Mineral Survey No. 1427.

Lot No. \_\_\_\_\_

Prescott \_\_\_\_\_

Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

The Wallapai Mining and Development Company

KNOWN AS THE

Tennessee Great Lead and Tennessee South Lode in Wallapai Mining District,

Mohave County, Arizona Territory

Section 3, Township 23 N., Range 18. W

Surveyed under instructions dated Nov. 20, 1899 & January 2, 1900

by O. F. Kuencer,  
U. S. Deputy Mineral Surveyor.

Claim located January 1, 1898 & March 4, 1896, 18

Survey commenced December 5<sup>th</sup>, 1899.

Survey completed January 9, 1900

6-150

Address of Claimants:

The Wallapai Mining & Development Company.

Chloride

Arizona

Recd April 7-1900

# PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, <sup>Eichelberger</sup> W. H. Eichelberger and Dan W. Hallaway

do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of

the Mining Claim of Tumsee 3d Great Lead  
Wallapai Mining & Development Co, known as the  
Tumsee 3d Great Lead Tumsee South Mining Claims  
situate in Wallapai mining district,  
Mohave County, Arizona Territory  
in Section \_\_\_\_\_, Township No. \_\_\_\_\_, Range No. \_\_\_\_\_

W. H. Eichelberger, Chainman.

Dan W. Hallaway, Chainman.

Subscribed and sworn to by the above-named persons before me this 1<sup>st</sup> day of December, 1899

SLID

J. Furgan  
Notary Public

I, E. F. Harman, do solemnly swear that I will well and truly perform the duties of axeman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of Wallapai Mining & Development Co known as the Tumsee 3d Great Lead Mining Claims more fully described in the preceding affidavit.

\_\_\_\_\_, Axeman.

Subscribed and sworn to by the said \_\_\_\_\_ before me this \_\_\_\_\_ day of \_\_\_\_\_, 18 \_\_\_\_\_

I, E. F. Harman, do solemnly swear that I will well and truly perform the duties of flagman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of Wallapai Mining and Development Company known as the Tumsee 3d Great Lead Mining Claims more fully described in the preceding affidavit.

E. F. Harman, Flagman.

Subscribed and sworn to by the said E. F. Harman before me this 1<sup>st</sup> day of December, 1899

J. Furgan  
a Notary Public  
My commission expires \_\_\_\_\_

Tumsee South

Mineral Survey No 1427.

sect

Tennessee Lode

Beginning at cor No 1. Identical with N.B. cor. of the location, a pine, post, 3 1/2 ft. long, 4 ins. square, set 18 ins. in the ground, with mound of stone. Corbed 1-1427. T. whence cross (x) 1-1427. B.R. chiseled in Granite reef, 14 ins. above ground bears S. 89° 30' E. 41.00 ft.

Cor to Secs. 34, and 35, T. 24 N. R. 18. W. and Secs. 2 and 3, T. 23 N. R. 18. W. bears N. 72° 30' E. 651.26 ft.

Cor. No 1. Schuylerkill mill site. Survey No 1221. bears N. 87° 35' E. 131.40 ft.

Cor. No 1. Great Lead lode, this survey bears S. 25° 05' W. 504 ft.

Cor. No 1. Tennessee South Lode. this survey bears N. 12° 47' E. 1719.03 ft.

France S. 80° 45' W  
Cor. 10° 30' E

- 57 to foot of hill, No 1.
- 100 to intersection from Blount mill to top of hillside bears No 1.
- 160 to combine valley, 80 ft wide ground l.
- 200 to foot of tree bears No 1 and begin descent
- 205.18 to cor No 4. S.E. cor of Schuylerkill Lode. Net No 138 - and cor No 4. Schuyler mill site; Survey No 1221
- 300 to North end Center of claim, a pine, post 4. ins. square, 3 ft long, 18 ins. in ground, with mound

Feet

of Stone, scribed N.E.C. 1427.T. whence.  
Unit Loc. Mon; a post, 4 ins. square, 3 1/2 ft long,  
20 ins. in ground with mound of stone, scribed I.L.  
M. 1427.T. bears S. 9° 15' E. 750 ft.

332. to wagon road from Eckhart mine to town of Chloride  
bears N 9° W.

564. to cor. 9° 2.

fine post, 4 ins. square, 3 1/2 ft. long, 18 ins. in  
ground with mound of stone, scribed 2-1427. whence:  
cross (x) B.R. 2-1427, chiseled in granite boulder,  
14 x 17 ins. 12 ins. high bears N. 39° 30' W.

