SWORN TO AND SUBSCRIBED before me this seventh day of May 1884

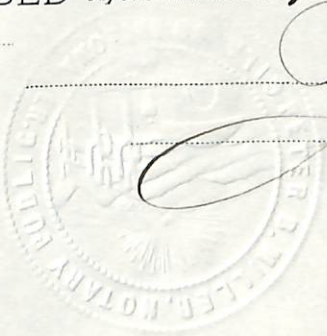

C. H. Wallace
Notary Public

I, Clarence A. Wallace U. S. Deputy Surveyor, do solemnly swear that, in pursuance of instructions from the U. S. Surveyor-General for Arizona, bearing date the 17th day of April 1884, I have well, faithfully and truly, in my own proper person, and in strict conformity with the instructions furnished by the Surveyor-General and the laws of the United States, surveyed all those portions of the boundaries of the Pontiac Mining claim claimed by the Matamora Co's. Mining Co. located in Globe Mining District, Gila County, Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and I do further solemnly swear that all the corners of said surveys have been established and perpetuated in strict accordance with the instructions furnished me, and that the foregoing are the true and original field notes of such surveys.

Clarence A. Wallace Deputy Surveyor.

SWORN TO AND SUBSCRIBED before me this 9th day of May 1884

P. Miller
Notary Public

AFFIDAVIT OF FIVE HUNDRED DOLLARS IMPROVEMENTS.

of *May* 188*4*

C. H. Wallace
Notary Public.

Vine or Lode Mining Location Notice

Notice is hereby given that the undersigned, have this day claimed fifteen hundred linear feet undivided along the course of the Black Ledge Mining Claim (Re Located as the Pontiac Mining Claim) vein, lode or mineral deposit, as authorized by the second section of the Mining Act of Congress, approved May 10th, 1872, the said vein lode or deposit extending in a northeasterly and southwesterly direction as near as can be determined from present developments; the claim hereby located running northeasterly the distance of twelve hundred (1200) feet and southwesterly the distance of three hundred (300) feet from the discovery shaft on said mineral vein or deposit; from the mouth of which said shaft a Juniper tree blazed and marked XXX----- bears westerly at the distance of about Ten (10) feet and Bold Iron coped Croppings,

bears on line of vein----- at the distance of about ----- feet; the surface ground claimed in connection with said Pontiac----- vein, lode or mineral deposit being six hundred (600) feet in width, the same extending three hundred feet (300) on each side of the middle of the vein at

the surface as allowed by the Mining regulations and customs of the Globe Mining District, County of Pinal and Ter of Arizona in which said mining claim is situated. The mining ground hereby claimed and taken up is so marked by stakes and monuments at the corners thereof that its boundaries may readily be traced upon the surface, as required by law; the mining ground adjoining this claim upon the North being the Annie Re Located as the Wisconsin Mining Claim; the adjoining mining ground on the South being known as the St Louis Re Located as the Minnabago Mining Claim; the discovery shaft on said Minnabago mine being distant about seven hundred (700) feet Southwesterly from the discovery shaft on the Pontiac Mining Claim hereby located.

James H. Wilcox.

Pasted conspicuously upon a stone monument at the discovery shaft upon said Pontiac Mining Claim on the Fifteenth day of February A.D. 1877 in the presence of

Witness | Fred A. Kilder.

Territory of Arizona, County of Gila, ss.

I, P. B. MILLER, County Recorder, in and for said County, Territory aforesaid do hereby certify that the above and foregoing is a full, true and correct copy of the Notice of

Location of the Pontiac Mine

as the same appears of record in my office, in Book 3 of Mines at Page 60

Given under my hand and official seal this 12th day of February 1887
