Under instructions dated July 21 1875

Survey commenced July 26 1875

Survey completed July 26 1875

PRELIMINARY OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

WE Andrew Staras and Wm Brodt
do solemnly swear that we will faithfully execute the duties of Chain Carriers;
that we will level the chain upon uneven ground, and plumb the tally pins,
whether by sticking or dropping the same; that we will report the true distance
to all notable objects, and the true length of all lines that we assist in measur-
ing, to the best of our skill and ability.

Chains S. W. cor. of Claim where is a
monument of stones 2 1/2 ft, high
and 3 ft broad at the base.

Thence I run
N. S. 68° 15' E.

Variation 13° 45' East
as per Bouche's field Compass.

21.74 1434 feet 10 inches to the S. E. cor. of
Claim where is a monument of
stones 2 1/2 ft, high and three feet
broad at the base.

Thence I run
N. 21° 45' E.

Variation 13° 45' East
as per Bouche's field Compass

4,541/2 300 feet to the place of beginning

This Claim is 1434 ft 10 in. long and
600 ft. wide and contains
19 ¹⁰⁰/₁₀₀ acres.

The surface of the Claim
is broken and hilly and is
sparsely covered with small
pale verde trees and low brush
of various kinds.

The Dit mountain is a sharp
peak of solid rock, rising to
the height of several hundred
feet, is centrally located within
the claim, and is readily recog-
nized from the surrounding
country.

to the north

About 100 feet from the base
of the Dit, is a sharp mark upon
the ledge 29 feet deep, at the
surface and to the depth of
23 feet it is 20 feet in length

Survey of the First Western Extension to the
Leachman Mining Claim

Continued

and for feet 8 inches in width
from the depth of 23 ft to the bottom
it is 8 feet long by 11 ft 8 inches wide
The course of the mouth of the
shaft is N. W. by S. E.

Connected with the shaft on
the lower side is a dump for
the ore 35 ft long and 15 ft,
wide the walls of which on the
lower side are 8 ft high
The improvements above described
are of a substantial character
and I hereby certify that they
are worth not less than five
hundred dollars and that
they were made by the
Claimant.

I certify that the foregoing field
notes of the survey of the First
Western Extension of the Leachman
Mining Claim furnish such
an accurate description
of the Claim as will if incorporated
into a patent, serve to fully
identify the premises and
that such reference is made
therein to natural objects or permanent
monuments as well as points
and fix the locus thereof

W. H. Hancock
Deputy Surveyor

July 26. 1875.

FINAL OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

A list of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of The First Western Extension of the Quachary Mining Claim located in The Quachary mining district Pinal County, Arizona, showing the respective capacities in which they acted.

Andrew Storer Chairman.

Mr. Brett Chairman.

Axeman.

U. S. Surveyor Genl's Office
Tucson, A.T. Aug. 6. 1875.

The foregoing field notes of the survey of the First Western Extension of the Guacharty Mining claim, situate in Guacharty mining district, Pinal County Arizona, and claimed by David Shuller, surveyed by Wm. A. Hancock, D.S., under instructions from this office, having been critically examined, and the necessary corrections and explanations made, the said field notes and the survey they describe are hereby approved.

John Masson,
Surveyor General.

UNITED STATES DEPARTMENT OF THE INTERIOR 9605 (942)
BUREAU OF LAND MANAGEMENT M.S. 64
ARIZONA STATE OFFICE

NOTICE OF CANCELLATION OF MINERAL SURVEY

The First Western Extension of the Quacharty lode, Mineral Survey No. 64, located in Township 10 South, Range 4 East, Gila and Salt River Meridian, Arizona, is hereby canceled.

This claim has not been filed with the Arizona State Office, Bureau of Land Management, in accordance with Section 314, 90 STAT. 2769, (43 U.S.C. 1744).

This cancellation was necessitated to clear the record.

The Mineral Survey Plat should be noted as follows:

"First Western Extension of the Quacharty lode, M.S. 64 was canceled April 15, 1993, by memo 9605 (942) M.S. 64, which is now a part of the original field notes."

April 15, 1993
Date

Jenny A. Talbot
Acting Chief Cadastral Surveyor of Arizona
