Instruments

The survey was made with a Buff and Berger Transit No. 1482 in vertical and horizontal adjustment. The courses were deflected from the true meridian as determined by the north star observation at the time of the survey of the Silver Plate Claim and as indicated on the plat.

Set over the initial monument of the Silver Plate Claim and turned $42^{\circ}46'$ right, looking southward to point on line parallel to west boundary of the West Champion No 2. Then set over said point and turned $13^{\circ}57'$ left, looking northward for true course of West side W. C. No 2, or $N 29^{\circ}40' E$

Measurement was made with a 50 ft steel tape and a 50 ft Chain compared with the former
