, 3rd and 4th rate. There is a scattering growth of cedar and pinon timber, and a scattering undergrowth of scrub oak, mesquite, catclaw and palo verde. A fair growth of grass is found in some parts. The only permanent running water is near the east bdy. of the Tp. in sec. 13, which is unsurveyed. There are no settlers.

A power transmission line hrs. NW. and SE. thru. the township. There is no indication of valuable mineral deposits. The unsurveyed portion of the township is all within the Prescott National Forest Reserve, and the surface therein is rolling, broken and mountainous, being part of what is known as the "Black Hills."

Report of the Surveyor-General

CERTIFICATE OF UNITED STATES CADASTRAL ENGINEER.

I, Sidney E. Blout, U.S. Cadastral Engineer hereby certify upon honor that, in pursuance of special instructions received from the U. S. Surveyor General, for Group 61, Arizona, bearing date of the 14th day of October, 1915, I have well, faithfully, and truly in my own proper person, and in strict conformity with said instructions, the Manual of Surveying Instructions, and the laws of the United States, ~~surveyed all those parts or portions of~~ corrected all those parts or portions of the survey of the Subdivision lines of Township 13 North, Range 5 East, executed in April, 1916, by William H. Richards, Jr., U.S. Surveyor, under same instructions for Group 61, Arizona, of the Gila and Salt River Base and Meridian, in the State of Arizona, which are represented in the foregoing field notes and by diagram on page 2 hereof, as having been executed by me, and under my direction; and that all the corners of said corrective survey ~~survey~~ have been established and perpetuated in strict accordance with the Manual of Surveying Instructions, and the special written instructions of the U. S. Surveyor General, for Group 61, Arizona, and in the specific manner described in the field notes, and that the foregoing are the original field notes of such corrective survey.
