April 14th

1874

PRELIMINARY OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

WE Robert Smith and Richard DeKuhn
do solemnly swear that we will faithfully execute the duties of Chain Carriers;
that we will level the chain upon uneven ground, and plumb the tally pins,
whether by sticking or dropping the same; that we will report the true distance
to all notable objects, and the true length of all lines that we assist in measur-
ing. to the best of our skill and ability.

Robert Smith
Richard DeKuhn

To center of ledge at surface
Juniper Tru. and place
of beginning - comprising
 $9\frac{81}{100}$ acres.

Magnetic Variation $14^{\circ} 15'$ East

General Description

This mining claim is situated upon Eastern slope of Gordon Mountain - on unincorporated lands - about $\frac{1}{2}$ mile North East of Turkey Creek station owned by Kethroe Brothers. Said station being on Trail from Prescott to Tiger and Oak Mining Districts - about 18 miles from Prescott. Holmes Creek is at base of hill and furnishes water at all seasons of the year - A Cabin owned by John Holmes is about 200 feet West and from South East corner of claim on East bank of gulch which bears his name - A good trail leads from Mine to Turkey Creek station - a few low hills and small ridges - lie near mine - which rise into prominent peaks to the north and East - Considerable Pine some Oaks and Juniper Tru. along Eastern boundary line of claim - The Country Rock - being principally of Granite and Slate -

The ledge is located both North and South of discovery claim
The North Extension is owned by John Holmes - The South Extension is owned by James Beach. No claim is shown on West Antiquary

Lode on the East being called the
Little Prospect and owned by John
Holmes

This lode was located as
a silver mine and has been worked in
Smelter with very fair results - The ore
of mine requiring roasting. The vein
in shafts and cut averaging about
2 feet - pay streak about 12 inches
Some first and second class ore on
the dump - The end monuments being
a large Quincey Tree and large
Pocksh in ground about 4 feet - also conspicuous
corner monuments built by locators - Only 80
feet in length and 5 1/2 feet in width - monuments
fall short of original claim in notice of location

The local mining laws of
this district not in conflict with the
U.S. Mining Laws.

Public Land Survey's
not extended to vicinity of this mine.

The work performed upon this mine by
the Applicants or their Grantors consist
of Three shafts and one cut as indicated
by the foregoing Two States - amounting
in the aggregate to over (\$800)
Eight hundred Dollars -

E. S. Howard

U.S. Deputy Surveyor

FINAL OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

A list of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of the Goodwin

Mining claim
