FIELD NOTES

OF THE RESURVEY OF THE

East Bdy. of Township 8 North, Range 30 East, and

South Boundary,

East Boundary,

North Boundary,

West Boundary, and

Part of the Subdivision lines of Township 7 North, Range 30 East,

AND OF THE SURVEY OF

Part (completion) of the Subdivision lines of

TOWNSHIP 7 NORTH, RANGE 30 EAST,

Of the Gila and Salt River Base and Meridian,

In the State of Arizona.

EXECUTED BY

Benjamin J. Kinsey,

U. S. Surveyor,

In the capacity of U. S. Surveyor, under Special Instructions dated May 9, 1924, issued by the United States Surveyor General to govern surveys included in Group No. 127, Arizona, which were approved by the Commissioner of the General Land Office, May 27, 1924, and Assignment Instructions dated Sept. 5, 1924 and Apl. 11, 1925.

Resurvey and Survey commenced May 3, 1925.

Resurvey and Survey completed Oct. 7, 1925.

SECTIONAL GUIDE

Book "G"
 Group 127 - - Arizona.
 Townships 7 and 8 North, Range 30 East.
 DATE DIAGRAM
 -1925-

T. 8 N. R. 30 E.

T. 7 N.

— Surveyed by Benjamin J. Kinsey, U.S.S. on dates shown thereon.

- - - Resurveyed by Benjamin J. Kinsey, U.S.S. on dates shown thereon.

Resurveys and surveys herein described were executed by Benjamin J. Linsey, U.S. Surveyor, on dates shown on diagram on page 1 hereof, using Buff solar transit No. 9940, with U-shaped standards, $4\frac{1}{2}$ inch horizontal circle, 4-inch vertical circle, and improved Smith solar attachment; all azimuth determinations are accomplished with the solar attachment except the special observations upon Polaris for meridian upon which to test the solar apparatus as stated in the field notes.

April 22, 1925: At station in sec. 2, T. 6 N., R. 30 E., Gila and Salt River Base & Meridian, Arizona, in latitude $33^{\circ}55'45''$ N., as determined by the mean of altitude observations of the sun on April 26, 1925, hereinafter described; and longitude $109^{\circ}09'W.$, examine the adjustments of the instrument and correct all errors; then test the solar apparatus by comparing its indications hourly with the true meridian established by Polaris observation April 23, 1925, hereinafter described.

At 9h 0m. a.m., app. t., set off $33^{\circ}56'N.$ on the lat. arc; $12^{\circ}11'N.$ on the decl. arc, and determine a meridian with the solar, which agrees with the true meridian.

At app. noon with the lat. arc unchanged, observe the sun on the meridian; the resultant reading of the decl. arc is $12^{\circ}13'N.$, which agrees with the computed decl. of the sun.

At 3h. 0m. p.m., app. t., with the lat. arc unchanged, set off $12^{\circ}15'N.$ on the decl. arc, and determine a meridian with the solar, which agrees with the true meridian.

At same station, April 23, 1925, at 5h. 33m. a.m., l.m.t., observe Polaris at eastern elongation, making four observations, two each with the telescope in direct and reversed positions, and mark the mean point in the line thus determined by a tack set in a stake about 5 chs. distant.

Azimuth of Polaris at eastern elongation = $1^{\circ}19'37''$.

April 23, 1925: At same station, turn off the azimuth of Polaris, $1^{\circ}19\frac{1}{2}'$ to the West, and mark the true meridian thus determined by a tack set in a stake about 5 chs. dist.

April 26, 1925: In approximate latitude $33^{\circ}55'45''N.$ and longitude, $109^{\circ}09'W.$, same station as above, make a meridian observation of the sun for time and latitude, observing simultaneously the altitude of the sun's lower limb and the transit of the sun's west limb, reversing the telescope and observing simultaneously the altitude of the sun's upper limb and the transit of the sun's east limb:

Mean observed altitude	=	$69^{\circ}36'02''$
Reduced latitude	=	$33^{\circ}55'45''N.$
Mean watch time of obsn.	=	12h. 08m. 20s.
Watch fast of l.m.t.	=	10m. 31s.

As all of the solar observations made during the usual hours of solar work agree within 1' of the true meridian, conclude that the adjustments of the instrument are satisfactory.

Unless otherwise specified, all measurements are made with a Tufkin steel tape, 5 chs. in length, compared with a Tufkin standard, and found correct. The measurements are made on the slope, the vertical angles determined with clinometer, and the slope measurements properly reduced to true horizontal distances.

Resurvey of South bdy. of Township 7 North, Range 30 East. 3

Chains.

The west two miles of the S. bdy. of T. 7 N., R. 30 E., were surveyed in 1875 by C. B. Foster, U. S. D. S., and the East four miles were surveyed in 1883 by W. R. Fitzgerald, U. S. D. S., who also at same time retraced the mile bet. secs. 6 and 31, and resurveyed the mile bet. secs. 5 and 32. No other retracements or resurvey of any part of this Tp. bdy. is of record. All of the original sec. and $\frac{1}{4}$ sec. cors on the line were established with a common reference to areas on both sides of the line, and no change in the reference of any of said cors. is of record.

All of the N. tier of secs. in T. 6 N., R. 30 E. and secs. 31 and 32 of T. 7 N., R. 30 E. are accepted surveyed areas; therefore, the only portion of the line where the original reference of cors. is subject to change in a resurvey is the East, four miles thereof.

The following notes describe a resurvey of the entire line, reestablishing for reference to areas N. of line only, a set of sec. and $\frac{1}{4}$ sec. cors. in the E. 4 miles at intervals of 40.00 chs. in westing, counting from the cor. of Ts. 6 and 7 N., Rs. 29 and 30 E., and placing the deficiency in measurement in the W. $\frac{1}{2}$ of S. bdy. of sec. 33.

In the E. 4 miles of the line, the existing sec. and $\frac{1}{4}$ sec. cor. monuments are reconstructed and altered to refer to areas S. of line only, and missing cor. monuments are reestablished at proportional intervals between existing cors., and also altered to refer to areas S. of line only.

The existing cor. of secs. 4, 5, 32 and 33, and all existing cor. monuments West therefrom in the W. 2 miles of the line are reconstructed in their original positions, retaining their original common reference.

Missing cor. monuments in the W. 2 miles of the line are reestablished at proportional intervals between existing cors., and their original reference retained.

The original cor. of Ts. 6 and 7 N., Rs. 30 and 31 E. is a lava stone 4x8x10 ins. above ground, firmly set, marked with 6 notches on each of E., W., N. and S. faces, and witnessed by two bearing trees:

- A quaking asp, 6 ins. in diam., S. 71° W., 15 lks. dist., marked T6N R30E S1 BT.
- A quaking asp, 6 ins. in diam., S. 6 $\frac{1}{2}$ ° W., 18 lks. dist., marked T6N R31E S6 BT.

Reconstruct this cor. monument as follows: Alongside old stone, set an iron post, 3 ft. long, 3 ins. in diam., 24 ins. in the ground, for cor. of Ts. 6 and 7 N., Rs. 30 and 31 E., marked on brass cap,

In addition to the old bearing trees described above, establish four new bearing trees as follows:

- A fir, 22 ins. in diam., brs. N. 73° E., 24 lks. dist., marked T7N R31E S31 BT.
- A yellow pine, 6 ins. in diam., brs. S. 13 $\frac{1}{2}$ ° E., 26 lks. dist., marked T6N R31E S36 BT.
- A quaking asp, 6 ins. in diam., brs. S. 27° W., 12 lks. dist., marked T6N R30E S1 BT.
- A fir, 24 ins. in diam., brs. N. 4° W., 24 lks. dist., marked T7N R30E S36 BT.

Thence, N. 88° 35' W., on true line, on S. bdy. of sec. 36.

4 Resurvey of South bdy. of Township 7 North, Range 30 East.

Chains.

Over mountainous land, thru. dense timber and undergrowth. Descend 750 ft., over SW. and S. slopes to Spur, slopes SW. Desc. 50 ft., over NW. slope, to (Midpoint of N. bdy. of sec. 1) Set an iron post 3 ft. long, 1 in. in diam., 24 ins. in the ground for reestablished $\frac{1}{4}$ sec. cor. of sec. 1 only, marked on brass cap,

37.50
38.49
$$\frac{1}{4}S \ 1$$

 1925

from which,

A yellow pine, 10 ins. in diam., brs. S. 21° E., 21 lks. dist., marked $\frac{1}{4}S \ 1$ BT.

A yellow pine, 14 ins. in diam., brs. S. 24° W., 57 lks. dist., marked $\frac{1}{4}S \ 1$ BT.

No trace of the original $\frac{1}{4}$ sec. cor. of secs. 1 and 36 can be found in the vicinity.

40.02 Descend 60 ft., over NW. slope, to (40.00 chs. in westing) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground for reestablished $\frac{1}{4}$ sec. cor. of sec. 36 only, marked on brass cap,

$$\frac{1}{4}S \ 36$$

 1925

from which,

A yellow pine, 16 ins. in diam., brs. N. 35° E., 74 lks. dist., marked $\frac{1}{4}S \ 36$ BT.

A fir, 10 ins. in diam., brs. N. 28° W., 112 lks. dist., marked $\frac{1}{4}S \ 36$ BT.

53.00 Descend 280 ft., over NW. slope, to Shallow draw, course SW. Desc. 290 ft., over SW. slope, to Ravine, 50 lks. wide, course S. 30° W. Asc. 25 ft. over SE. slope, to 72.00 76.98 Intersect the original cor. of secs. 1, 2, 35 and 36, which is a sandstone 10x16x28 ins. above ground, firmly set and marked 1 notch on E. face and 5 notches on W. face, and witnessed by two bearing trees:

A yellow pine, 16 ins. in diam., S. 41° W., 107 lks. dist., marked T6N R30E S2 BT.

A yellow pine, 16 ins. in diam., N. 54° W., 168 lks. dist., marked T7N R30E S35 BT.

Reconstruct this cor. monument, and alter same to refer to secs. 1 and 2 only, as follows:

Obliterate marking on old NW bearing tree, and alongside old cor. stone, set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground for cor. of secs. 1 and 2 only, marked on brass cap,

$$\begin{array}{c} T7N \ R30E \\ S36 \\ \hline S \ 2 \ | \ S \ 1 \\ T6N \ | \ R30E \\ 1925 \end{array}$$

In addition to the old SW bearing tree described above, establish a new bearing tree:

A yellow pine 20 ins. in diam., brs. S. 58° E., 168 lks. dist., marked T6N R30E S1 BT.

Thence, S. 82° 42' W., on a true line, continuing measurement of S. bdy. of sec. 36.

