place of beginning.

Containing 19.82 acres.

General Description

This claim has produced large

5  
7

Field Notes of the Survey of the  
Gum Light Mining Claim.

quantities of high grade Ore, and  
work to develop the claim is  
now being vigorously prosecuted.

The improvements on the  
claim consists of Tunnels, Shafts,  
Levels, Drifts, Winzes, cuts, etc  
amounting in value to \$300,000<sup>00</sup>  
and ~~was~~<sup>were</sup> performed by the applic-  
ants and their grantors.

I. D. Gillson  
U. S. Dep. Min. Surveyor.

FINAL OATHS FOR SURVEYS OF MINING CLAIMS & MILL SITES.

A LIST of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of The Gun Site Mine (Silver Mine) located in the Meyers Mining District, Pima County, Arizona, showing the respective capacities in which they acted.

- J. C. Stewart Chainman.
- Thomas Jackson Chainman.
- Andrew Hunter Axeman.
- Thomas Anderson Flagman.

WE hereby certify that we assisted J. D. Chillson U. S. Deputy Surveyor, in surveying the Gun Site Mine Silver Mine claimed by The Gun Site Consolidated Silver Mining Company located in the Meyers Mining District, Pima County, and in Township No. \_\_\_\_\_ Range No. \_\_\_\_\_ of the Gila and Salt River base and meridian, Arizona, and that said Survey has been in all respects, to the best of our knowledge and belief, well and faithfully executed, and the boundary monuments planted according to the instructions furnished by the Surveyor General.

- J. C. Stewart Chainman.
- Thomas Jackson Chainman.
- Andrew Hunter Axeman.
- Thomas Anderson Flagman.

SWORN TO AND SUBSCRIBED before me this first day of December 1881

J. D. Chillson  
Notary public

I, J. D. Chillson U. S. Deputy Surveyor, do solemnly swear that, in pursuance of instructions from the U. S. Surveyor-General for Arizona, bearing date the 12 day of November 1881, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of Mineral land known as the Gun Site Mine claimed by The Gun Site Consolidated Silver Mining Company located in the Meyers Mining District, Pima County, Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field notes of such surveys.

J. D. Chillson Deputy Surveyor.

SWORN TO AND SUBSCRIBED before me this 28 day of December 1881

Paul Riecker  
Notary Public

Gun Sight Mine.

Notice of Location. - Notice is hereby given that we the undersigned in compliance with the requirements of the Mining Act of Congress approved May 10 1872 have this day located and claim fifteen (1500) hundred linear feet along the course of this lead lode or vein of mineral bearing quartz and three (300) feet in width on each side of the middle of said lead lode or vein, situate in the Myers Mining District, County of Pima Arizona, and more particularly described as follows, to wit: Commencing at this monument of stone, being the center of the north easterly end of claim and upon which this notice is posted; thence Southeasterly three 300 feet to a monument of stone; thence Southwesterly fifteen (1500) feet to a monument of stone; thence North westerly three 300 feet to a monument of stones being the center of Southwesterly end of claim; thence northwesterly three (300) feet to a monument of stone; thence north easterly fifteen (1500) feet to a monument of stone thence Southeasterly three (300) feet to the place of beginning. This claim is situated in Pima County Myers Mining District, Pima County southern Arizona in what is known as the Granite Mountains and shall be known as the Gun Sight Mine.

Located this 25<sup>th</sup> day of November 1878. 10.

#### General Description.

This Mill Site claim is located  
along the banks of a Creek  
and is taken in connection with  
the Gunn Light Mining Claim

The claimants or their grantors  
have expended on said Gunn Light  
Mining Claim labor and impro-  
vements amounting in value  
to more than \$30000.00

In addition to which the claimants  
have dug a substantial Well 40 ft  
deep and well timbered

The land embraced within the  
limits of this claim is strictly  
non Mineral in character
