## General Description

This claim is situated on the Hoosayampa  
Mountains and near the head of Palmetto  
Gulch and in the midst of a fine  
body of Pine and Oak timber.

The main vein bears N. easterly and  
S westerly along through the middle  
of the claim as surveyed, with a  
spur forking from the main ledge in  
the northern portion of the claim and  
bearing thence E. S. easterly.

The ore is mostly gold bearing quartz  
considerable of which has been worked  
at the Crook mill with profitable results.

The work done on the claim  
consists of shafts and cuts as repre-  
sented by the foregoing field notes  
and accompanying plat, the whole  
costing upwards of one thousand  
dollars and has been executed  
either by the present owner Fred W  
Williams or his grantors.