80.05 Descend gradually over S. slope, to (80.00 chs. in westing) Set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground, for reestablished cor. of secs. 35 and 36 only, marked on brass cap,

$$\begin{array}{c} T7N \ R30E \\ S35 \ | \ S36 \\ \hline S \ 2 \\ T6N \ R30E \\ 1925 \end{array}$$

Chains.

from which,
 A yellow pine, 22 ins. in diam., brs. N. 50° E., 63
 lks. dist., marked T7N R30E S36 BT.
 A yellow pine, 14 ins. in diam., brs. N. 38° W., 97
 lks. dist., marked T7N R30E S35 BT.

Land, mountainous.
 Soil, rocky, 4th rate.
 Timber, yellow pine, fir, quaking asp, pinyon, ~~pinyon~~ and
 cedar.
 Undergrowth, scrub oak, manzanita and second growth pine.
 Fair growth of grass.

15.95
 19.45
 25.90
 37.09

S. 82° 42' W., on true line, on S. bdy. of sec. 35.
 Over mountainous land, thru. dense timber and undergrowth.
 Descend 100 ft., over S. and SW. slopes.
 Trail, brs. N. and S.
 Bottom of ravine, 20 lks. wide, course SW.
 Ascend 80 ft. over SE. slope, to
 Rim of mesa, brs. NE. and SW. Thence over nearly level
 land on mesa.
 (40.16 chs. S. 82° 42' W., from cor. of secs. 1 and 2) Inter-
 sect original $\frac{1}{4}$ sec. cor. of secs. 2 and 35, which is a
 sandstone 8x11x16 ins. above ground, marked $\frac{1}{4}$ on N.
 face, and witnessed by two bearing trees:
 A yellow pine, 16 ins. in diam., N. 30° E., 26 lks.
 dist., marked $\frac{1}{4}$ S BT., and
 A yellow pine, 16 ins. in diam., S. 54 $\frac{1}{2}$ ° W., 50 lks.
 dist., marked $\frac{1}{4}$ S BT.
 Reconstruct this cor. monument, and alter same to refer to
 quarters of sec. 2 only, as follows:
 Obliterate marking on the old NE. bearing tree, and along-
 side old cor. stone, set an iron post, 3 ft. long, 1 in.
 in diam., 24 ins. in the ground for $\frac{1}{4}$ sec. cor. of sec.
 2 only, marked on brass cap,

$\frac{1}{4}$ S 2
 1925

In addition to the old SW. bearing tree described above,
 establish two new bearing trees:

A yellow pine, 12 ins. in diam., brs. S. 3° E., 60
 lks. dist., marked $\frac{1}{4}$ S 2 BT.
 A yellow pine, 10 ins. in diam., brs. S. 42° W., 56
 lks. dist., marked $\frac{1}{4}$ S 2 BT.

40.31

Thence,
 S. 86° 6' W., on true line, continuing measurement of S. bdy.
 of sec. 35.
 Over nearly level land on mesa.
 (40.00 chs. in westing from cor. of secs. 35 and 36),
 Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in
 the ground, for ~~reestablished~~ $\frac{1}{4}$ sec. cor. of sec. 35
 only, marked on brass cap,

$\frac{1}{4}$ S 35
 1925

from which,
 A yellow pine, 10 ins. in diam., brs. N. 47° E., 88
 lks. dist., marked $\frac{1}{4}$ S 35 BT.
 A yellow pine, 30 ins. in diam., brs. N. 81 $\frac{1}{2}$ ° W., 94
 lks. dist., marked $\frac{1}{4}$ S 35 BT.

44.78
 54.80

Continue over nearly level land on mesa.
 Trail, brs. NE. and SW.
 Rim of mesa, brs. NE. and SW. Leave nearly level, and
 enter mountainous land.

6 Rewurvey of South bdy. of Township 7 North Range 30 East.

Chains

59.80 Descend 50 ft., over NW. slope.
Wash, 20 lks. wide, course N.

65.80 Ascend 20 ft., over NE. slope.
Rim of mesa, brs. N. 70° W. and S. 70° E. Thence over nearly level point of mesa.

70.80 Rim of mesa, brs. NW. and SE. Leave mesa and reenter mountainous land. Desc. 191 ft. over steep W. slope, to

76.35 (39.26 chs. S. 86° 6' W. from $\frac{1}{4}$ sec. cor. of sec. 2) Intersect the original cor. of secs. 2, 3, 34 and 35, which is a mound of stone witnessed by two bearing trees:
A yellow pine, 48 ins. in diam., N. 45° E., 25 lks. dist., marked T7N R30E S35 BT.
A yellow pine, 10 ins. in diam., S. 45° W., 31 lks. dist., marked T6N R30E S3 BT.

Reconstruct this cor. monument, and alter same to refer to secs. 2 and 3 only, as follows:
Remove the mound of stone, and in center of its position, set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground for cor. of secs. 2 and 3 only, marked on brass cap,

T7N R30E

1925

from which,

A yellow pine, 26 ins. in diam., brs. N. 44° E., 85 lks. dist., marked T7N R30E S34 BT.

A juniper, 30 ins. in diam., brs. N. 30° W., 128 lks. dist., marked T7N R30E S33 BT.

Land, mountainous.

Soil, rocky, 4th rate.

Timber, yellow pine, cedar, pinyon and oak.

Undergrowth, manzanita, scrub oak, and other native brush.

Fair growth of grass.

N. 89° 6' W., on true line, on S. bdy. of sec. 33.

Over mountainous land, thru. dense timber and undergrowth. Ascend 130 ft., over SE. slope.

5.00 Spur, slopes S. from NE.

Descend 130 ft., over W. slope.

13.55 Wash, 15 lks. wide, course S.

Ascend 15 ft., over E. slope.

16.00 Low spur, slopes S. Desc. 25 ft., over W. slope.

20.35 Wash, 20 lks. wide, course S. Asc. 100 ft., over E. slope.

25.35 Spur, slopes S. Desc. 35 ft. over W. slope.

30.00 Draw, course S. Asc. 45 ft., over SE. slope, to

33.55 (39.20 chs. N. 89° 6' W., from cor. of secs. 3 and 4) Intersect the original $\frac{1}{4}$ sec. cor. of secs. 4 and 33, which is a pinyon tree 5 ins. in diam., marked $\frac{1}{4}$ S on N. face, and witnessed by two bearing trees:

A dead pinyon, 5 ins. in diam., N. 11° W., 12 lks. dist., marked $\frac{1}{4}$ S BT., and

A pinyon, 15 ins. in diam., S. 52° W., 34 lks. dist., marked $\frac{1}{4}$ S BT.

Reconstruct this cor. monument, and alter same to refer to the quarters of sec. 4 only, as follows: Alongside the tree cor., set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground for $\frac{1}{4}$ sec. cor. of sec. 4 only, marked on brass cap,

$\frac{1}{4}$ S 4
1925

Obliterate marking on the old NW. bearing tree, and in addition to the old SW. bearing tree described above, establish two new bearing trees:

A pinyon, 8 ins. in diam., brs. S. 41° E., 41 lks. dist., marked $\frac{1}{4}$ S 4 BT.

A pinyon, 14 ins. in diam., brs. S. 85° W., 69 lks. dist., marked $\frac{1}{4}$ S 4 BT.

Thence,

N. 89° 35' W., on true line, continuing measurement of S. bdy. of sec. 33. Asc. 60 ft., over SE. slope, to

40.00 Set an iron post, 3 ft. long, 1 in. in diam., 26 ins. in the the ground for reestablished $\frac{1}{4}$ sec. cor. of sec. 33 only, marked on brass cap,

$\frac{1}{4}$ S 33
1925

from which,

A pinyon, 6 ins. in diam., brs. N. 35° E., 15 lks. dist., marked $\frac{1}{4}$ S 33 BT.

A pinyon, 6 ins. in diam., brs. N. 70° W., 5 lks. dist., marked $\frac{1}{4}$ S 33 BT.

12 Reserve of East boundary of Township 7 North, Range 30 East.

Chains.

The North half of the East bdy. of T. 7 N., R. 30 E., was surveyed in 1875 by C.B. Foster, U.S.D.S., who established all sec. and $\frac{1}{4}$ sec. cor. monuments thereon with a common reference to areas on both sides of the line.

The south half of the line was surveyed in 1883 by W.R. Fitzgerald, U.S.D.S., who established all sec. and $\frac{1}{4}$ sec. cor. monuments thereon with a common reference to areas on both sides of the line, and reestablished the cor. of secs. 13, 18, 19 and 24 at 240.00 chs. due North from the Tp. cor.

The north half of the line was resurveyed due North in 1883 by W.R. Fitzgerald, U.S.D.S., who erroneously reported same as an original survey, and there is no mention made in his record of any search being made for any of the original sec. or $\frac{1}{4}$ sec. cor. monuments on the line.

The cor. of Ts. 7 and 8 N., Rs. 30 and 31 E. was reestablished by him at 480.00 chs. N. of the cor. of Ts. 6 and 7 N., Rs. 30 and 31 E. without search for the original Tp. cor., and erroneously reporting the monument set by him, as the original Tp. cor.

As a result of the above described error in the resurvey of the N. $\frac{1}{2}$ of E. bdy. of T. 7 N., R. 30 E., there are two sets of sec. and $\frac{1}{4}$ sec. cor. monuments on such portion of the line, and two cor. monuments referring to the cor. of Ts. 7 and 8 N., Rs. 30 and 31 E.

No other resurvey and no retracement of this Tp. bdy. is of record.

The following notes describe a resurvey of the entire line.

The land to the West of the S. $\frac{1}{2}$ of the line is unsurveyed; therefore, the reestablishment of cors. thereon referring to secs. 24, 25 and 36 of T. 7 N., R. 30 E. is subject to rectification, but T. 7 N., R. 31 E. being entirely surveyed, the existing cors. control the alignment and said existing cors. must retain reference to areas E. of line.

As the 1883 resurvey of the N. $\frac{1}{2}$ of the line was made in connection with the survey of the subdivision of T. 7 N., R. 31 E., the cor. monuments set thereon in said resurvey must be preserved.

An examination of the land office records in regard to secs. 1, 12 and 13 of T. 7 N., R. 30 E. and sec. 36 of T. 8 N., R. 30 E., reveals the fact that the only entry within said secs. is a patented homestead in the NW $\frac{1}{4}$ of sec. 13; therefore, all the original sec. and $\frac{1}{4}$ sec. cors. established in 1875 on the N. $\frac{1}{2}$ of the E. bdy. of T. 7 N., R. 30 E.; and also, the original cor. of Ts. 7 and 8 N., Rs. 30 and 31 E. may be destroyed; however, as the original $\frac{1}{4}$ sec. cor. of secs. 13 and 18 controls the alignment of the S. bdy. of said patented homestead, said cor. if existant, will govern the reestablishment of the $\frac{1}{4}$ sec. cor. of sec. 13 only by projection of the latitudinal quarter sec. line, thru. said existing $\frac{1}{4}$ sec. cor. to point of intersection with the resurveyed range line.

