Approved
 W. P. Deputy Surveyor

This mine is situated in Gallupai Mining District Mohave Co Arizona about half a mile southeasterly from the town of Mineral Park on the summit of a high peak of Porphyritic granite. The gangue or matrix of the vein is quartz carrying silver in the form of a chloride with slight traces of copper.

The Strike of the vein is N 70° W and S 70° E and dip about 80° S W

The improvements are as follows viz:
 The main shaft sunk on the vein at the initial monument to a depth of 120 ft with drift running east way on the vein 20 ft from a point 10 ft above the bottom of shaft. Tunnel No. 1. 75 ft in length running on the vein and cutting the main shaft at a point 40 ft below the surface and 20 ft from the mouth of the tunnel
 A shaft 3 x 7 ft 18 ft deep
 and Tunnel No. 2 run along the vein a distance of 100 ft. With the exceptions of 20 ft in tunnel No. 1 and 50 ft in tunnel No. 2 these improvements were made by the former owner from whom the present owners derive their title I estimate the value of work done by former owner at \$2431.00 and that done by applicants at \$700.00

W. S. Deputy Surveyor

FINAL OATHS FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

6

A list of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of the Ithica Mining Claim

located in Yavapai mining district Mohave County, Arizona, showing the respective capacities in which they acted.

W M Ewing Chainman.
Louis Greer Chainman.
Axeman.
C F Painter Flagman.

We hereby certify that we assisted W Wood U. S. Deputy surveyor, in surveying the Ithica Mining Claim

claimed by The Mineral Park Mining Co located in Yavapai mining district, Mohave County, and in Township No. _____ Range No. _____

of the Gila and Salt River base and meridian, Arizona, and that said Survey has been in all respects, to the best of our knowledge and belief, well and faithfully executed, and the boundary monuments planted according to the instructions furnished by the Surveyor-General.

W M Ewing Chainman.
Louis Greer Chainman.
Axeman.
C F Painter Flagman

SWORN to and subscribed before me this 2nd day of September 1879

Wm B Blahely
Justice of the Peace

I, W Wood U. S. Deputy Surveyor do solemnly swear that, in pursuance of instructions from John Wasson, U. S. Surveyor-General for Arizona, bearing date the 27th day of August 1879 I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of the Ithica Mining Claim

claimed by the Mineral Park Mining Co located in Yavapai mining district, Mohave County, and in Township No. 23ⁿ Range No. 17^W

of the Gila and Salt River base and meridian, Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field-notes of such surveys.

W Wood Deputy Surveyor.

SWORN to and subscribed before me this 2nd day of September 1879

Wm B Blahely
Justice of the Peace

AFFIDAVIT OF FIVE HUNDRED DOLLARS IMPROVEMENTS.

WE, Ernie Sherman and W A Langley

Ithaca Mine

8

Wallapai District

Notice of Location

This mine was originally located on the 11th day of November, 1877, by Stephen Smith and the location was recorded on that day on page 147 of Book "B" mining records in the office of the Recorder of Mohave County, Arizona. and since said location the undersigned a corporation organized under the laws of the state of New York and engaged in mining business in this Territory has become and now is the sole owner of said mine. and now makes this new location under the same name and conveying the same ground. in order to comply more fully with the mining act of May 10th 1878, and by virtue of said mining act and the laws of this District the undersigned the Mineral Park Mining Company of Arizona, this day locates and claims fifteen hundred feet along this ledge, lode and vein of silver

bearing ore and three hundred feet
on each side thereof as follows.

Com-
mencing at a stone monument at
the centre of the claim and which
stands on the ledge forty feet west
of where the vein crops the main
summit of the Peak, thence run-
ning in an easterly direction 450 feet
to a like stone monument on the
Eastern end of the claim, thence
300 feet southerly to a like monu-
ment of stones. thence in a westerly
direction running parallel with the
ledge 1500 feet to a like monument
thence northerly 300 feet to a like
monument of stones on the ledge
at the Western end of the claim
thence northerly to a like monument
of stones 300 feet, the same being
the north west corner of the claim,
thence 1500 feet easterly to a stone
monument built around a dead
cedar tree and standing at the
north eastern corner of the lo-
cation, thence 300 feet southerly
to a like stone monument on the
ledge at the eastern end of this
location. This mine is situated

on Porphyrus Peak about one and
one half miles and in a south easterly
direction from the town of Mineral
Park, in Gallowai Mining District
and in Mohave County, Arizona -
The vein runs a little north of
East and a little south of West.
Mineral Park, Aug 16th 1899

"Mineral Park Mining Company
of Arizona" by its managing
Agent Ben H. Spear

Recorded at the request of Ben H.
Spear, August 21st A. S. 1899
at 12 M.

Caldwell Haight
County Recorder

I hereby certify that the foregoing is
a full, true and correct copy of the
notice of location of the "Ithaca"
mine as recorded in Book 2, pages
520 + 521, Records of Mohave
County Arizona Territory

In Witness Whereof I have
hereunto set my hand and affixed
my official seal This 21st day of
August A. S. 1899

Caldwell Haight, County Recorder

U. S. Surveyor General's Office
Tucson, Arizona, Nov. 19, 1879.

The foregoing field notes of the
survey of the *Alvira* mining
claim situated in Wallapai
mining district, Mohave County,
Arizona, claimed by the Mineral
Park Mining Co. of Arizona;
survey executed by D. W. Wood,
D.S., under instructions from
this office, having been critically
examined and the necessary
corrections and alterations made,
the said field notes and the
survey they describe are hereby
approved.

John Patton,
Surveyor General.
