LOT NO. 39

Survey No. 314

Field Notes

of the survey of the

Silver Bell Quartz Lode

— Mining Claim —

Pioneer

Situate in _____ mining district,

County of Pinal and in Sec. _____, Tp. 3 S

Range 12 E, of the Gila and Salt River Meridian.

Arizona.

Claimed by Pinal Consolidated Mining Com-
pany.

Survey executed by Gustavus Cox D. S.

Under instructions dated November 17th 1881

Survey commenced November 22^d 1881

Survey completed November 22^d 1881

PRELIMINARY OATHS

FOR SURVEYS OF MINING CLAIMS AND MILL SITES.

WE, *J. H. Anderson* and *Martin Fitzmaurice*
do solemnly swear that we will faithfully execute the duties of Chain Carriers; that we will level the chain upon uneven ground, and plumb the tally pins, whether by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability.

 Mining Claim. Containing an area
of 20.63 acres

Report

The Silver Bell Quartz Lode Mining Claim is located near the head of Blue Bird Cañon, which is the westerly branch of the Martinez Cañon, in a North 60° 50' Easterly direction from Florence and about 8 miles South from Pinal City, Pinal County in the Territory of Arizona at an altitude of about 3700 feet above the level of the Pacific Ocean. The surface of the claim is very rough and broken with high Bluffs of Rock of Quartzite and Porphyry which form the walls of the Lode. There is no timber on the claim only scattered Palo Verde and Mesquite. The Lode strikes in a north westerly direction towards Columbia Point and dips about 54° - 61° westerly. The hanging wall consist of Porphyry and the foot wall of Quartzite.

Field Notes of the Survey of the Silver Bell Quartz Lode Mining Claim

The work done on the Claim is as follows
1st incline shaft. 200 ft. deep
2^d The Silver Bell tunnel 200 ft. long

And I hereby certify that the improvements
upon this claim which is executed by
the applicant exceeds in value the sum
of Five hundred Dollars

Gustavus Cox
U. S. Dep. Mineral Surveyor

FINAL OATHS FOR SURVEYS OF MINING CLAIMS & MILL SITES.

A LIST of the names of individuals employed to assist in running, measuring, or marking the lines and corners described in the foregoing field-notes of the survey of Silver Bell Quartz Lode Mining Claim, ~~XXXXXX~~ located in Pioneer Mining District, Pinal County, Arizona, showing the respective capacities in which they acted.

J. K. Anderson Chainman.
Martin Fitzmaurice Chainman.
Axeman.
Flagman.

WE hereby certify that we assisted Gustavus Cox U. S. Deputy Surveyor, in surveying The Silver Bell Quartz Lode Mining Claim, ~~XXXXXX~~ claimed by The Pinal Cons. Mining Company located in Pioneer Mining District, Pinal County, and in Township No. _____ Range No. _____ of the Gila and Salt River base and meridian, Arizona, and that said Survey has been in all respects, to the best of our knowledge and belief, well and faithfully executed, and the boundary monuments planted according to the instructions furnished by the Surveyor General.

J. K. Anderson Chainman.
Martin Fitzmaurice Chainman.
Axeman.
Flagman.

SWORN TO AND SUBSCRIBED before me this 28th day of November 1881

W. J. Stone
Notary Public
Pinal Co. A. T.

I, Gustavus Cox U. S. Deputy Surveyor, do solemnly swear that, in pursuance of instructions from the U. S. Surveyor-General for Arizona, bearing date the 17th day of November 1881, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of The Silver Bell Quartz Lode Mining Claim, ~~XXXXXX~~ claimed by The Pinal Consolidated Mining Company located in Pioneer Mining District, Pinal County, Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field notes of such surveys.

Gustavus Cox Deputy Surveyor.

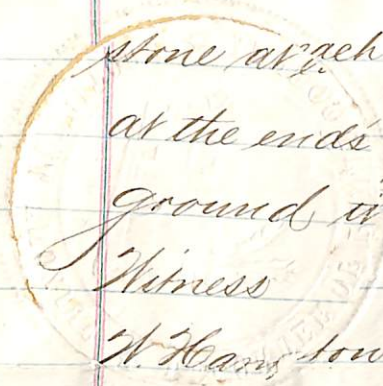

SWORN TO AND SUBSCRIBED before me this 8th day of December 1881

W. J. Stone
Notary Public
in & for Pinal County
Territory of Arizona

Notice of Location

The undersigned have this day located the mineral ground upon which this notice is placed, as a mining claim under the laws of the U.S. The said claim shall be known as the "Silver Belle Quartz Lode" It is situated in Pioneer Mining District Pinal County Arizona and described as follows: Commencing at this monument of stone where this notice is placed, running thence 150 feet in a northerly direction to another monument of stone by us there erected, and along the ledge lode or vein; and we claim 300 feet on each side of said center line forming a surface parallelogram of 150 feet by 600 feet. This mining ground is about One mile northerly from the Martinez mine and is distinctly marked on the ground by monuments of stone at each of the four corners of the claim and at the ends of the center line. Dated on the ground this 9 December A.D. 1880

J. W. Devine County Recorder in and

for the said County of Pinal do hereby certify that
the above and foregoing is a full true and
Correct copy of the Notice of Location of the
"Silver Belle Quartz Lode" as the same
appears of Record in my office in Book
5 of Mines Page 5.

In Witness Whereof I have hereunto set my
hand and affixed my Official
Seal this 2^d day of July A.D. 1881
Geo J Devine Recorder
By W. L. Griffin Deputy.

Certified Copy of
Notice of Location
of
Silver Belle Quartz
Lode.

AFFIDAVIT OF FIVE HUNDRED DOLLARS IMPROVEMENTS.

We, C. H. Wheeler and W. A. Hall
of lawful age, being first duly sworn according to law, depose and say that we are acquainted with the
Silver Bell Quartz Lode
mining claim, situate in Pioneer
Mining District, Pinal County, Arizona
Territory, for which The Pinal Consolidated Mining Company
has made application for survey prior to application for patent under the provisions of the Act of
Congress approved May 10, 1872, and that the labor done and improvements made thereon by the appli-
cant and its grantors exceed Five Hundred Dollars in value, and further that we are not per-
sonally interested in said mine.
