G. W. Hull, and J. J. Fisher, being first duly sworn, depose and say, each for himself and not one for the other, that they are well acquainted with the COPPER CHIEF and NO. 6 lode mining claims, situate in Verde Mining District, Yavapai County, Arizona Territory and that the veins of mineral on such claims show as follows:

On the COPPER CHIEF, the vein shows at open cut at N. 38° 30' E., 350 feet from Corner No. 4 and runs thence in a northerly direction 1270 feet to north center end of claim. The vein is wide and shows deposits of ore at different points along the center of claim.

On the No. 6, the vein shows at south center end of claim in open cut and runs thence in a northerly and westerly direction 1500 feet through the entire claim, the vein being nearly the entire width of claim and shows bodies of ore at different openings on claim as shown on plat of survey.