In the following described resurvey, the cor. of secs. 13, 18, 19 and 24 reestablished in 1883 is again reestablished with its original common reference, at proportional dist. between existing cors. of the 1883 survey and resurvey.

All other existing sec. and $\frac{1}{4}$ sec. cors. of the 1883 survey and resurvey are reconstructed and altered to refer to areas in T. 7 N., R. 31 E. only, and missing cors. are reestablished at proportional intervals in direct alignment bet. said existing cors., and a like change in reference made.

The sec. and $\frac{1}{4}$ sec. cors. referring to secs. 24, 25, and 26 are reestablished on the range line at intervals of 40.00 chs. in northing, counting from the cor. of Ts. 6 and 7 N., Rs. 30 and 31 E.

In the resurvey of part of the S. $\frac{1}{2}$ of this Tp. described in this $\frac{1}{2}$ of lines bet.

Resurvey of East bdy. of Township 7 North, Range 30 East 13

Chains.

secs. 1 and 12, and bet. secs. 12 and 13 are resurveyed due east to intersections with the resurveyed range line, at which points of intersection closing cors. of said secs. are reestablished.

The 1/2 sec. cor. of sec. 12 is reestablished on the range line at midpoint bet. closing cors., and the 1/2 sec. cors. of secs. 1 and 13 are reestablished on the range line at 40 chs. in northing and southing respectively from the closing cors. of said secs.

Destroy all the existing original sec. and 1/2 sec. cors. set in 1875 on the N. 1/2 of this Tp. bdy., and also the cor. of Ts. 7 and 8 N., Rs. 30 and 31 E., established in same year.

From the cor. of Ts. 6 and 7 N., Rs. 30 and 31 E., hereinbefore described,

27.00 North, on true line, on E. bdy. of sec. 36. Over mountainous land, thru. dense timber and undergrowth. Ascend 490 ft., over SW. slope, to Top of ascent, thence over level top of Escudilla Mountain brs. E. and W.
30.00 Leave top of mountain. Desc. 100 ft., over N. slope, to
39.60 (Midpoint of W. bdy. of sec. 31) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for reestablished 1/2 sec. cor. of sec. 31 only, marked on brass cap,

S31
1925

from which,
A spruce, 14 ins. in diam., brs. N. 45° E., 35 lks. dist., marked 1/2 S 31 BT.

lks. dist., marked T8N R31E S31 BT.

A juniper, 6 ins. in diam., brs. S. 2° E., 78
lks. dist., marked T7N R31E S6 BT.

A juniper, 20 ins. in diam., brs. S. 14° W., 208
lks. dist., marked T7N R30E S1 BT.

No other bearing tree available. Raise a mound of stone,
3 ft. base, 1½ ft. high, S, of cor.

Land, rolling.

Soil, rocky, 4th rate.

Timber, pinyon, juniper and yellow pine.

Undergrowth, scrub oak and cacti.

Fair growth of grass.

Chains.

The North bdy. of T.7 N., R.30 E., was surveyed by C.B. Foster, U.S.D.S. in 1875, establishing thereon all sec. and $\frac{1}{4}$ sec. cors. with a common reference to areas on both sides of the line.

The West 2 $\frac{1}{2}$ miles of the line were retraced, and the E. 3 $\frac{1}{2}$ miles were resurveyed by A.E. Shoemaker, U.S.D.S. in September, 1883. In the notes of Surveyor Shoemaker's resurvey, all the original sec. and $\frac{1}{4}$ sec. cor. monuments on the line E. of the $\frac{1}{4}$ sec. cor. of secs. 4 and 33 are recorded as missing, and said notes describe the reestablishment of all the missing cor. monuments at proportional intervals on a direct line bet. said $\frac{1}{4}$ sec. cor., and the cor. of Ts. 7 and 8 N., Rs. 30 and 31 E., reestablished in April 1883 by W.R. Fitzgerald, U.S.D.S.

In view of the fact that the Fitzgerald resurvey of the N. $\frac{1}{4}$ of the E. bdy. of T.7 N., R.30 E. was improperly executed, as hereinbefore explained in notes of resurvey of said bdy., the Shoemaker resurvey of the E. 3 $\frac{1}{2}$ miles of the N. bdy. of T.7 N., R.30 E., and also, his resurvey of the E. bdy. of T.8 N., R.30 E. was rendered defective, as both were tied to the Fitzgerald erroneous cor. of Ts. 7 and 8 N., R.30 E., resulting in the reporting of original cor. monuments missing, which in reality were existent.

No other retracement or resurvey of the E. bdy. of T.7 N., R.30 E. is of record.

The following notes describe a resurvey of the entire line, reconstructing the original $\frac{1}{4}$ sec. cor. of secs. 4 and 33, all orig. sec. and $\frac{1}{4}$ sec. cors. W. therefrom, and all previously reestablished sec. and $\frac{1}{4}$ sec. cors. E. therefrom, and destroying all the original sec. and $\frac{1}{4}$ sec. cors. E. therefrom. All cors. retain their original common reference.

From the cor. of Ts. 7 and 8 N., Rs. 30 and 31 E., reestablished in 1883 by W.R. Fitzgerald, U.S.D.S., and reconstructed, as hereinbefore described,
 N. 89° 55' W., on true line, bet. secs. 1 and 36 (E. $\frac{1}{4}$).
 Over rolling land on mesa, thru scattering timber and undergrowth.

40.37 Intersect the previously reestablished $\frac{1}{4}$ sec. cor. of secs. 1 and 36, which is a sandstone, 14x8x5 ins. above ground marked $\frac{1}{4}$ on N. face, and witnessed by a mound of stone N. of cor. No bearing trees.

Reconstruct this cor. monument as follows.
 Alongside old cor. stone, set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for $\frac{1}{4}$ sec. cor. of secs. 1 and 36, marked on brass cap,

$\frac{1}{4}$ S 36
 S 1
 1925

from which,
 A juniper, 10 ins. in diam., brs. N. 39° E., 255 dist., marked $\frac{1}{4}$ S 36 BT.
 A juniper, 10 ins. in diam., brs. S. 40° E., 193 dist., marked $\frac{1}{4}$ S 1 BT.

The original $\frac{1}{4}$ sec. cor. of same secs. brs. S. 23 $\frac{1}{2}$ ° E., 7.13 chs. dist., which is a limestone 10x12x6 ins. above ground, marked $\frac{1}{4}$ on N. face. No accessories.

Destroy this old cor. monument.
 Thence,
 S. 89° 5' W., on true line, bet. secs. 1 and 36 (W. $\frac{1}{4}$),
 Over rolling land, on mesa, thru scattering timber and undergrowth.

41.56 Intersect the previously reestablished cor. of secs. 1, 2, 35 and 36, which is a mound of earth and stone, bearing evidence of removal of post from center, and witnessed by four pits, one each NE., SE., SW. and NW. of post, 5 ft. dist. No bearing trees.

Reconstruct this cor. monument as follows:

Chains.

In center of old mound, set an iron post 3 ft. long, 2 ins. in diam., 24 ins. in the mound, for cor. of secs. 1, 2, 35 and 36, marked on brass cap,

T8N	R30E

Chains.

39.93 Over rolling land, on mesa, thru. dense timber and scattering undergrowth.
 Intersect the previously reestablished cor. of secs. 2, 3, 34 and 35, which is a sandstone, 6x8x14 ins., marked with 2 notches on E. face, 4 notches on W. face, loosely set in a mound of stone, and witnessed by two bearing trees as follows:
 A pinyon, 15 ins. in diam., N. 80° E., 43 lks. dist., marked T8N R30E S35 BT.
 A pinyon, 10 ins. in diam., S. 50° W., 35 lks. dist., marked T7N R30E S3 BT.
 Reconstruct this cor. monument, as follows:
 Remove the mound of stone, and in center of its position, reset old cor. stone on surface rock, and alongside same set an iron post, 3 ft. long, 2 ins. in diam., on surface rock, deposit a stone marked with a cross (x) at base of post, and raise a mound of stone around post for cor. of secs. 2, 3, 34 and 35, marked on brass cap,

In addition to the old bearing trees described above, establish three new bearing trees as follows:
 A pinyon, 24 ins. in diam., brs. N. 0° 30' E., 63 lks. dist., marked T8N R30E S35 BT.
 A pinyon, 12 ins. in diam., brs. S. 51° W., 64 lks. dist., marked T7N R30E S3 BT.
 A pinyon, 8 ins. in diam., brs. N. 68° W., 38 lks. dist., marked T8N R30E S34 BT.

The original cor. of same secs. brs. S. 32° W., 7.48 chs. dist., which is a mound of earth on top of which is lying a decayed portion of the original wood corner post, and witnessed by faint traces of four pits, one each NE., SE., SW. and NW. of cor. and one bearing tree:
 A pinyon, 20 ins. in diam., S. 27° W., 98 lks. dist., marked TVIINRXXXESIIIBT.

This bearing tree was not reported in the record of the establishment of this cor.
 Destroy all evidence of this original cor. monument.
 Land, rolling.
 Soil, rocky, 4th rate.
 Timber, pinyon and cedar.
 Undergrowth, buck brush, broomweed and cacti.
 Fair growth of grass.

17.70 N. 89° 32' W., on true line, bet. secs. 3 and 34 (E. 1/2).
 20.00 Over rolling land, thru. dense timber and undergrowth.
 29.00 Wash, 30 lks. wide, course N.
 40.36 Road, brs. N. and S.
 Ascend 27 ft., over E. slope, to
 Intersect the previously reestablished 1/4 sec. cor. of secs. 3 and 34, which is a sandstone 20x14x8 ins. above ground, marked 1/4 on N. face, and witnessed by one bearing tree:
 A pinyon, 10 ins. in diam., S. 5° E., 53 lks. dist., marked 1/4 S BT.
 Reconstruct this cor. monument, as follows: Alongside old cor. stone, set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for 1/4 sec. cor. of secs. 3 and 34, marked on brass cap,

24 Resurvey of North bdy. of Township 7 North, Range 30 East.

Chains.

In addition to the old bearing tree described above, establish two new bearing trees, as follows:

A pinyon, 10 ins. in diam., brs. S. 9° E., 33 lks. dist., marked $\frac{1}{4}$ S 3 BT.

A pinyon, 10 ins. in diam., brs. N. 82° E., 91 lks. dist., marked $\frac{1}{4}$ S 34 BT.

