General Description etc.
 The Clay Mining Claim, located in the Copper
 Mountain Mining District (Yavapai County - Arizona),
 lies in the same mineral belt, running north &
 south that the "Liverpool", Seven Thirty, and other
 locations are in, its ^{distance} from these claims are given
 in the foregoing notes. The surface is uneven and
 on the south end very precipitous. The ores of the
 claim are copper bearing, with some iron etc.
 The work done on the claim is in the cuts above
 described, and I hereby certify that the value of the
 improvements on the claim is not less than five hundred
 dollars, and that they have been made by the claimant
