A. G. Howe
U. S. Deputy Mineral Surveyor.

Tombstone Feb 10th 91.

Affidavit of Five Hundred Dollars Improvements.

We, Jas H Hart and James Pyles
 of lawful age, being first duly sworn according to law, depose and say: that we are acquainted with the
"Tom Scott" mining claim, situated in
the Turquoise Mining District, Cochise County,
 Arizona Territory, for which

Silas A Bryant
 has made application for survey prior to application for patent under the provisions of the Act of
 Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the
 applicant and his grantors exceed Five Hundred Dollars in value, and further that we are not
 personally interested in said mine.

Jas H Hart
James Pyles

 _____, Flagman.

Subscribed and sworn to by the above-named persons before me
 this 15th day of January, 1891.

Chas. G. Whistler
Notary Public

(4-686.)

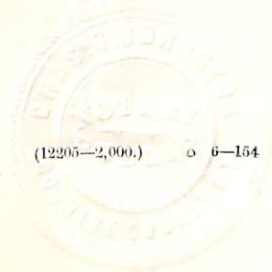

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, A. G. Howe, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Dec 24th, 1890. I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of Silas A Bryant, known as the Tom Scott, situate in Turquoise Mining District, Cochise County, Arizona in Section Township No. Range No. and designated as Survey No. 956, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

A. G. Howe
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said A. G. Howe
U. S. Deputy Mineral Surveyor, before me Charles G. Johnston
this twentieth
day of February, 1891.

Charles G. Johnston
Notary Public