The original $\frac{1}{4}$ sec. cor. of same secs. brs. S. 32° W., 7.55 chs. dist., which is a limestone 18x14x8 ins. above ground, marked $\frac{1}{4}$ on N. face, and witnessed by a mound of stone N. of cor. No trace of the original bearing tree NW. of cor. can be found.

Destroy all evidence of this original cor. monument.

Thence,

S. 89° 45' W., on true line, bet. secs. 3 and 34 (W. $\frac{1}{2}$)

Over rolling land, thru. dense timber and undergrowth.

Leave timber, brs. NE. and SW.

35.00

40.80

Intersect the previously reestablished cor. of secs. 3, 4, 33 and 34, which is a sandstone, 12x8x6 ins. above ground, marked with 3 notches on each of E. and W. faces, and a cross (x) on top, and witnessed by a mound of stone W. of cor.

No bearing trees.

Reconstruct this cor. monument, as follows:

Alongside old corner stone, set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground for cor. of secs. 3, 4, 33 and 34, marked on brass cap,

T8N	R30E
S33	S34
S 4	S 3
T7N	
1925	

from which,

A pinyon, 16 ins. in diam., brs. N. 75° W., 596 lks. dist., marked T8N R30E S33 BT.

A pinyon, 12 ins. in diam., brs. S. 83° W., 858 lks. dist., marked T7N R30E S4 BT.

The original cor. of same secs. brs. S. 34° 32' W., 676 chs. dist., which is a limestone 10x8x5 ins. above, marked with 3 notches on each of E. and W. faces, and witnessed by a mound of stone, E. of cor. No bearing trees.

Destroy all evidence of this original cor. monument.

Land, rolling.

Soil, rocky, 4th rate.

Timber, pinyon, juniper and cedar.

Undergrowth, buck brush, broom weed, Spanish dagger and cacti.

Fair growth of grass.

S. 89° 24' W., on true line, bet. secs. 4 and 33 (E. $\frac{1}{2}$).

9.30

Over rolling land on mesa, thru. scattering undergrowth. W. rim of mesa, brs. N. and S. Leave mesa. Enter mountainous land and scattering timber.

27.80

Descend 372 ft., over rocky W. slope, to Enter rolling land.

39.60

Descend gradually over W. slope, to Intersect the original $\frac{1}{4}$ sec. cor. of secs. 4 and 33, which is a sandstone, 8x12x8 ins. above ground, firmly set in a sandstone, 8x12x8 ins. above ground, marked $\frac{1}{4}$ on N. face, and a cross (x) on top, and witnessed by a mound of stone, N. of cor., and one bearing tree:

A cedar, 30 ins. in diam., South 22 lks. dist., marked $\frac{1}{4}$ S BT.

Reconstruct this cor. monument, as follows:

Alongside old cor. stone, set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground for $\frac{1}{4}$ sec. cor. of secs. 4 and 33, marked on brass cap,

- No other bearing trees available.
 Make no change in the original accessories.
 This cor. is under a wire fence, bearing N. and S.
 Thence,
 N. 89° 12' W., on true line, bet. secs. 4 and 33 (W. 1/2).
 Over rolling land, thru. scattering undergrowth.
 Descend 57 ft., over W. slope, to
 3.00 Foot of descent, brs. N. and S. Enter level cultivated
 bottom land.
 18.00 Leave cultivated land, brs. N. and S.
 20.00 Nutriosa Creek, 20 lks. wide, 1 ft. deep, course N. Con-
 tinue over level bottom land.
 20.30 Wire fence, brs. N. and S. Fence cor. brs. N. 3 lks. dist.,
 from which fences extend W. and S. At this fence cor.,
 is a stone 12x12x5 ins. above ground, marked with a
 cross (x) on top, CC on E. face, and 8 HES 502 on W. face.
 This stone is a monument for cor. No. 8 of Forest Homestead
 No. 502, and from which the bdy. of said homestead ex-
 tends N. 89° 13' W. and S. 5° 41' E. Thence across said
 homestead parallel to line 7-8 thereof.
 23.50 Wire fence, brs. N. and S. Fence cor. brs. N. 3 lks. dist.,
 from which fences extend E., W. and S.
 30.25 Intersect fence cor., from which fences extend E. and S.
 At this fence cor. is a stone 12x12x5 ins. above ground,
 marked with a cross (x) on top, CC on S. face and 7 HES
 502 on E. face. This stone is a monument for cor. No.
 7 of Forest Homestead No. 502, and from which the bdy.
 of said Homestead extends S. 89° 13' E. and S. 5° 45' E.
 Leave said homestead at W. edge of level bottom land, bear-
 ing N. and S. Enter mountainous land.
 Ascend 304 ft., over E. slope to rim of mesa.
 39.50 Foot of cliff, 50 ft. high, brs. N. and S., facing E.
 40.00 Rim of mesa, brs. N. and S. Leave mountainous and enter
 level land on mesa.
 40.41 Intersect the original cor. of secs. 4, 5, 32 and 33, which
 is a lava stone, 10x12x16 ins., marked with 2 notches
 on W. face, and 4 notches on E. face, firmly set in a
 mound of stone. No accessories.
 Reconstruct this cor. monument as follows:
 Remove the mound of stone, and in center of its position,
 reset old cor. stone on surface rock, and alongside
 same, set an iron post, 3 ft. long, 2 ins. in diam., on
 surface rock, deposit a stone marked with a cross (x)
 at base of post, and raise a mound of stone around
 post for cor. of secs. 4, 5, 32 and 33, marked on brass
 cap,

 Timber, pinon, cedar, oak and yellow pine.
 Undergrowth, sagebrush, buck brush and cacti.
 Fair growth of grass.

28 Resurvey of West bdy. of Township 7 North, Range 30 East.

Chains.

The West bdy. of T. 7 N., R. 30 E. was surveyed in 1875 by C.B. Foster, U.S.D.S. establishing all the sec. and $\frac{1}{4}$ sec. cors. thereon, with a common reference to areas on both sides of the line.

The north four miles were retraced, and the south two miles of this line were resurveyed by W.R. Fitzgerald, U.S.D.S. in 1883.

No other retracement or resurvey of any part of this Tp. bdy. is of record.

The following notes describe a resurvey of the entire line, reconstructing all existing cors., re-establishing missing cors. at proportional intervals in alignment bet. existing cors., and retaining the original common reference of all cors.

The existing cor. monuments all agree substantially with their record descriptions; however, obtain affidavits from settlers whose holdings are involved, in connection with the identification of the $\frac{1}{4}$ sec. cor. of secs. 7 and 12, and the cor. of secs. 1, 6, 7 and 12, and such affidavits are incorporated into this book of field notes.

From the cor. of Ts. 6 and 7 N., Rs. 29 and 30 E., reconstructed in original position, as hereinbefore described, N. $0^{\circ}17'W.$, on true line, bet. secs. 31 and 36. Over rolling land, thru. scattering timber and undergrowth. Ascend 100 ft., over S. slope.

- 0.40 Road, brs. E. and W.
 1.70 Telephone line, brs. E. and W.
 7.50 Wire fence, brs. E. $30^{\circ}E.$ and S. $30^{\circ}W.$, joins wire fence bearing N. and S. at about 70 lks. N. $30^{\circ}E.$, from this point.
 8.50 Rim of mesa, brs. NE. and SW. Thence over level land on mesa. Leave timber.
 11.20 Fence cor. brs. E. 50 lks. dist., from which fences extend N., E. and S.
 39.10 Fence brs. N. $0\frac{1}{2}^{\circ}W.$ and S. $0\frac{1}{2}^{\circ}E.$
 39.75 (Proportional dist.) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for reestablished $\frac{1}{4}$ sec. cor. of secs. 31 and 36, marked on brass cap,

$\frac{1}{4}$
 S36 | S31

1925

from which,

A yellow pine, 12 ins. in diam., brs. N. $7^{\circ}E.$, 472 lks. dist., marked $\frac{1}{4}$ S 31 BT.

A yellow pine, 18 ins. in diam., brs. N. $6^{\circ}W.$, 434 lks. dist., marked $\frac{1}{4}$ S 36 BT.

Diligent search in this vicinity fails to reveal any trace of either the original or previously reestablished $\frac{1}{4}$ sec. cor. of secs. 31 and 36.

- 42.10 Fence cor. brs. W. 10 lks. dist., from which fences extend N., W. and S.
 44.00 Enter scattering timber, brs. E. and W.
 49.40 Fence brs. N. $1^{\circ}E.$ and S. $1^{\circ}W.$ at rim of mesa, bearing E. and W.
 Leave level land on mesa, and enter mountainous land. Descend 81 ft., over N. slope, to
 53.00 Foot of descent, brs. E. and W. Leave mountainous land and timber, and enter level cultivated land.
 64.50 House belonging to Hiram Rogers brs. E. about 6 chs. dist.
 65.30 Wash, 30 lks. wide, course NE.
 78.00 Fence, brs. NW. and SE. and turns to S. at about 60 lks. SE. of this point. Leave level cultivated land, and enter mountainous land and dense timber and undergrowth. Ascend 24 ft. over steep S. slope, to
 79.46 (Proportional dist.) Set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground, for reestablished cor.

36 Resurvey of part of Subdivision lines of Township 7 N. R.30 E+

Chains.

The subdivision lines of the N. $\frac{1}{4}$ of T.7 N., R.30 E., and all of the SW. $\frac{1}{4}$ of said township with the exception of line bet. secs. 28 and 33, and E. bdrs. of same secs. were surveyed in 1875 by C.B. Foster, U.S.D.S., and no retracement or resurvey of any part of these subdivision lines is of record.

The following notes describe a resurvey of all the previously surveyed subdivision lines of this township, reconstructing all existing cor. monuments, and reestablishing all missing cors. by proportional intervals bet. existing cors.

From the reconstructed cor. of secs. 13, 18, 19 and 24 on the E. bdy. of the Tp., hereinbefore described, N. $89^{\circ}47'W.$, on true line, on S. bdy. of sec. 13. Over mountainous land, thru. dense timber and scattering undergrowth.

