FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

E. H. Dickey

KNOWN AS THE

"Potard"

Yavapai County, Arizona Mining District, Big Bug

Section _____, Township 12 N., Range 1 W.

Surveyed under instructions dated July 30th, 1892
by J. J. Fisher,
U. S. Deputy Mineral Surveyor.

Claim located (Amended Locative) July 15th, 1892

Survey commenced Aug. 8th, 1892

Survey completed Aug. 9th, 1892

o 6-160

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, A. W. Miller and A. Marx,
do solemnly swear that we will well and faithfully execute the duties of chain carriers;
that we will level the chain upon even and uneven ground and plumb the tally-pins,
either by sticking or dropping the same; that we will report the true distance to all
notable objects, and the true length of all lines that we assist in measuring, to the best
of our skill and ability, and in accordance with instructions given us, in the survey of
the Mining Claim of E. M. Dickey
....., known as the
Pocant
situate in Big Bug mining district,
Yavapai County, Arizona
in Section, Township No., Range No.

A. W. Miller....., Chainman.
A. Marx....., Chainman.

Subscribed and sworn to by the above-named persons before
me this 8th day of August, 1892

Russ M. King
Notary Public.

I, A. W. Miller, do solemnly swear that I will well and
truly perform the duties of axeman, in the establishment of corners and other duties,
according to instructions given me and to the best of my skill and ability, in the survey
of the Mining Claim of E. M. Dickey
.....
known as the Pocant
more fully described in the preceding affidavit.

A. W. Miller....., Axeman.

Subscribed and sworn to by the said A. W. Miller
before me this 8th day of
August, 1892

Russ M. King
Notary Public.

I, A. Marx, do solemnly swear that I will
well and truly perform the duties of flagman, in the establishment of corners and other
duties, according to instructions given me and to the best of my skill and ability, in the
survey of the Mining Claim of E. M. Dickey
.....
known as the Pocant
more fully described in the preceding affidavit.

NOTICE OF LOCATION.

Know all Men by these Presents:

That *J* the undersigned, have this day Located Fifteen Hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground Three Hundred (300) feet on each side of the centre of vein, with all Mineral Deposits contained therein, and all Timber growing within the limits of said claim, and all Water and Water Privileges thereon or appurtenant thereto, under and according to the provisions of the Mining Laws of the United States, under which it is Located.

This claim commences at this Monument and Notice placed upon the ledge, and runs Fifteen Hundred (1500) feet in a Southerly ^{west} direction along the ledge.

The Exterior boundaries are as follows, viz:—

Commencing at this Monument and Notice, and running Three Hundred (300) feet in an ^s easterly direction to monument of stone at N. E. corner of claim; thence in a southerly ^{west} direction parallel with the ledge Fifteen Hundred (1500) feet to monument at S. E. corner of claim; thence at right angles across the ledge in a ^w westerly direction Six Hundred (600) feet to monument at S. W. corner of claim; thence parallel with the lode in a northerly ^{east} direction Fifteen Hundred (1500) feet to monument at N. W. corner of claim; thence at right angles across the ledge in an ^{south} easterly direction Three Hundred (300) feet to monument upon the ledge and place of beginning.

This ledge may be more generally described as situated *three quarters of a mile southeast of the Belle Mine near the road from Lyons Creek to Big Bay, one half mile northwest from Big Bay Creek and about one mile west of Van Hams' Saw Mill.* This claim is a re-location of the claim recorded in Book C.3 of Mines page 309, and is re-located to more fully describe the same as to metes and bounds and to more fully comply with the requirements of law regarding mining locations.

in *Big Bay* Mining District,
Yavapai County,

ARIZONA TERRITORY,

and shall be known as the *Poland* Mining Claim.

N O T I C E .

I the undersigned claim fifteen hundred feet on this ledge, known as the Poland ledge, commencing at this notice and running southwesterly fifteen hundred feet to a monument, with 300 feet on each side of the vein.
(1500)

This ledge is situated three quarters of a mile of the "Belle Mine, south east, and one mile south of the "Bulger " Mine, and one half mile from Big Bug Creek, on the north west side, and five miles of Big Bug Mill, all in Arizona Territory Yavapai County, Big Bug District, this August the 2nd 1875.

D. R. P O L A N D .

Filed for record August 6th 1875, at 8 0'clock A. M. at request of D. R. Poland, and duly recorded in Book C.3 of Mines. Records of Yavapai County, Arizona, at folios 309 and 310.

William Wilkerson,

County Recorder.

Affidavit of Five Hundred Dollars Improvements.

We, A. Marx and A. W. Miller

of lawful age, being first duly sworn according to law, depose and say: that we are acquainted with the

Poland mining claim, situated in
Big Bug Mining District, Yavapai County,
Arizona Territory, for which E. M. Dierker

has made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and his grantors exceed Five Hundred Dollars in value, and further that we are not personally interested in said mine.

FINAL OATHS FOR SURVEYS.

LIST OF NAMES.

A list of the names of the individuals employed by John J Fisher
 United States Deputy Mineral Surveyor, to assist in running, measuring, and marking the lines
 corners and boundaries described in the foregoing field notes of the survey of the mining claim
 of E M Dickey
 known as the Poland
 and showing the respective capacities in which they acted.

A Marx, Chainman.
A W Miller, Chainman.
A W Miller, Axman.
A Marx, Flagman.

FINAL OATHS OF ASSISTANTS.

We, A Marx
 and A. W. Miller, do solemnly swear that we assisted John J Fisher
Fisher, United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of E M Dickey

known as the Poland
 represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for

Arizona

A Marx, Chainman.
A W Miller, Chainman.
A W Miller, Axman.
A Marx, Flagman.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR.

I, J. J. Fisher, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated July 30th, 1892, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of E. M. Dickey, known as the Poland, situate in Big Bug Mining District, Yavapai County, Arizona, in Section _____, Township No. _____, Range No. _____, and designated as Survey No. 1055, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

J. J. Fisher
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said J. J. Fisher
U. S. Deputy Mineral Surveyor, before me J. Putter
U. S. Land Office, Prescott this twentieth
day of August, 1892

J. Putter
RECEIVER.

(4-687.)

Surveyor General's Certificate of Approval of Field Notes and Survey of Mining Claim.

Department of the Interior,

Office of U. S. Surveyor General,

Tucson Arizona
August 24th, 1892.

I, U. S. Surveyor General for *The District of Arizona*,
do hereby certify that the foregoing and hereto attached Field Notes and Return of the
Survey of the Mining Claim of *E. M. Dickey*

....., known as the
Potomd
