SURVEY NO. 6.6.3

Field Notes

of the Survey of the

Josephine

Mining Claim

Situate in Tyndall Mining District.

County of Pima and in Sec. } ~~213~~ 20, Twp } 21S

Range } 14E, of the Gila and Salt River Meridian.

ARIZONA.

Claimed by Wisconsin and Arizona Mining Company.

Survey executed by A. W. Unthank D. S.

Under instructions dated September 17<sup>th</sup> 1884

Survey commenced " 23<sup>rd</sup> 1884

Survey completed " 25<sup>th</sup> 1884

# PRELIMINARY OATHS,

FOR SURVEYS OF MINING CLAIMS AND MILL-SITES.

WE, John E. Magee and William A. Gravist

do solemnly swear that we will faithfully execute the duties of Chain Carriers; that we will level the chain upon uneven ground, and plumb the tally pins, whether by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability.

To mon. and post J. J. M. No. 1  
place of beginning,  
Area  
Total area of claim 20.66 acres.

### Location

This claim is located in Tyndall Mining District Pima County Arizona, and lies on the south side of a hill sloping down to the Josephine Cañon and 7163 feet north of the summit of the Helvetia Hill that has the U.S. Mineral Monument on it.

### Improvements

Made upon this claim by claimants or grantors consist of a shaft 5' x 7' 65 feet deep half on the Josephine mine and half on the Emma mine N. 16° 14' E. 9 feet to centre of shaft, from <sup>post</sup> J. J. M. No. 1. a shaft 5' x 6' 25 feet deep N. 78° 46' W. 183 feet from <sup>post</sup> J. J. M. No. 1. a shaft 4' x 6' 10 feet deep N. 73° 46' W. 291 feet from <sup>post</sup> J. J. M. No. 1.

and I hereby certify that the value of said improvements exceeds the sum of five hundred dollars.

Instruments used a Heller & Brightly Transit and steel chain.

Var. found by observation on Polaris at its eastern elongation and courses taken from the true meridian.

# Amended Vacation Notice

Notice is hereby given that the undersigned in compliance with the requirements of the Mining Act of Congress approved May 10<sup>th</sup> 1872 has this day located and claims Fifteen hundred linear feet along the course of this lead lode or vein of mineral bearing quartz and Three hundred feet in width on each side of the middle of said lead lode or vein situate in the Tyndall mining district county of Pima Territory of Arizona and more particularly described as follows to wit; - Commencing at this monument of stones being the center of the East end of claim placed near an old shaft and upon which this notice is posted, thence North 300 feet to a monument of stones, thence west 1500 feet to a monument of stones, thence South 300 feet to a monument of stones being the center of the west end of claim, thence South 300 feet to a monument of stones thence East 1500 feet to a monument of stones, thence North 300 feet to the place of beginning.

This claim adjoins the Emma Mine on its East end. It is about three quarters of a mile North from the Bonanza Mine which is a Patented claim and lies on a side hill sloping down to the Josephine arroyo from the North side. The claim is about 150 yards from the old trail leading from Hacienda del Santa Rita up the Josephine arroyo on the North side of said trail and said trail enters said Josephine arroyo opposite said claim and we name it the Josephine Mine. This location is made to amend a location made April 22<sup>nd</sup> 1877 and recorded in Book B on Page 644 for the purpose of perfecting said location so it can be surveyed and Patented.

Answered to Question Notice

Notice is hereby given that the undersigned  
 of Virginia appeared May 10<sup>th</sup> 1877 for the day located  
 and claims Fifteen hundred linear feet along the  
 course of this lead lode or vein of minerals bearing  
 quartz and three hundred feet in width on each side  
 of the middle of said lead lode or vein situated in the  
 Virginia mining district county of Prince George  
 to wit: - Commencing at the monument of stones  
 being the center of the east end of claim places near on  
 east shaft and upon which this notice is posted, thence  
 North 300 feet to a monument of stones, thence west 1500  
 feet to a monument of stones, thence South 300 feet to a  
 monument of stones being the center of the west end  
 of claim, thence South 300 feet to a monument of stones  
 thence East 1500 feet to a monument of stones, thence  
 North 300 feet to the place of beginning.

This claim again the same line on its East end.  
 It is about three quarters of a mile North from the  
 average line which is a potential claim line  
 on a side line sloping down to the West side  
 from the North side. The claim is about 1500 feet  
 from the east line bearing from the North side  
 into up the prophetic average on the North side  
 of said line and said line being the center  
 average opposite said claim and the monument  
 the prophetic line. This location is made to  
 a location made this 21<sup>st</sup> 1877 and recorded  
 in book 10 on page 644 for the purpose of perpetuating  
 said location so it can be surveyed and patented.

 of September 1884 at Calabazas  
G. W. Atkinson  
 Justice of the Peace  
 Precinct No 16

I, A. W. Muthank U. S. Deputy Surveyor, do solemnly swear that, in pur-  
 suance of instructions from the U. S. Surveyor-General for Arizona, bearing date the 17<sup>th</sup> day of  
September 1884, I have well, faithfully and truly, in my own proper person, and in  
 strict conformity with the instructions furnished by the Surveyor-General and the laws of the United  
 States, surveyed all those portions of the Josephine and Helvetia  
~~mining claims~~ mine  
 claimed by Wisconsin & Arizona Mining Company  
 located in Syndall Mining District, Pima County,  
 Arizona, as are represented in the foregoing field-notes as having been surveyed under my directions; and  
 I do further solemnly swear that all the corners of said surveys have been established and perpetuated in  
 strict accordance with the instructions furnished me, and that the foregoing are the true and original field  
 notes of such surveys.

A. W. Muthank Deputy Surveyor.