- 4.87 Descend 50 ft., over NW. slope, to Foot of descent brs. N. and S. Enter level bottom land. Leave timber.
- 12.07 Creek, 10 lks. wide, 6 ins. deep, course NW.
- 12.77 Leave level, and enter mountainous land. Ascend 50 ft., over NE. slope, to
- 15.67 Rim of mesa, brs. NW. and SE. Thence over level land on mesa.
- 25.45 Road, brs. NW. and SE.
- 34.27 (40.00 chs. in easting from cor. of secs. 13 and 14) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for ~~reestablished~~ sec. cor. of sec. 13 only, marked on brass cap,
- ±S. 13
1925
- No bearing trees available. Raise a mound of stone, 3 ft. base, 1 $\frac{1}{2}$ ft. high, N. of cor. No trace of the original $\frac{1}{4}$ sec. cor. of secs. 13 and 24 can be found after search within a wide radius of this cor. Continue over level land, on mesa, thru. scattering undergrowth.
- 39.30 Rim of mesa, brs. N. and S. Leave mesa. Enter rolling land and scattering timber. Descend gradually over W. slope.
- 42.00 Creek, 20 lks. wide, 4 ins. deep, course NW. Ascend slightly over NE. slope, to
- 42.97 (40.00 chs. in easting from closing cor. of secs. 23 and 24) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for ~~reestablished~~ $\frac{1}{4}$ sec. cor. of sec. 24 only, marked on brass cap,

±S. 24
1925

from which,

An oak, 20 ins. in diam., brs. S. $27^{\circ}E.$, 133 lks. dist., marked $\frac{1}{4}$ S 24 BT.

An oak, 10 ins. in diam., brs. S. $15^{\circ}W.$, 151 lks. dist., marked $\frac{1}{4}$ S 24 BT.

- 70.25 Descend 110 ft., over NW. and W. slopes. Draw, 100 lks. wide, course NW.

- 74.27 Ascend gradually over N. slope, to Intersect the point of original location of the cor. of secs. 13, 14, 23 and 24, determined by measurement East 5 ft. from center of a mound of stone, which is the only remaining accessory of the original sec. cor. monument.

Chains.

Topography and blazes on line trees N. and W. of this mound verify the same as that described in the record as having been raised W. of cor.

Reconstruct this cor. monument, and alter its reference as follows:

At the original point of location of the sec. cor., set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground, for cor. of secs. 13 and 14 only, marked on brass cap,

T7N	R30E
S14	S13
S24	
1925	

from which,

A yellow pine, 10 ins. in diam., brs. N. 84° E., 22 lks. dist., marked T7N R30E S13 BT.

An oak, 12 ins. in diam., brs. N. 59° W., 258 lks. dist., marked T7N R30E S14 BT.

House of Henry Littlejohn brs. N. 47° W.

House of Perry Gunter, brs. N. 47° W., about 25 chs. dist.

House of Oliver Wilson brs. N. 28½° W.,

House of Dean Anfessen, brs. N. 23° 50' W.

Land, mountainous, level and rolling.

Soil, rocky, 4th rate,

Timber, yellow pine, juniper and oak.

Undergrowth, sage brush, broomweed and buck brush.

Fair growth of grass.

From cor. of secs. 13 and 14,

N. 4° 36' E., on true line, bet. secs. 13 and 14 (S. ½).

Over rolling land, thru. scattering timber and undergrowth.

Descend gradually over N. slope.

4.00 Leave timber, brs. E. and W.

7.00 Draw, 100 lks. wide, course NW. Asc. gradually over SW. slope.

16.00 Descend gradually over W. and NW. slopes.

18.50 Road, brs. E. and W.

41.50 Wire fence brs. E. and W. Enter level bottom land. Fence cor. brs. W. about 9 chs. dist., from which fences extend E. & N.

45.00 Intersect ¼ sec. cor. of secs. 13 and 14, which is a lava stone 14x10x6 ins. above ground, firmly set and marked ¼ on top. No accessories.

There is no trace of the original monument of record as a wood post with accessories consisting of pits, mound of earth and one bearing tree NW. of post.

Reconstruct this cor. monument as follows:

Alongside old stone, set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for ¼ sec. cor. of secs. 13 and 14, marked on brass cap,

¼	
S14	S13

1925	

In addition to the old bearing trees described above, establish two new bearing trees as follows:

A yellow pine, 13 ins. in diam., brs. N. 57° E., 192 lks. dist., marked ¼ S 22 BT.

A yellow pine, 22 ins. in diam., brs. N. 20° W., 177 lks. dist., marked ¼ S 21 BT.

Thence,

N. 0° 34' W., on true line, bet. secs. 21 and 22 (N. ½).

Over rolling land, thru. dense timber and undergrowth.

Descend gradually over NW. slope.

3.00 Wash, 15 lks. wide, course NE.

Descend 69 ft., over rolling E. slope to sec. cor.

16.20 Road, brs. NE. and SW.

20.00 Fence cor. brs. W. 60 lks. dist., from which fences extend W. and N. Timber becomes scattering.

42.04 Intersect the cor. of secs. 15, 16, 21 and 22, reconstructed by U.S. Forest Service Surveyor, which is a stone

46 Resurvey of part of Subdivision lines of Township 7 N., R. 30 E.

Chains.

10x10x8 ins. above ground, firmly set, marked with a cross (x) on top, 3 notches on each of E. and S. faces, and witnessed by one bearing tree:

A white oak, 12 ins. in diam., N. 89° W., 128 lks. dist., marked T7N R30E S16 XBT.

The original cor. stone marked with 3 notches on each of E. and S. faces is buried in the ground alongside the above described stone.

Reconstruct this cor. monument again as follows:

Alongside old stone set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground, for cor. of secs. 15, 16, 21 and 22, marked on brass cap,

T7N	R30E
S16	S15
S21	S22
1925	

In addition to the old bearing tree described above, establish two new bearing trees, as follows:

A yellow pine, 14 ins. in diam., brs. S. 28° W., 301 lks. dist., marked T7N R30E S21 BT.

A yellow pine, 18 ins. in diam., brs. N. 28° W., 386 lks. dist., marked T7N R30E S16 BT.

No other bearing trees available. Raise a mound of stone 3 ft. base, 2 ft. high, W. of cor.

Land, rolling.

Soil, rocky, 3rd and 4th rate.

Timber, pinyon, cedar, juniper and yellow pine.

Undergrowth, sagebrush, broomweed and cacti.

Fair growth of grass.

N. 89° 58' E., on true line, bet. secs. 15 and 22.

Over gently rolling land, thru. scattering undergrowth. Descend gradually over E. slope.

4.20 Wash, 10 lks. wide, 2 ft. deep, course N. Leave gently rolling and enter level land.

7.00 Wash, 40 lks. wide, 4 ft. deep, course NW.

11.30 Wire fence, brs. N. and S.

11.50 Road, brs. N. and S. House of Dacia Hulsey brs. S. about 5 chs. dist.

Leave level, and enter rolling land and scattering timber. Ascend 153 ft., over SW. slope to $\frac{1}{4}$ sec. cor.

19.70 Road, brs. N. and S.

31.10 Wash, 15 lks. wide, 3 ft. deep, course SW.

40.03 Fall 2 lks. S. of the $\frac{1}{4}$ sec. cor. of secs. 15 and 22, reestablished by U.S. Forest Service Surveyor Daves, which is a lava stone, 12x14x12 ins. above ground, marked $\frac{1}{4}$ on N. face, and witnessed by two bearing trees:

A juniper, 30 ins. in diam., N. 41° E., 95 lks. dist., marked $\frac{1}{4}$ S 15 XBT.

A yellow pine, 16 ins. in diam., S. 83° W., 153 lks. dist., marked $\frac{1}{4}$ S 22 XBT. Destroy the marks

on the stone and bearing trees.

40.11 (Midpoint) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for reestablished $\frac{1}{4}$ sec. cor. of secs. 15 and 22, marked on brass cap,

$\frac{1}{4}$	S 15
	S 22
	1925

from which,

A yellow pine, 14 ins. in diam., brs. N. 65° E., 253 lks. dist., marked $\frac{1}{4}$ S 15 BT.

A juniper, 30 ins. in diam., brs. S. 68° E., 154 lks. dist., marked $\frac{1}{4}$ S 22 BT.

No trace of the original $\frac{1}{4}$ sec. cor. can be found after search in this vicinity.

Enter mountainous land.

 lks. dist., marked T7N R30E S17 BT.

Land, level and mountainous.
 Soil, sandy, 2nd rate in S. 11½ chs.; elsewhere, rocky, 4th
 rate.
 Timber, pinyon, cedar and yellow pine.
 Undergrowth, sagebrush and broomweed.
 Fair growth of grass.

Resurvey of part of Subdivision lines of T. 7 N., R. 30 E. 67

Chains.

N.86°52'E., on true line, bet. secs.8 and 17 (W.½).
 Over mountainous land, thru, scattering timber and undergrowth.
 Ascend 88 ft., over NW.slope.
 5.20 Spur, slopes NE. Desc.238 ft., over E.slope to rim of gulch.
 12.20 Highway, brs.NW. and SE., Springerville to Nutrioso.
 24.40 Rim of gulch, brs.N. and S. Desc.50 ft.
 27.20 Wash, 40 lks.wide, course S. in bottom of gulch.
 28.80 Ascend 60 ft., over W.slope, to
 29.50 Rim of gulch, brs.N. and S. Leave gulch.
 Ascend 62 ft., over W.slope.
 31.70 Spur, slopes S. Desc.173 ft., over steep SE.slope, to
 46.00 Foot of descent, brs.NE. and S. Leave mountainous land.
 and timber, and enter nearly level bottom land.
 46.61 Intersect the ¼ sec.cor. of secs. 8 and 17, which is a
 lava stone 8x10x10 ins. above ground firmly set, marked
 ¼ on N.face. No accessories.
 Reconstruct this cor. monument as follows:
 Alongside old cor.stone, set an iron post 3 ft.long, 1 in.
 in diam., 24 ins. in the ground, for ¼ sec.cor. of secs.
 8 and 17, marked on brass cap,

$$\frac{1}{4} \text{ S } 8$$

$$\text{S } 17$$
 1925

No bearing trees available. Raise a mound of stone, 3 ft.
 base, 1½ ft.high, N.of cor.
 Fence cor. brs.S.110 lks.dist., from which fences extend
 E.and S.

Thence,
 S.88°13'E., on true line, bet. secs. 8 and 17 (E.½).
 Over nearly level bottom land, thru. scattering undergrowth.
 19.85 Intersect fence cor. from which fences extend W. and N.
 38.50 Nutrioso creek, with stream of water, 50 lks.wide, 9 ins.
 deep, course NE.
 39.85 Intersect the cor.of secs. 8, 9, 16 and 17.
 Land, mountainous and nearly level.
 Soil, rocky, 4th rate in W.half; sandy loam, 2nd rate in
 E.half.
 Timber, pinyon, cedar, and juniper on W. 46 chs. only.
 Undergrowth, sage brush and broomweed.

