Territory of Arizona,

County of Pima. SS

To the Surveyor General of Arizona.

Thomas L. Bailey, being first duly sworn on oath says and represents; that he is the agent and manager of Noyes B. Allyn, the owner of the Mohawk, and Mohawk Wedge Mining Claims, situate in Pinal County, Arizona. That on the 2nd of November, 1894, the official order of the Surveyor General of Arizona was issued to Albert ~~Bert~~ **Bert D. Colton**, a deputy mineral surveyor, to survey said Mohawk and Mohawk Wedge Mining Claims, being Survey No. 1157, which official order stated that Noyes B. Allyn was the claimant of said mining claims; and that it is a fact that said Allyn is the owner of mining claims; that the said U.S. Deputy mineral surveyor, ~~Albert T. Colton~~ Albert T. Colton, in making his return and report of survey of said claims, erroneously stated the name of the claimant to be the Mohawk Gold Mining Company; that there is no such company in existence; that the said Noyes B. Allyn, has at times, for his own convenience transacted his mining business under that name, but it is purely a fictitious name used by him as a matter of convenience; that the Duplicate Plat and field notes of said surveys and claims, furnished by the said Surveyor General's Office, contains said error in the name of the claimant; that said error should be corrected by inserting the name of Noyes B. Allyn, as claimant, instead of the Mohawk Gold Mining Company; and for the purpose of having said error corrected, and the proper alterations made, affiant, as the agent of said Noyes B. Allyn, has returned the said duplicate copy of Field Notes and Plats of said claims to the said Surveyor General of Arizona, and he herewith respectfully requests that the proper correction and alterations be made.

Subscribed and sworn to before me
