U.S. L.M. No 1259 Black Rock District.

There being no corner of the public surveys or a U.S. L.M. within two miles of Survey No 1259, I located and built a U.S. L.M. on the 10th day of June 1897, on a high point visible for a long distance, the site chosen is such as to insure the permanency of the mark. The point being within the boundary lines of the Silver King Ground, Survey No 1259, Black Rock Mining District, Yavapai County Arizona Territory.

A granite stone 12" x 14" x 24", set 1 foot in ground, on end of which I chiseled a + for center point and on side U.S. L.M. No 1259, B.R. D., around which - the stone forming a part of - I built a stone monument 4 x 4 feet on base and 5 feet high.
