Survey No ³⁹ ~~38~~

Oct: 4th 1881

J. E. Townsend
 U.S. Deputy Min. Surveyor

Report of Survey of "Mendocino Mine"
Silver Mining District, Yuma Co. A.T.
Oct. 6th 1881

Hon. John Wasson
U.S. Surveyor General

Sir. In accordance with your instructions dated Sept 27th 1881, I did on the 3rd and 4th days of Oct. make an official Survey of the "Mendocino Mine" for S.S. Draper and others. - I found the mine as described in the Notice of Location, and made the survey according to the monuments. The mine is in Granite formation, and shows very large surface outcroppings, - and a probable width of 100 feet. one vertical shaft is sunk on the ledge, 4 x 6 feet and 46 feet deep, also one opening is made across the vein or ledge, 6 x 8, and 20 feet long, this work has all been done by Claimants and is worth at least over Five Hundred (500) Dollars.

Very Respectfully
O. H. Brown
U.S. Deputy Min. Surveyor

FINAL OATHS FOR SURVEYS OF MINING CLAIMS & MILL SITES.

A LIST of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of "Mendocino" Mining Claim located in Silver Mining District, Yuma County, Arizona, showing the respective capacities in which they acted.

Arthur H. Douglas Chainman.
John Hart Chainman.
Axeman.
Flagman.

WE hereby certify that we assisted O. F. Townsend U. S. Deputy Surveyor, in surveying Mendocino Mining Claim claimed by Wm H Peck, J B Brooks and S S Draper located in Silver Mining District, Yuma County, and in Township No Range No of the Gila and Salt River base and meridian, Arizona, and that said Survey has been in all respects, to the best of our knowledge and belief, well and faithfully executed, and the boundary monuments planted according to the instructions furnished by the Surveyor General.

Arthur H. Douglas Chainman.
John Hart Chainman.
Axeman.
Flagman.

SWORN TO AND SUBSCRIBED before me this 4th day of October 1881

O. F. Townsend Notary Public

I, O. F. Townsend U. S. Deputy Surveyor, do solemnly swear that, in pursuance of instructions from the U. S. Surveyor-General for Arizona, bearing date the 27th day of September 1881, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of "Mendocino" Mining Claim claimed by Wm H Peck, J B Brooks and S S Draper located in Silver Mining District, Yuma County, Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field notes of such surveys.

O. F. Townsend Deputy Surveyor.

SWORN TO AND SUBSCRIBED before me this 6th day of October 1881

James Hardy Esq, County Recorder of Yuma County, A. T.

Notice is hereby given that I the undersigned under the provisions of an act of Congress of the U.S. approved May 10th. 1872 entitled an act to develop the Mining Resources of the United States has this day located and does claim fifteen hundred linear feet on or along this mineral bearing lode or vein and running from this stone notice monument in a North westerly direction, and also claim three hundred feet on each side of the centre of the lode or vein along the whole extent of this claim with all dips, spurs and angles thereof, I have placed four monuments, one at each corner of this claim, which shall be known as the Mendivil Lode, and is situated in Silver District, Yuma County Arizona Territory about two miles S. Easterly from Pilot Knob. Dated on the ground Jan'y 20th. 1879.
