Location Notice.

The undersigned, under the provisions of the several acts of Congress, relating to the development of the mineral resources of the United States, hereby locates and claims 1500 feet in length on this lode, vein or deposit of mineral bearing quartz, or other rock in place, with 300 feet in width on each side of the middle of said lode, vein or deposit for mining purposes. This claim is situated in Cave Creek Mining District, in the County of Maricopa and Territory of Arizona, and shall be known as the Ordinantéau Mine, the location and boundaries of which are more particularly described as follows, to wit: Beginning at this monument of stones, erected at the center of the Southeast end of claim, and upon which this notice is posted, and running 300 feet in a Southwest direction to a monument of stone thence 1500 feet in a Northwest direction to a monument of stones, thence 300 feet in a Northeast direction to a monument of stones, being the center of the Northwest end of claim; thence 300 feet in a Northeast direction to a monument of stones, thence 1500 feet in a Southeast direction to a monument of stones, thence 300 feet in a Southwest direction to the place of beginning. This claim lies on the Western slope of Gold Hill, a well known peak about 40 miles North of Phoenix and 6 miles East of the Phoenix Mine. From the Mexican Mine, it bears East $1\frac{1}{2}$ miles. This amended location is made and filed for the purpose of

correcting and making more specific the boundaries and description of said lode as originally located. For the original record of this claim see Book 13 of Mining Claims, p. 94.

Filed on the ground this 30th day of January, 1894.
