LOT NO. 45.

Field Notes

of the survey of the

Tienderoga  
Mining claim

Situate in Big Bug mining district,

County of Yavapai and in Sec. 25, Tp. 13N,

Range 1W, of the Gila and Salt River Meridian,

ARIZONA.

Claimed by John A. Rush.

Survey executed by E. Burton Foster D. S.,

Under instructions dated February 5, 1879

Survey commenced March 7, 1879.

Survey completed March 7, 1879.

PRELIMINARY OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

WE, John Lloyd and Richard Strape  
do solemnly swear that we will faithfully execute the duties of Chain Carriers; that we will level the chain upon uneven ground, and plumb the tally pins, whether by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability.

Richard Strape

Correct

Field Notes of Survey of Ticonderoga Mining Claim

General Description

This claim is situated mostly along the W bank of Ticonderoga Gulch in Big Bay Mining District

The vein is chiefly of gold bearing ore some containing a slight percentage of silver

The work performed upon the claim by the claimant and his grantors consists of a long deep cut and a shaft as represented by the foregoing field notes and accompanying plat amounting in value to upwards of five hundred dollars

W. Dexter Foster  
M.D. & Surveyor  
of Mineral Lands

AFFIDAVIT OF FIVE HUNDRED DOLLARS IMPROVEMENTS.

WE, John Lloyd and Richard Shrope  
of lawful age, being first duly sworn according to law, depose and say that we are acquainted with  
the Ticonderoga  
\_\_\_\_\_ mining claim, situate in Big Bug  
\_\_\_\_\_ Mining District, Yavapai County, Arizona  
Territory, for which John A. Rush and \_\_\_\_\_  
has made application for survey prior to application for patent under the provisions of the Act of  
Congress approved May 10, 1872, and that the labor done and improvements made thereon by the  
applicant and his grantors exceed Five Hundred Dollars in value, and further that we are not  
personally interested in said mine.

John Lloyd  
Richard Shrope

SWORN to and subscribed before me this 8<sup>th</sup> day of March 1879

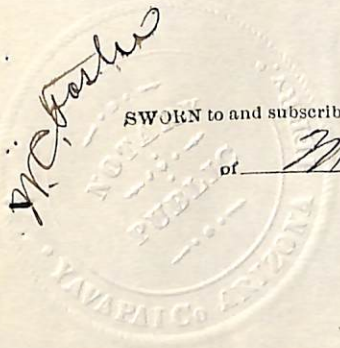

W. Foster  
Notary Public

I, Ed Burton Foster U. S. Deputy Surveyor do solemnly swear that, in pursuance of instructions from John Wasson, U. S. Surveyor-General for Arizona, bearing date the 5<sup>th</sup> day of February 1879 I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of the Ticonderoga Mining Claim claimed by John A. Rush located in Big Bug mining district, Yavapai County, and in Township No. \_\_\_\_\_ Range No. \_\_\_\_\_ of the ~~Gila and Salt River base and meridian~~ Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field-notes of such surveys.

Ed Burton Foster  
Deputy Surveyor.

8  
Ticonderoga Lode -

Notice of Location of the  
Ticonderoga, Ledge or Claim, containing  
Gold and Silver, and located as a Gold and Silver Mine.

The undersigned claims for mining purposes four-  
teen hundred (1400) feet of this Quartz Ledge in length  
along the ledge or vein and three hundred (300) feet on  
each side of the middle of the vein at the surface  
together with all the dips spurs and angles and all  
valuable mineral deposits contained therein and all  
timber growing within the limits of said Claim  
and all water and water privileges thereon or  
appertenant thereto under and according to the  
provisions of an act of Congress approved May 10<sup>th</sup> 1872  
entitled "An act to promote the development of the  
Mining Resources of the United States."

This Claim commences at this Notice which  
is posted in a conspicuous place on a stone monu-  
ment about 175 feet northerly from the old Ticonderoga  
Quartz Mill - said monument marking the South-  
westerly end of Charles Spencers Claim, located on  
what he calls the Independence and running thence  
Northwesterly (300) feet to a stone monument, thence  
South westerly (1400) feet to a stone monument, thence  
Easterly (1400) feet to a stone monument, thence North  
westerly (300) feet to the place of beginning.

This Claim may be more generally described  
as situated in the Big Bay Mining District in the  
County of Yavapai in the Territory of Arizona, and  
being that ledge upon which the old Ticonderoga Mill  
was built by Woolley & Co. The boundaries of this

Claim are marked and defined by stone monuments  
at the centre of each end of said claim and at the  
four corners thereof.

The ground hereby claimed is the ground here-  
-before claimed by Woolsey and others as the Ticon-  
-deroga, and shall be known as the Ticonderoga  
Ledge or Claim. Dated on the ground January

Filed for record January 10<sup>th</sup> 1876 at 4 o'clock  
P.M. at request of John A. Rush and duly recorded  
in Book D-4 of Mines Records of Yavapai  
County Arizona at folios 10 & 11.

William Wilkerson  
County Recorder

Territory of Arizona }  
County of Yavapai } S.S.

William Wilkerson

Recorder of Yavapai County, duly elected and  
qualified, do hereby certify that the above is  
a full true and correct copy of the notice of  
location, of the Ticonderoga Ledge or Claim  
as appears of record in Book D. H. of Mines  
on pages 10 & 11 now in my office.

Witness my hand and the said Recorder  
Seal on the twenty fifth (25<sup>th</sup>) day of  
January A.D. 1879.

William Wilkerson  
County Recorder

By W. Foster  
Deputy

U. S. Surveyor General's Office,  
Tucson, Arizona, March 18, 1879.

The foregoing field-notes of the survey of the Ticonderoga Mining claim, situated in the Big Bug Mining District, Yavapai County, Arizona, claimed by John A. Rush; survey executed by Benton Foster, D.S., under instructions from this office having been critically examined and the necessary corrections and alterations made, the said field-notes and the survey they describe are hereby approved.

John Mason  
Surveyor General.