From the cor.of secs. 7, 8, 17 and 18,
 N.88°55'W., on true line, bet. secs.7 and 18.
 Over mountainous land, thru. scattering timber and undergrowth.
 Descend 30 ft., over NW. slope.
 2.00 Wash, 20 lks.wide, course NE. Enter rolling land.
 Ascend gradually over SE.slope.
 14.00 Low ridge, brs.NE. and SW. Desc. gradually over NW.slope.
 25.40 Wash, 10 lks.wide, course NE. Asc. over NE. slope.
 35.00 Road, brs.NE. and SW. Desc. over NW.slope.
 40.00 Wash, 10 lks.wide, course N.20°W.
 Ascend over NE.slope, to
 42.36 (Proportional dist.) Set an iron post, 3 ft.long, 1 in.
 in diam., 24 ins. in the ground for reestablished ¼
 sec.cor. of secs.7 and 18, marked on brass cap,

$$\frac{1}{4} \text{ S } 7$$

$$\text{S } 18$$
 1925

from which,
 A pinyon, 24 ins. in diam., brs.N.2°E., 73

Undergrowth, sagebrush and broomweed.
Fair growth of grass.

72 Survey of part (completion) of Subdivision lines of T.7 N., R.30 E.

Chains.

The following notes describe the survey of Subdivision lines of secs. 22 to 28, and 33 to 36, which completes the subdivision of T.7 N., R.30 E.

The south and east bdrs. of the Tp. being defective in measurement and alignment, a sectional correction line and a sectional guide meridian will be required from which to initiate the survey of these subdivision lines.

The sectional correction line is surveyed due West from the ~~reestablished~~ cor. of secs. 25 and 36 on the E. bdy. of the Tp., setting temp. $\frac{1}{4}$ sec. and sec. cors. thereon at intervals of 40.00 chs., and establish closing cor. of secs. 27 and 34 at point of intersection of the line with E. bdy. of sec. 28.

The sectional guide meridian is surveyed due North from the reestablished cor. of secs. 35 and 36 on the S. bdy. of the Tp., establishing cor. of secs. 25, 26, 35 and 36 at point of intersection of the line with the Sectional Correction Line; and at intervals of 40.00 chs. N. therefrom establish $\frac{1}{4}$ sec. and sec. cors., and at point of intersection with S. bdy. of sec. 14 establish closing cor. of secs. 23 and 24.

The second meridional sec. line is surveyed N. $0^{\circ}1'W.$, from the reestablished cor. of secs. 34 and 35 on the S. bdy. of the Tp., establishing cor. of secs. 26, 27, 34 and 35 at point of intersection with the Sectional Correction Line, and at 40.00 chs. N. $0^{\circ}1'W.$ therefrom, establish $\frac{1}{4}$ sec. cor. of secs. 26 and 27, and at point of intersection with S. bdy. of sec. 22, establish closing cor. of secs. 26 and 27.

The third meridional sec. line is surveyed N. $0^{\circ}2'W.$ from the reestablished cor. of secs. 33 and 34 on S. bdy. of the Tp., establishing closing cor. of secs. 33 and 34 at point of intersection with S. bdy. of sec. 28.

The permanent $\frac{1}{4}$ sec. cors. on the Sectional Correction Line are established at midpoints bet. the sec. cors., with the exception of the $\frac{1}{4}$ sec. cor. of secs. 27 and 34, which is established at 40.00 chs. W. from cor. of secs. 26, 27, 34 and 35.

The $\frac{1}{4}$ sec. cor. of secs. 35 and 36, $\frac{1}{4}$ sec. cor. of secs. 34 and 35, and the W. $\frac{1}{4}$ sec. cor. of sec. 34 are established at 40.00 chs. S. from Sectional Correction Line.

The E. $\frac{1}{4}$ sec. cor. of sec. 33 is established at 40.00 chs. S. from S. bdy. of sec. 28.

The E. and S. bdrs. of sec. 22 are surveyed on cardinal bearings to point of intersection, where the SE. cor. of said sec. is established, and the E. and S. bdrs. of sec. 28 are surveyed, and its SE. cor. established by same process, and the E. and S. $\frac{1}{4}$ sec. cors. of both of said secs. are established at 40.00 chs. S. and E. from their NE. and SW. cors., respectively.

The line bet. secs. 24 and 25 is surveyed by random E. and true line westerly, establishing $\frac{1}{4}$ sec. cor. common to both secs. at 40.00 chs. in easting from the Sectional Guide Meridian.

The line bet. secs. 23 and 26 is surveyed due West, establishing $\frac{1}{4}$ sec. cor. common to both secs., at 40.00 chs., and at point of intersection with E. bdy. of sec. 22 establish closing cor. of secs. 23 and 26.

The West $\frac{1}{4}$ sec. cors. of secs. 23 and 27 are established at 40.00 chs. N. from the SW. cors. of said secs.

The North $\frac{1}{4}$ sec. cors. of secs. 23 and 24 are reestablished at 40.00 chs. in westing and easting respectively from the C.C. of said secs., and the W. $\frac{1}{4}$ sec. cor. of sec. 33, is reestablished at 40.00 chs. in southing from the NW. cor. of said sec. as hereinbefore described in notes of "Resurvey of Part of the Subdivision Lines of T.7 N., R.30 E."

The N. and W. $\frac{1}{4}$ sec. cors. of secs. 22 and 28, as well as their NE. and SW. cors., retain their original reference, as the NW. quarters of both of said secs. are accepted surveyed areas.

Survey of part(completion)of Subdivision lines of T.7 N.,R.30 E. 73

chains.

- From temp.cor.of secs. 25,26, 35 and 36, on Sectional Correction Line, South,on random line, bet. secs.35 and 36.
- 40.00 Set temp. $\frac{1}{4}$ sec.cor.
- 78.48 Fall 20 lks.E.of the reestablished cor.of secs.35 and 36, on the S. bdy.of the Tp., hereinbefore described.
- Thence,
- North,on true line, on Sectional Guide Meridian, bet. secs.35 and 36.
- Over mountainous land, thru. thick timber and undergrowth. Ascend 130 ft., over SW. slope.
- 7.80 A yellow pine,16 ins. in diam.,on line, mark 2 notches on each of N. and S. sides of tree.
- 16.30 A yellow pine, 16 ins. in diam.,on line. Mark two notches on each of N. and S. sides of tree.
- 24.00 Spur, slopes N. 60°W.
- Descend 70 ft.,over N.slope.
- 26.50 Draw, 50 lks.wide, course W. Enter rolling land.
- Ascend gradually over S.slope,to
- 38.48 Set an iron post, 3 ft.long, 1 in. in diam.,20 ins. in the ground to bed rock, deposit a stone marked with a cross (x) at base of post,and raise a mound of stone around post,for $\frac{1}{4}$ sec.cor.of secs. 35 and 36, marked on brass cap,

from which,

- A yellow pine, 16 ins. in diam.,brs.47°E.,34 lks.dist., marked $\frac{1}{4}$ S36BT.
- A yellow pine, 12 ins.in diam.,brs.N.24°W.,24 lks.dist., marked $\frac{1}{4}$ S 35 BT.
- Ascend 35 ft., over SW. slope.
- 41.15 A yellow pine, 28 ins. in diam.,on line. Mark 2 notches on each of N.and S. sides of tree.
- 44.50 Spur, slopes W. Desc.88 ft., over NW. slope.
- 57.20 Enter quaking asp thicket,brs.NW and SE.
- Trail, brs.NE. and SW.
- 58.30 Center of draw, 200 lks.wide, course W.
- 60.00 Creek, with stream of water, 3 lks.wide,2 ins.deep,course W. Asc.35 ft.,over SW.slope.
- 61.00 Leave quaking asp thicket, brs.NW. and SE.
- 68.00 Spur,slopes W. Enter mountainous land
- Descend 110 ft.,over NW. slope,to
- 78.48 Intersect the Sectional Correction line 20 lks.W.of temp. sec.cor.
- At point of intersection, set an iron post, 3 ft.long,2 ins. in diam., 24 ins. in the ground, for cor.of secs. 25, 26, 35 and 36, marked on brass cap,

from which,

- A yellow pine,15 ins.in diam.,brs.N.10°E.,41 lks.dist., marked T7N R30E S25 BT.
- A fir,14 ins.in diam.,brs.S.9°E.,47 lks. dist., marked T7N R30E S36 BT.
- A yellow pine,40 ins. in diam.,brs.S.6°W.,43 lks.dist., marked T7N R30E S35 BT.
- A yellow pine,14 ins. in diam.,brs.N.66°W.,45 lks.dist., marked T7N R30E S26 BT.
- Land,mountainous and rolling.
- Soil,rocky,4th rate.
- Timber,yellow pine, juniper,oak and fir.
- Undergrowth,scrub oak,buck brush and manzanita.

74 Survey of part (completion) of Subdivision lines of T.7 N.R.30 E.

Chains.	From the reestablished cor. of secs. 25 and 36 on the E. bdy. of the Tp., hereinbefore described, West, on Sectional Correction line, bet. secs. 25 and 36. Over mountainous land, thru. dense timber and undergrowth. Over level stone top of Mountain.
2.50	Leave mountain top, brs. NW. and SE.
32.00	Descend 1050 ft., over steep SW. and S. slopes, to Spur, slopes SW.
40.10	Descend 200 ft., over NW. slope, to (Midpoint) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for $\frac{1}{4}$ sec. cor. of secs. 25 and 36, marked on brass cap, $\frac{1}{4}$ S 25 S 36 1925
	from which, A fir, 18 ins. in diam., brs. North 17 lks. dist., marked $\frac{1}{4}$ S 25 BT. A fir, 10 ins. in diam., brs. S. 3° W., 35 lks. dist., marked $\frac{1}{4}$ S 36 BT.
61.70	Descend 475 ft., over NW. slope. Trail, brs. N. and S.
73.40	Wash, 30 lks. wide, course NW.
80.20	Ascend 50 ft., over NE. slope, to The cor. of secs. 25, 26, 35 and 36. Land, mountainous. Soil, rocky, 4th rate. Timber, yellow pine, fir, quaking asp and juniper. Undergrowth, scrub oak, manzanita and buckbrush.

6.50	North, on Sectional Guide Meridian, bet. secs. 25 and 26. Over mountainous land, thru. dense timber and undergrowth. Descend 100 ft., over N. slope. Wash, 20 lks. wide, course NW. Enter rolling land. Descend gradually over NW. slope.
15.90	Wash, with stream of water, 10 lks. wide, 2 ins. deep, course NW. Asc. 60 ft., over SW. slope.
32.00	Spur, slopes NW. Enter mountainous land.
40.00	Descend 190 ft., over NE. slope, to True point for $\frac{1}{4}$ sec. cor. falls in wash, with small stream of water, 5 lks. wide, 3 ins. deep, course NW., where it is impracticable to set monument; therefore, at
40.30	Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground for witness cor. to the $\frac{1}{4}$ sec. cor. of secs. 25 and 26, marked on brass cap, $\frac{1}{4}$ S 26 S 25 W C 1925
	from which, A fir, 16 ins. in diam., brs. S. 13° E., 84 lks. dist., marked $\frac{1}{4}$ S 25 WC BT. A fir, 20 ins. in diam., brs. S. 24 $\frac{1}{2}$ ° W., 78 lks. dist., marked $\frac{1}{4}$ S 26 WC BT.
50.20	Ascend 85 ft., over SW. slope. Spur, slopes W.
68.30	Descend 190 ft., over N. slope. Wash, with stream of water, 10 lks. wide, 8 ins. deep, course NW. Enter rolling land. Descend gradually over NW. slope.
72.20	Wash, 10 lks. wide, course NW.
80.00	Ascend 20 ft., over SW. slope, to Set an iron post, 3 ft. long, 2 ins. in diam., 12 ins. in the ground to bed rock, deposit a stone, marked with a cross (x) at base of post, and raise a mound of stone around post for cor. of secs. 23, 24, 25 and 26, marked on brass cap,

SEE THE ADJACENT PAGE.

