Report and Field notes of the
establishment of the U.S. Mineral
Monument N:1 in Pioneer Dist
Pinal County, ^{Ariz.} in accordance with
instructions from the U.S. Surveyor Genl
dated Jan 22nd 1881.

Established Jan 31st 1881

by U. A. Merritt
U. S. Deputy M. Sur.

4
January 31st 1881.

I this day established a U.S. mineral monument, on the mesa about 1200 feet south of Queen Creek and about $\frac{1}{4}$ mile nearly south west from the mouth of Queen Creek cañon, in Pioneer Dist Pinal County A. T. by planting two feet in the ground, a willow post $5\frac{1}{2} \times 5\frac{3}{4}$ inches and 4 feet and 7 inches long, marked U.S. M. M. N^o. 1. For dirt to make a mound around the post I dug two pits 18×24 inches 12 inches deep one due north of post 25 (10) feet, the other due south of the post 25 (10) feet. From this monument the centre of a quartzite boulder 7 feet above the ground $4\frac{1}{2}$ feet wide and $8\frac{1}{2}$ feet long (the long way of the boulder is east and west) bears $S 12^{\circ} 55' E$ variation $13^{\circ} 20' E$ 820 feet distance. Said boulder is the north and largest of several which lay about 300 feet west of a little well or spring, this is the only spring anywhere near.

From this monument a ^{large} quartzite boulder with a + on the top bears $S 86^{\circ} 10' E$ var $13^{\circ} 20' E$. 613.8 feet.

From this monument the top of a mountain with a conical peak bears

$S 9^{\circ} 25' W$ var $13^{\circ} 20' E$

" " " a chimney peak bears

$S 28^{\circ} 27' W$ var $13^{\circ} 20' E$

" " " the top and southernmost point of Picket Post. (Pinal) butte bears $S 55^{\circ} 10' W$ var $13^{\circ} 20' E$

I obtained variation by an observation on the Polar Star when crossing the meridian variation $13^{\circ} 20' E$

This U.S. Mineral Monument N^o. 1 established Jan 31st 1881.

Notice of Location.

The undersigned has this 12th day of July A.D. 1879, located & claim (500) fifteen hundred feet in length by (500) five hundred feet in width, bounded as follows = Commencing at the North end of "Tur-riser No 2" and runs North to a monument of stone (500) fifteen hundred feet. Runs parallel and is bounded by the "Gem" on the East, and on the West for (500) Seven hundred & fifty feet from Queen Creek by the "Nastings" mine. We claim all privileges granted by the mineral laws of the United States, and the District laws of Pioneer Mining District, dated Queen, Pinal County, Territory of Arizona this 12th day of July 1879. It shall be known as the "Windsor"

A. H. Crocker.

Filed and recorded at request of A. H. Crocker July 24th 1879 at 30 min past 5 o'clock P.M. in book 3 of mines at page 367.

The above and foregoing location notice (with memorandum of record) is a copy of the original location of the "Windsor" mine, Now in order to more fully comply with Section 2324

United States Revised Statutes and
 Department regulations thereunder, the
 undersigned claimant and owner by
 purchase, describes the locus of said
 claim as follows: The "Windsor" claim
 commencing at the North bank of
 Queen Creek, and extending in a North-
 -ely direction fifteen hundred (1500) feet,
 covers some of the "mesa", and the base
 of the mountain first arising on the
 North side of Queen Creek, as you as-
 -cend said Creek from Pinal City, and
 about three miles distant therefrom,
 In other words the "Windsor" claim
 covers the base of the mountain and
 some of the "mesa" adjoining on the
 North side of the creek where it emerges
 from "Queen Creek Canyon" into the "mesa".
 Dated Queen Creek January 10th 1881.
