being first duly sworn deposes and says - I am a resident of Gila County Territory of Arizona - I am acquainted with the situation - location and workings of the mine ^{and} mining location claim - known as the "Chicago Mine" situated in Globe Mining District - Gila County Arizona - and now being possessed ^{and} worked by the Old Dominion Copper Mining Company - My acquaintance and knowledge has been gained by an actual inspection of the ground and the improvements and workings thereon. I have examined the plat of said mining claim executed by A. G. Puddleton U.S. Dep. Mineral Surveyor from a survey made - November 9th / 881 -

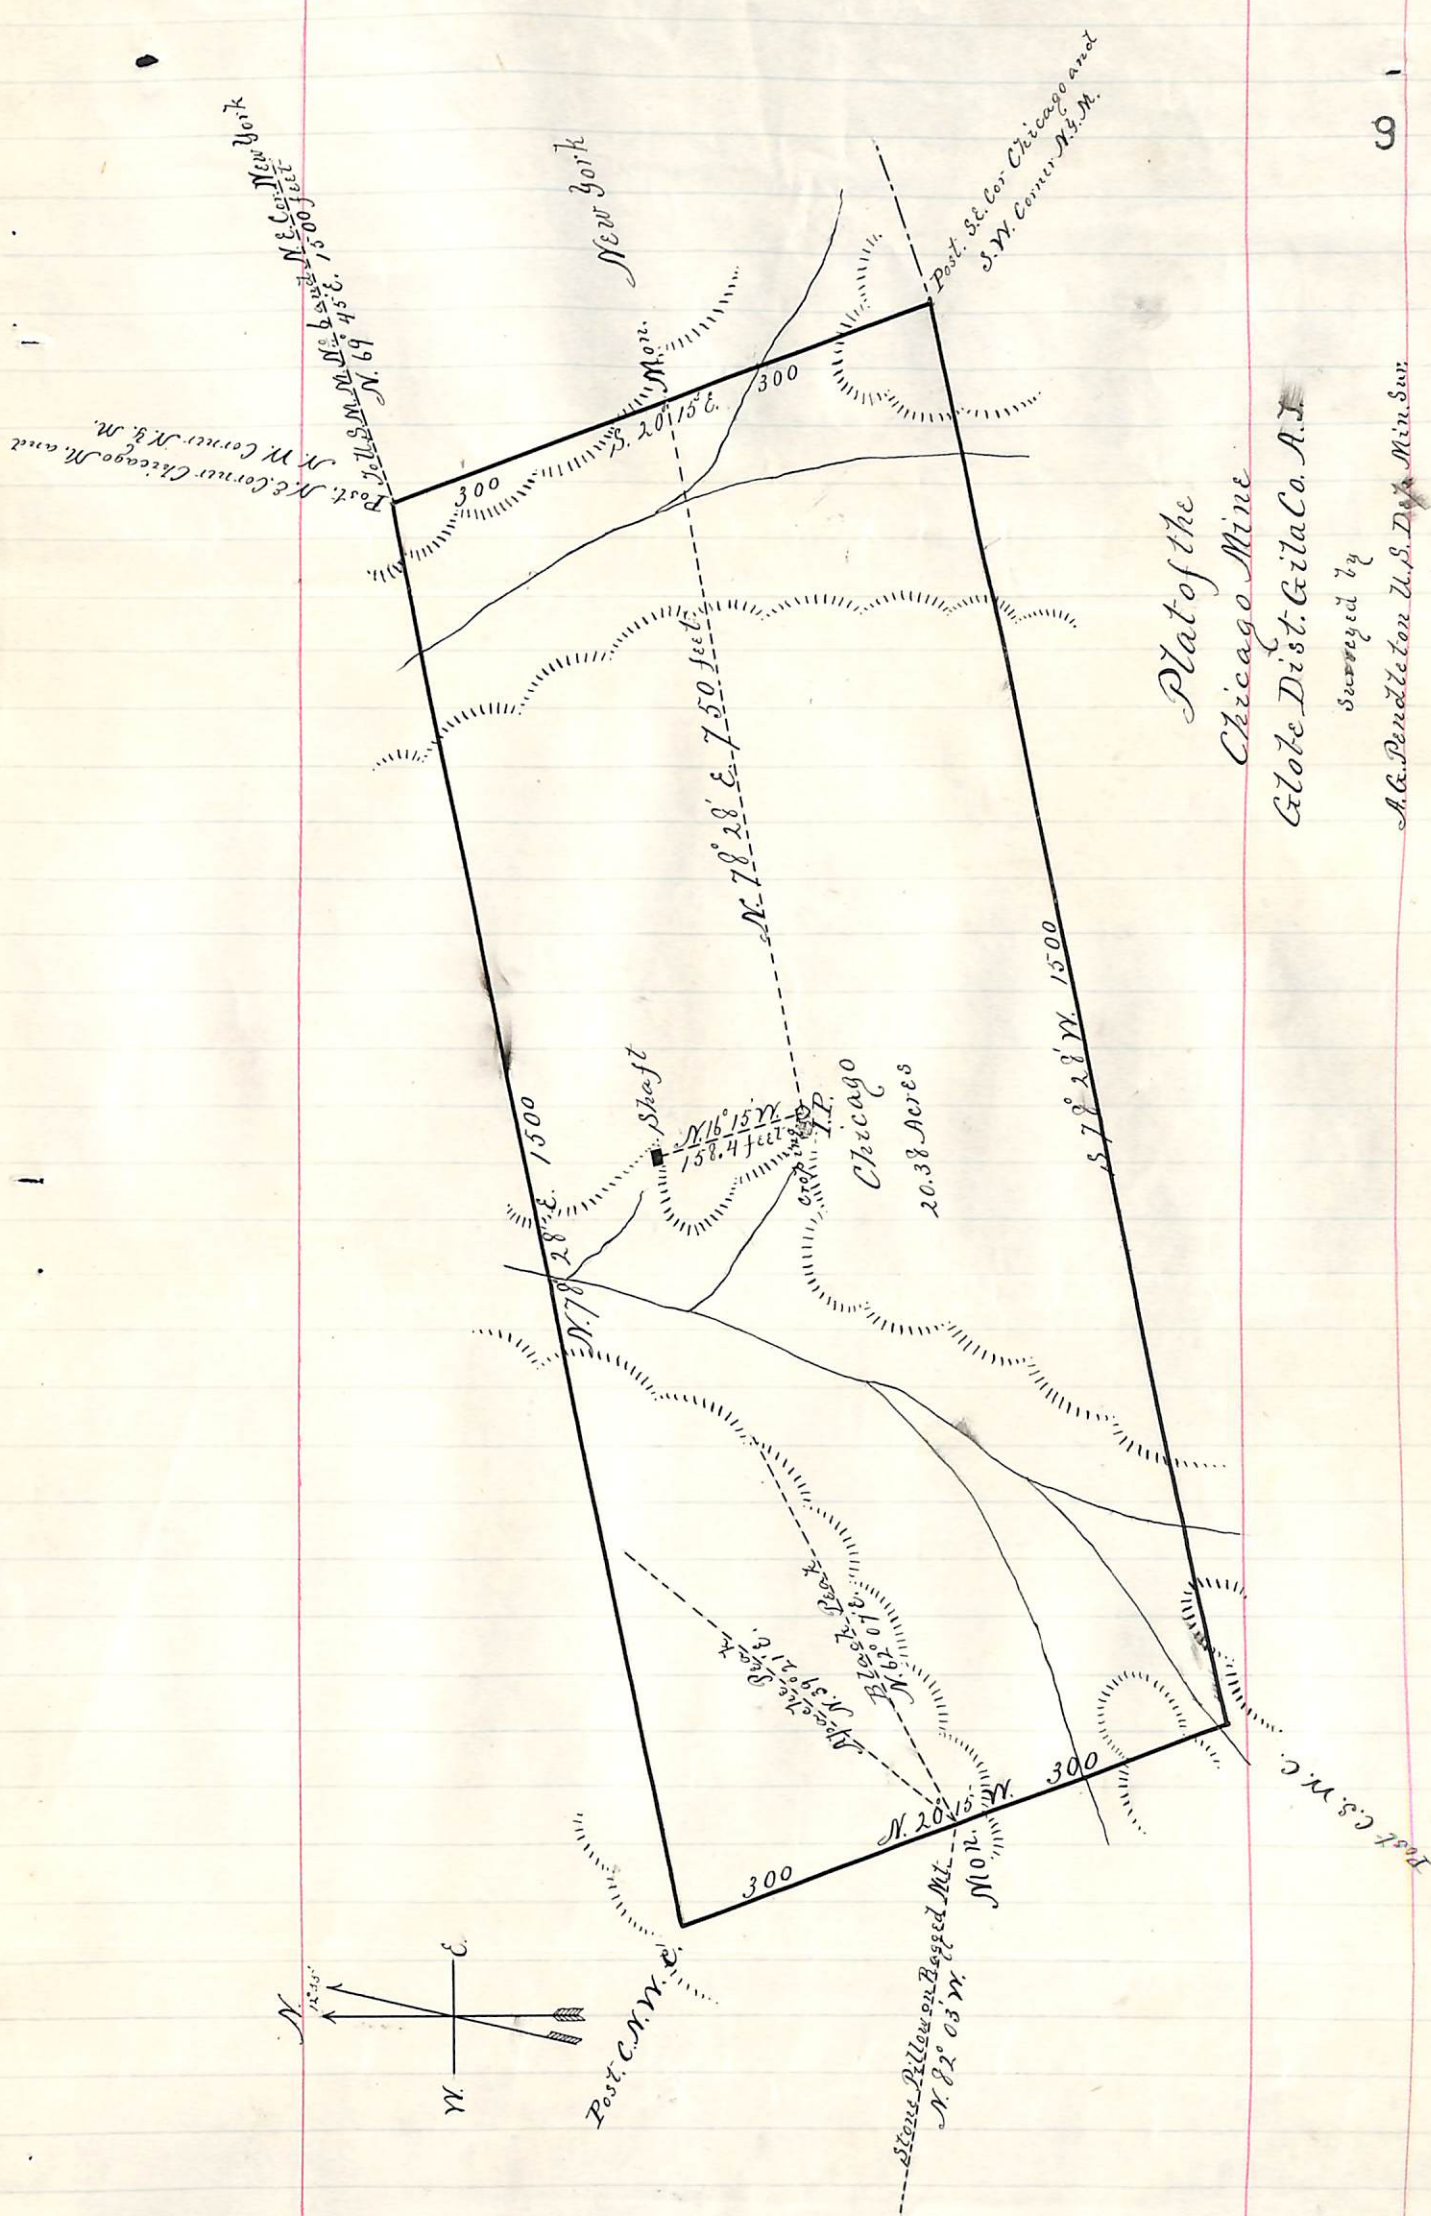

The shaft feet deep on said claim designated on said plat - with the following mark - to wit: " - " and marked "Shaft" - is not on the lode lead or vein of said "Chicago mine" - but is upon a "stringer" or "spur" of said lead lode or vein - The point designated on said plat with the following mark to wit: " o " - and

marked "I.P." is upon the middle point^s
of the lead lode and vein of said
Chicago Mine - and said Initial
Point marked "I.P." is upon the
middle point of the lead, lode and
vein from which and by which -
the location of the "Chicago" mine and
"mining claim" - was made and is
claimed - that said lead lode or
vein is clearly distinguishable from
"croppings" and surface indications
at said point marked "I.P." on said
plot.