This record is maintained for each of the divisions

GENERAL DESCRIPTION.

This township is situated just north of the divide between the Colorado and Salt Rivers, and general drainage is northwesterly into the Little Colorado river.

The elevation ranges from 7,000 ft. in the northern and northwestern parts to 11,220 ft. in the southeast cor. Escudilla Mountain lies in the southeastern corner of this township, and ridges from this mountain slope extend over much of the area. The slopes and much of the level portions are covered with a thick growth of merchantable timber, chiefly yellow pine, fir and spruce. Dense jungles of timber, dead timber and undergrowth cover the steep slopes of the highest portions, the slopes being broken and covered in many places by long rock slides. The undergrowth consists chiefly of oak, buck brush, and manzanita thickets.

The soil on the slopes is poor, rocky, 4th rate, while in the valleys it ranges from sandy, 2nd rate to a good loam, 1st rate in Nutrioso Valley.

There is much settlement in the township, chiefly in the southwestern part, where the town of Nutrioso is located. The chief industry of the settlers is farming and stockraising.

There is no evidence of mining activity, and no apparent indications of mineral deposits.

The highway from Alpine and New Mexico, to the south, and Springerville to the North, enters the township in sec. 32, and traverses the west side to its departure in sec. 6.

Nutrioso Creek, drains practically all of the township; many springs are found on the mountainous portions.

The township lies wholly within the Apache National Forest.

Chains.

The East bdy. of T. 8 N., R. 30 E. was surveyed by C. B. Foster, U.S.D.S. in 1875, establishing all sec. and $\frac{1}{4}$ sec. cors. thereon, with a common reference to areas on both sides of said bdy.

In 1883, A. E. Shoemaker, U.S.D.S. resurveyed the entire line reporting inability to find the intermediate original cor. monuments in the south two miles thereof, and reported as missing all original cor. monuments north of the $\frac{1}{4}$ sec. cor. of secs. 7 and 12, including the original closing cor. of Ts. 8 N., Rs. 30 and 31 E. on the 2nd Std. Par. N.

U.S. Deputy Surveyor Shoemaker reconstructed all the defective original cor. monuments in their original positions, retaining their original reference, reestablished all missing cor. monuments in the south two miles of the line at proportional intervals on a direct line between existing original cors., and reestablished all missing cor. monuments in the north one and one-half miles of the line, at intervals of 40.00 chs. N. from the original $\frac{1}{4}$ sec. cor. of secs. 7 and 12, reestablishing the township C.C. at point of intersection of the range line with the Second Standard Parallel North.

All reestablished cors. of the Shoemaker resurvey of 1883 retained their original common reference.

No other resurvey and no retracement of this township bdy. is of record.

The following notes describe a resurvey of the entire line: In the retracement of the line preliminary to this resurvey, a number of the original cor. monuments which were reported missing in the record of the 1883 resurvey, were found, but in compliance with instructions for Group 127, Arizona, these cor. monuments were destroyed, and the previously reestablished monuments were reconstructed in their original positions, retaining their original reference.

The original $\frac{1}{4}$ sec. cor. of secs. 19 and 24 was missing, and was reestablished at midpoint on direct line bet. the sec. cors.

From the cor. of Ts. 7 and 8 N., Rs. 30 and 31 E., hereinbefore described,

N. 1° 34' E., on true line, bet. secs. 31 and 36 (S. $\frac{1}{4}$).

Over rolling land, thru. scattering timber and undergrowth. Shallow wash, 30 lks. wide, course NW.

1.00
40.72

Intersect the previously reestablished $\frac{1}{4}$ sec. cor. of secs. 31 and 36, which is a lava stone 6x8x16 ins., marked $\frac{1}{4}$ on W. face, and firmly set in mound of stone. No bearing trees.

Reconstruct this cor. monument as follows:

Remove the mound of stone, and in center of its position, reset old cor. stone, 10 ins. in the ground, and alongside same set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for $\frac{1}{4}$ sec. cor. of secs. 31 and 36, marked on brass cap,

from which,

A pinyon, 8 ins. in diam., brs. N. 4° E., 207 lks. dist., marked $\frac{1}{4}$ S 31 BT.

A pinyon, 14 ins. in diam., brs. N. 18 $\frac{1}{2}$ ° W., 273 lks. dist., marked $\frac{1}{4}$ S 36 BT.

The original $\frac{1}{4}$ sec. cor. of secs. 31 and 36, which is a lava stone 8x8x6 ins. above ground, marked $\frac{1}{4}$ on W. face, brs. S. 34° W., 7.42 chs. dist. Destroy this old cor. monument.

Thence,

N. 1° 36' E., on true line, bet. secs. 31 and 36 (N. $\frac{1}{4}$),

88 Resurvey of East bdy. of Township 8 North, Range 30 East.

Chains. Over rolling land, thru scattering timber and undergrowth. Ascend 69 ft., over S. slope.

 A pinyon, 12 ins. in diam., brs. N. 26° W., 271 lks. dist., marked T8N R30E S25 BT.
 The original cor. of secs. 25, 30, 31 and 36, which is a lava stone, 10x14x8 ins. above ground, marked with 1 notch on S. face, and 5 notches on N. face, brs. S. 27° 08' W., 6.20 chs. dist. Destroy this old cor. monument.
 Land, rolling and mountainous.
 Soil, rocky, 3rd and 4th rate.
 Timber, cedar and pinyon.
 Undergrowth, sage brush, scrub oak and cacti.

N. 0° 2' W., on true line, bet. secs. 25 and 30 (S. $\frac{1}{2}$).
 Over heavily rolling land, thru dense timber and undergrowth.
 Ascend 138 ft., over S. slope.
 20.00 Spur, slopes W. Enter mountainous land,
 Descend 132 ft., over N. slope, to
 39.82 Intersect the previously reestablished $\frac{1}{4}$ sec. cor. of secs. 25 and 30, which is a lava stone 24x16x8 ins., marked $\frac{1}{4}$ on W. face, firmly set in a mound of stone, and witnessed by one bearing tree:
 A cedar, 20 ins. in diam., N. 70° W., 25 lks. dist., marked $\frac{1}{4}$ S BT.
 Reconstruct this cor. monument as follows: Remove the mound of stone, and in center of its position, reset old cor. stone, 18 ins. in the ground, and alongside same set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for $\frac{1}{4}$ sec. cor., of secs. 25 and 30, marked on brass cap,

$\frac{1}{4}$	
S25	S30
1925	

In addition to the old bearing tree described above, establish two new bearing trees as follows:

Chains.

A cedar, 24 ins. in diam., brs. S. 83° E., 36 lks. dist., marked $\frac{1}{4}$ S 30 BT.
A cedar, 30 ins. in diam., brs. S. 4° W., 113 lks. dist., marked $\frac{1}{4}$ S 25 BT.

The original $\frac{1}{4}$ sec. cor. of secs. 25 and 30, which is a sandstone 8x10x10 ins., marked $\frac{1}{4}$ on W. face, firmly set in a mound of stone, brs. S. 13 $\frac{1}{2}$ ° W., 5.29 chs. dist. Destroy this old cor. monument.

Thence, N. 0° 26' E., on true line, bet. secs. 25 and 30 (N. $\frac{1}{4}$), Over mountainous land, thru. dense timber and undergrowth. Ascend 130 ft., over rolling W. slope.

21.00

Spur, slopes NW.

Descend 295 ft., over N. slope, to

34.87

Intersect the original cor. of secs. 19, 24, 25 and 30, which is a lava stone 6x12x8 ins., marked with 2 notches on S. face, and 4 notches on N. face, firmly set in a mound of stone, and witnessed by one bearing tree:

A pinyon, 8 ins. in diam., S. 73° E., 38 lks. dist. marked TVIIINRXXXIESXXXBT.

Reconstruct this cor. monument as follows:

Remove the mound of stone, and in center of its position, reset old cor. stone, 8 ins. in the ground, and alongside same set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground for cor. of secs. 19, 24, 25 and 30, marked on brass cap,

In addition to the old bearing tree described above, establish four new bearing trees as follows:

A pinyon, 8 ins. in diam., brs. N. 56 $\frac{1}{2}$ ° E., 35 lks. dist., marked T8N R31E S19 BT.

A pinyon, 8 ins. in diam., brs. S. 35° E., 121 lks. dist., marked T8N R31E S30 BT.

A pinyon, 12 ins. in diam., brs. S. 78° W., 30 lks. dist., marked T8N R30E S25 BT.

A pinyon, 6 ins. in diam., brs. N. 36° W., 68 lks. dist., marked T8N R30E S24 BT.

Land, heavily rolling and mountainous.

Soil, rocky, 4th rate.

Timber, cedar and pinyon.

Undergrowth, sagebrush and cacti.

N. 0° 12' E., on true line, bet. secs. 19 and 24. Over rolling land, thru. dense timber and undergrowth. Descend gradually over N. slope.

16.00

Leave timber, brs. E. and W.

26.00

Shallow wash, 20 lks. wide, course NW. Enter nearly level land.

40.54

(Midpoint) Set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the ground, for reestablished $\frac{1}{4}$ sec. cor. of secs. 19 and 24, marked on brass cap,

No bearing trees available. Raise a mound of stone, 3 ft. base, 2 ft. high, W. of cor.

No trace of the original $\frac{1}{4}$ sec. cor. of secs. 19 and 24 can be found after diligent search within a wide radius of this point.

Chains.

Continue over nearly level land, thru. scattering undergrowth.
 68.25 Road, brs. NE. and SW.
 68.80 Wash, 10 lks. wide, 5 ft. deep, course NE.
 81.08 Intersect the original cor. of secs. 13, 18, 19 and 24, which is a lava stone 18x11x8 ins. above ground, marked with 3 notches on each of N. and S. faces. No accessories. Reconstruct this cor. monument, as follows:
 Alongside old cor. stone set an iron post, 3 ft. long, 2 ins. in diam., 24 ins. in the ground for cor. of secs. 13, 18, 19 and 24, marked on brass cap,

from which,

A pinyon, 8 ins. in diam., brs. N. 55° E., 2 lks.
dist., marked T8N R31E S6 BT.

