OF THE
DEPENDENT RESURVEY OF

A PORTION OF THE EAST BOUNDARY,

A PORTION OF THE SUBDIVISIONAL LINES

AND

PORTIONS OF MINERAL SURVEY NOS. 1134 AND 3886,

THE SUBDIVISION OF SECTION 1

AND

A METES AND BOUNDS SURVEY,

IN TOWNSHIP 1 NORTH, RANGE 8 EAST

Of the Gila and Salt River Meridian,
In the State of Arizona

EXECUTED BY
William P. Carpender, Cadastral Surveyor

Under Special Instructions dated and approved April 3, 1997, which provided for the surveys included under Group Number 811, and assignment instructions dated April 3, 1997.

Survey Commenced April 7, 1997
Survey Completed May 14, 1997

CHAINS

The following field notes describe the dependent resurvey of a portion of the east boundary, a portion of the subdivisional lines and portions of Mineral Survey Nos. 1134 and 3886, the subdivision of section 1 and a metes-and-bounds survey, in Township 1 North, Range 8 East, Gila and Salt River Meridian, Arizona.

The east and north boundaries and the subdivisional lines were surveyed by Dupree R. Averill and Roger F. Wilson in 1924. Portions of the subdivisional lines were resurveyed by Ty White in 1951-52. Mineral Survey No. 1134 was surveyed by Albert T. Colton in 1894. Mineral Survey No. 3886 was surveyed by Edgar C. Kinderman in 1923. Mineral Survey No. 4529 was surveyed by Harvey W. Smith in 1960.

The survey was executed in accordance with the specifications as set forth in the Manual of Surveying Instructions, 1973, and the Special Instructions dated April 3, 1997, for Group No. 811, Arizona.

Preliminary to the resurvey, the lines of the original survey were retraced and search was made for all corners and other calls of the record. Identified corners were remonumented in their original positions; lost corners were restored at proportionate positions based on the original record. The retracement data were thoroughly verified and only the true line field notes are given herein.

The directions of all lines were determined by reference to the United States Coast and Geodetic triangulation network, confirmed by direct hour angle observations on the sun, and refer to the true meridian. Distances and angles were measured with a Sokkia SET2BII total station instrument.

The geographic position of the 1/4 section corner of sections 1 and 2, Township 1 North, Range 8 East, as determined from a tie made to U. S. Coast and Geodetic Survey triangulation station "WEEKS 1938", is as follows:

Latitude	Longitude
33°27'31.05" N.	111°29'39.13" W. NAD83(1992)

The mean magnetic declination, as taken from quadrangle map GOLDFIELD, ARIZ., published in 1956 by U.S. Geological Survey, and photorevised in 1981, is 13° E.

CERTIFICATE OF SURVEY

I, Dale C. Wilson, Supervisory Cadastral Surveyor, HEREBY CERTIFY upon honor that, in pursuance of Special Instructions bearing date of the 3rd day of April, 1997, that William P. Carpender, Cadastral Surveyor, has dependently resurveyed a portion of the east boundary, a portion of the subdivisional lines and portions of Mineral Survey Nos. 1134 and 3886, subdivided section 1 and performed a metes-and-bounds survey, in Township 1 North, Range 8 East, Gila and Salt River Meridian, in the State of Arizona, which are represented in the foregoing field notes as having been executed by him and under his direction; and that said survey has been made in strict conformity with said special instructions, the Manual of Instructions for the Survey of the Public Lands of the United States, and in specific manner described in the foregoing field notes.

William P. Carpender is no longer assigned to this office and is not available for signature.

DEC 11 1997

(Date)

(Supervisory Cadastral Surveyor)

CERTIFICATE OF APPROVAL

BUREAU OF LAND MANAGEMENT
Arizona State Office
Phoenix, Arizona

The foregoing field notes of the dependent resurvey of a portion the east boundary, a portion of the subdivisional lines and portions of Mineral Survey Nos. 1134 and 3886, the subdivision of section 1 and the metes and bound survey, in Township 1 North, Range 8 East, Gila and Salt River Meridian, Arizona, executed by William P. Carpender, Cadastral Surveyor, having been critically examined and found correct, are hereby approved.

DEC 16 1997

(Date)

(Chief Cadastral Surveyor of Arizona)

~~CERTIFICATE OF TRANSCRIPT~~

~~I CERTIFY that the foregoing transcript of the field notes of the above-described surveys in T. 1 N., R. 8 E., Gila and Salt River Meridian, Arizona, is a true copy of the original field notes.~~
