Mining Claim (by claimants
or grantors) in connection with
which this mill site is latter

Consist of a shaft 8' x 6' by 20 ft
deep. a shaft 6' x 4' by 50 ft deep.

A tunnel 6' x 4' 15 ft deep *long.*

A shaft 6' x 4' 60 ft deep

A shaft 6' x 4' 60 ft deep

And I hereby certify that
the value of said improve-
ments exceeds the sum of
five hundred dollars.

Instruments used a Gurley Transit
and 50 ft Steel chain

Bear and Courses determined
by observation of Polaris.

C. D. Foster

U.S. Deputy Mineral Surveyor

October 19th 1889.

Non-Mineral Affidavit.

TERRITORY OF ARIZONA, }
County of Mohave } SS.

A. J. Shrope and T. McMahon of said County and Territory, being first duly sworn, each for himself and not one for the other, deposes and says that he is well acquainted with the land of the "Antler" mill-site claim situated in Cedar Valley Mining District ~~Gila and Salt River Meridian~~, in the County of Mohave and Territory of Arizona, claimed by William E. Dodge and D. Willis James applicants for United States patent therefor; that he is well acquainted with the character of said described land included within the boundary lines as officially surveyed by C. B. Foster United States Deputy Surveyor, having frequently passed over the same; that his knowledge of such land is such as to enable him to testify understandingly with regard thereto; that there is not to his knowledge within the limits thereof any vein or lode of quartz or other rock in place bearing gold, silver, cinnabar lead, tin or copper or any deposit of coal; that there is not within the limits of said land, within his knowledge, any placer, cement, gravel or other gravel mineral deposits; that no portion of said land is claimed under the local customs or rules of miners or otherwise; that no portion of said land is worked for minerals during any part of the year by any person or persons; that said land is essentially non-mineral land, and that there is within the boundaries of said ^{Antler Mining} claim improvements, to-wit: Two Shafts 6x4: 60 ft deep - A tunnel and other Shafts: That the value of said improvements exceeds the sum of Five Hundred Dollars: That this mill site claim is taken in connection with the said Antler Mining Claim and that he has no interest whatever in said described mill-site claim.

A. J. Shrope
T. McMahon

SUBSCRIBED AND SWORN to before me this 19th day of October A. D. 1889; and I hereby certify that the foregoing affidavit was read to the said A. J. Shrope and T. McMahon previous to their names being subscribed thereto, and that deponents are reputable persons to whose affidavits full faith and credit should be given.

 Notary Public

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, C. B. Foster, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Oct 7th, 1889, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the ^{Mill Site} Mining Claim of Wm E. Dodge and D. Willis James, known as the "Antler Mill Site", situate in Cedar Valley Mining District, Mohave County, Arizona, in Section _____ Township No. _____ Range No. _____ and designated as Survey No. 905, as represented in the foregoing field notes, which accurately show the boundaries of said ^{Mill site} mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon ^{the Antler} said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

C. B. Foster
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said C. B. Foster,
U. S. Deputy Mineral Surveyor, before me
a Notary Public this 25th
day of October, 1889.

John J. Hawkins
Notary Public

Antler Millsite

Notice of Location

Know all men by these presents, that we the undersigned have this day located five acres of land and all the waters therein contained, for a millsite in connection with the Antler mine, bounded and more particularly described as follows, to wit, Commencing at this monument and notice placed at the Southwest Corner of the millsite, and running from thence in a northerly direction 466 $\frac{2}{3}$ feet to a monument at N. W. Corner of Claim; thence Easterly 466 $\frac{2}{3}$ feet to monument at N. E. Corner of Claim, thence Southerly 466 $\frac{2}{3}$ feet to monument at S. E. Corner of Claim, thence westerly 466 $\frac{2}{3}$ feet to monument at S. W. Corner and place of beginning

This Claim is situated about half a mile northerly from the Old Putnam Spring and about one mile Easterly from the "Antler" mine in Cedar Valley Mining District, Mohave County, Arizona Territory, and shall be known as the "Antler" millsite