A pinyon, 8 ins. in diam., brs. S. 8° E., 10 lks.
dist., marked T8N R31E S7 BT.

A pinyon, 8 ins. in diam., brs. S. 80° W., 77 lks.
dist., marked T8N R30E S12 BT.

A pinyon, 10 ins. in diam., brs. N. 50° W., 61 lks.
dist., marked T8N R30E S1 BT.

From this cor., the original cor. of same secs., which is a mound of earth and stone, brs. E. 3.74 chs. dist., witnessed by two bearing trees:

A pinyon, 8 ins. in diam., S. 83° E., 43 lks. dist.,
marked TVIIINRXXXIESVII BT.

A pinyon, 8 ins. in diam., S. 40° W., 72 lks. dist.,
marked TVIIINRXXXESXIIBT.

Obliterate the marking on these old bearing trees, and destroy the mound of earth and stone.

Land level. Soil, rocky, 4th rate.

Timber, pinyon and cedar.

Undergrowth, sage brush.

Good grass.

N. 0° 19' W., on true line, bet. secs. 1 and 6 (S. $\frac{1}{2}$).

Over level land, thru. scattering timber and undergrowth. Road, brs. NW. and SE.

4.30
40.21

Intersect the previously reestablished $\frac{1}{4}$ sec. cor. of secs. 1 and 6, which is a wooden stake, 2 ins. square, 2 ft. long, marked $\frac{1}{4}$ on one face, lying on top of a mound of earth and stone, and witnessed by faint traces of two pits, one each N. and S. of cor. Reconstruct this cor. monument as follows:

In center of old mound, reset old wooden stake, 18 ins. in the mound, and alongside same set an iron post, 3 ft. long, 1 in. in diam., 24 ins. in the mound for $\frac{1}{4}$ sec. cor. of secs. 1 and 6, marked on brass cap,

S 1 | S 6

1925

from which,

A pinyon, 14 ins. in diam., brs. S. 82° E., 555 lks.
dist., marked $\frac{1}{4}$ S 6 BT.

A cedar, 12 ins. in diam., brs. S. 71° W., 143 lks.
dist., marked $\frac{1}{4}$ S 1 BT.

A pinyon 14 ins. in diam., marked $\frac{1}{4}$ S BT brs. S. 83° E.,
555 lks. dist.

The last mentioned tree is an accessory of the original $\frac{1}{4}$ sec. cor., and as the same is alive, remark $\frac{1}{4}$ S 1 BT.

Thence,

N. 5° 20' W., on true line, bet. secs. 1 and 6 (N. $\frac{1}{2}$).

Over level land, thru. scattering timber and undergrowth.

33.90

Shallow wash, course NE.

44.00

Foot of red sandstone bluff, brs. NE and SW. facing SE. Leave level and enter broken land.

Ascend 50 ft. to

46.00

Top of same bluff, brs. NE. and SW. Reenter level land.

Old blazed line begins at this point. Thence, thru. dense timber.

49.20

Intersect the previously reestablished closing cor. of T. 8 N., Rs. 30 and 31 E. on the 2nd Std. Par. N., which is a sandstone, 6x14x18 ins., marked with 6 notches and CC on S. face, and 6 notches on each of E. and W. faces set in a mound of stones under a wire fence, bearing E. and W.

No accessories.

Reconstruct this cor. monument, as follows: Remove the mound of stone, and in center of its position, reset old cor. stone on surface rock, and alongside same set

Chains.

an iron post, 3 ft. long, 3 ins. in diam., on surface rock, and raise a mound of stone around post, 5 ft. base, 32 ins. high, for closing cor. of Ts. 8 N., Rs. 30 and 31 E., marked on brass cap,

T9N R30E	
S36	

S 1	S 6
R30E	R31E
C C	
T8N	
1925	

from which,

A pinyon, 8 ins. in diam., brs. S. 68° E., 45 lks. dist., marked CC T8N R31E S6 BT.

A pinyon, 14 ins. in diam., brs. S. 40° W., 218 lks. dist., marked CC T8N R30E S1 BT.

From this reconstructed Tp. closing cor., the standard $\frac{1}{4}$ sec. cor. of sec. 36, T. 9 N., R. 30 E. on the 2nd Std. Par. N., reestablished by A. P. Johnson, U. S. D. S. in 1882, which is a sandstone, 4x14x18 ins., marked SC $\frac{1}{4}$ on N. face, and set in a mound of stone, brs. S. 89° 46' E., 16.69 chs. dist. Diligent search in the vicinity of the township closing cor., and in the vicinity of the std. $\frac{1}{4}$ sec. cor. of sec. 36, fails to reveal any trace of either of the original cors.

Land, level and broken.

Soil, rocky, 3rd and 4th rate.

Timber, pinyon and cedar.

Undergrowth, sagebrush and cacti.

GENERAL DESCRIPTION.

The east boundary of T. 8 N., R. 30 E. has a rolling and mountainous surface in the S. $\frac{1}{2}$, and level in the N. $\frac{1}{2}$, and the soil is rocky and sandy, from 2nd to 4th rate. The drainage is to the NE. There is a good growth of grass over most of the land. The timber is chiefly pinyon and cedar, and has a value for fuel and fence posts. There are no settlers living within several miles of this line, and the land is used for grazing purposes only. A road runs in a northeasterly and southwesterly direction across this line in sec. 24, from Nutriosa Valley to New Mexico. There is a reservoir in sec. 12 close to the $\frac{1}{4}$ sec. cor. of secs. 7 and 12.

The continued satisfactory adjustment of the solar apparatus of the instrument used in the execution of the resurvey described in the foregoing notes is indicated from field tests described in Book "H" of this group.

ALEX J. MCKAY
PRESIDENT AND MANAGER

McKAY CATTLE COMPANY

SPRINGERVILLE, ARIZONA

October 2, 1925.

Mr. B. J. Kinsey, U. S. Surveyor,
Nutrioso, Ariz.

BOOK 3736

Dear Sir:

Having traced the line between Ranges 29 and 30, as run by yourself through the lands belonging to the McKay Cattle Company, I am pleased to find that the monument marking the southeast corner of Sec. 1, T. 7 N. R. 29 E. has been placed almost exactly in the place in which I always believed it to belong. It was upon my belief that this spot is the exact corner of the above name Section that I filed a Homestead Entry upon lands within this Section and placed all the improvements thereon. It is with pleasure, therefore, that I write you to express my entire satisfaction with your survey.

Very truly yours,

Alex. J. McKay

Sept. 20, 1925.

I certify that the iron survey post
 set by Benj. J. Kinney, US Surveyor
 for the $\frac{1}{4}$ sec. cor. secs. 7 and 12 T7N
 Rs. 29 and 30 E. is at the point
 established for this cor. by
 W. D. Reucher, County Surveyor,
 Apache Co. ^{about} 1906. and I also
 state that the cor. secs. 1, 6, 7, 12
 reestablished by the said
 Benj. Kinney, US Surveyor is
 at a point thoroughly satisfactory
 to me and that I have
 made extensive improvements
 based upon both of the above
 points.

Signed

J. C. Nelson

Springerville
Arizona.

BOOK 3736

October, 7 .1925.

With reference to the cor. secs. 16, 17, 20, and 21, T.7 N., R.30 E., G. & S.R. Meridian, Ariz., I wish to make this statement: The original position of this corner was at the point where Benj. J. Kinsey, U.S. Surveyor, placed the Iron Post sec. cor., of the above secs., in the resurvey of this township, I have ~~seen~~ the original corner, which was a ~~stone~~ ~~plenty~~ plainly marked, at this point many times and was with Forest Officials about 20 years ago, when surveys were made from this point. I have lived in this section of Arizona about 40 years.

Signed *Sylvester T. Fisher*
Nutrioso, Arizona.

Witnessed by *Benjamin J. Kinsey*
U.S. Surveyor.

I, Orson Wilkins, being duly sworn and depose, state:
that the wooden post at the point designated to Benj. Kinsey,
U.S. Surveyor, has been always considered as the $\frac{1}{4}$ sec. cor.
secs. 31 and 32, T.7 N., R.30 E., G. & S.R. Meridian, Arizona.
I have resided in this region since 1881, and know that
the former early owners of the adjoining lands always con-
sidered that this was the cor.; to the best of my knowledge
and belief the point above mentioned, is the corner.
This is the Northwest corner of the Nutricoso townsite and
all town improvements are based upon this corner.

CERTIFICATE OF UNITED STATES SURVEYOR.

I, Benjamin J. Kinsey, U. S. Surveyor, hereby certify upon honor that, in pursuance of special instructions received from the U. S. Surveyor General, for Group 127, Arizona, bearing date of the 9th day of May, 1924, I have well, faithfully, and truly in my own proper person, and in strict conformity with said instructions, the Manual of Surveying Instructions, and the laws of the United States, resurveyed all those parts or portions of the South, East, West and North boundaries and Subdivision lines of Township 7 North, Range 30 East, and the East boundary of Township 8 North, Range 30 East; and surveyed all those parts or portions of the Subdivision lines of Township 7 North, Range 30 East,

of the Gila and Salt River Base and Meridian, in the State of Arizona, and by diagram on page 1 hereof the foregoing field notes/as having been executed by me, and under my direction; and that all the corners of said resurvey and survey have been established and perpetuated in strict accordance with the Manual of Surveying Instructions, and the special written instructions of the U. S. Surveyor General, for Group 127, Arizona, and in the specific manner described in the field notes, and that the foregoing are the original field notes of such resurvey and survey.

Place: Phoenix, Arizona
Date: January 6, 1927

Signature of Benjamin J. Kinsey, U. S. Surveyor.

APPROVAL.

OFFICE OF THE U. S. Supervisor of Surveys,

Denver, Colorado, January 11, 1927.

The foregoing field notes of the resurvey of the East bdy. of Township 8 North, Range 30 East, and South, East, North and West boundaries, and Part of the Subdivision lines of Township 7 North, Range 30 East; and of the survey of Part (completion) of the Subdivision lines of

TOWNSHIP 7 NORTH, RANGE 30 EAST.

of the Gila and Salt River Base and Meridian, in the State of Arizona, executed by Benjamin J. Kinsey, U. S. Surveyor, under his special instructions dated May 9, 1924, for Group 127, Arizona, having been critically examined, and the necessary corrections and explanations made, the said field notes, and the resurveys and surveys they describe, are hereby approved.

Signature of U. S. Supervisor of Surveys.

I certify that the foregoing transcript of the field notes of the above-described surveys in has been correctly copied from the original notes on file in this office.