Net area Tennessee code 20.332 acres

Total area Great Lead lode 20.661 acres  
 Less conflict with Tennessee lode 6.486 "  
 Net area Great Lead lode 14.175 acres

Total area Tennessee South lode 1.080 acres  
 Less conflict with Great Lead lode 0.359 "  
 Net area Tennessee South lode 0.721 acres

Net area Tennessee lode 20.332 acres  
 " " Great Lead " 14.175 "  
 " " Tennessee South " 0.721 "

Net Area Lode claim 35.228 acres

### Location

This claim is located in the NE  $\frac{1}{4}$  of Sec. 3, T. 20, N. R. 18 W. Gila and Salt River Base and Meridian, Wallapai Mining Dist. Mohave Co. Arizona.  
Expends value of five hundred dollars.

I certify that the value of the labor and improvements, upon this claim, placed thereon by the claimants and their grantors is not less than five hundred dollars for each of the three claims included in this group, the work for the Tennessee South is run through levels running South from the main working shaft of the Tennessee lode, running towards the Tennessee South lode, and through such levels the ore of the Tennessee South lode are to be conveyed after being extracted, - and that said improvements consist of:

- 1) Discovery shaft on Tennessee lode, 4 x 6 ft - 90 ft. deep in rock and timbered, the SW. cor. of which bears S. 9° 15' E. 750 ft. from foot on North end center of claim  
 Value \$1500-

2) A shaft on Tennessee lode  $4 \times 7'$   $338$  feet deep in rock all timbered, with steam hoist, and levels running westerly along vein as follows: at a depth of 100 feet, 280 ft long, at a depth of 200 feet, 298 ft. long - at a depth of 300 feet, 100 ft. long; and levels running easterly along vein as follows, at a depth of 100 ft, 158 ft long, connecting with Discovery shaft - at 200 ft deep, 270 ft. long, and at 300 ft deep, 15 ft long, connecting with the new working shaft, situate in the N.E. cor. of the mill building - partly situated between levels, the S.W. cor. of which bears  $N. 63^{\circ} 20' E. 338$  ft from post on west center side line of Tennessee lode.  
Value \$ 25,000.

3) A shaft on Tennessee lode  $4 \times 6'$ , 94' deep in rock and timbered, the S.W. cor. of which bears  $S. 86^{\circ} 30' E. 310$  ft from post on west center side line of Tennessee lode.

Value \$ 1200

4) A perpendicular shaft on Tennessee lode, known as the new working shaft, situate in the N.E. cor. of the mill building, with steam hoist, 300 feet deep in rock,  $5 \times 9$  ft, double compartment, and timbered the N.W. cor. of which bears  $S. 74^{\circ} E. 360$  ft from post on west center side of claim

Value \$ 7000. <sup>00</sup>

5) An airshaft on Tennessee lode,  $4 \times 6$  ft, 290 ft deep in rock and timbered and connected by level 128 ft long with bottom of old working shaft, the N.W. cor. of which bears  $S. 30^{\circ} 05' E. 494$  ft from cor. No. 2.

Tennessee lode.

Value \$ 4000.

6' of a tunnel 3 1/2 x 6 ft. 55 ft long in rock - on Tennessee lode (course of tunnel N 68° 30' W) the mouth of which bears S. 13° 45' E. 221 ft from post on North end center of claim.

Great Lead Lode

Value \$ 500 -

11' of an uncompleted shaft on Great Lead lode 4 x 6' - 60 ft deep in rock the mouth of which bears S. 10° 15' E. 750 ft from post at North End Center of Great Lead lode.

Tennessee South

Value \$ 600 -

21' of a discovery shaft 4 x 6' - 10 ft deep in rock on Tennessee South lode the center of which bears S. 9° 15' E. 190 ft from post on North End center Tennessee South lode

Value \$ 3500

A cable for hoisting is now being put in the New working shaft on Tennessee lode and as soon as this is in running order the coal will be driven South, towards the Tennessee South lode from the bottom of this shaft, which expenditure \$450 is accredited to Tennessee South lode, this survey.

Other Improvements.

1. A frame building 40 x 135' enclosing a complete concentrating plant consisting of 4 boilers 2 engines, cameras, rollers, gears and tables, having a capacity of 100 tons daily - also enclosing top of New working shaft and steam hoist for same - N.E. corner of building bears S. 59° E - 275 ft from post on West center side of Tennessee

Code this survey

2. A frame building 22 x 41 ft enclosing a steam hoist and Blacksmith shop S.W. cor. bears  $N. 66^{\circ} 10' E$  160 ft from post on west center side Tennessee Code this survey

3. A frame building 10 x 20 used as a stable N.E. cor. bears  $S. 84^{\circ} 30' E$  92 ft from post on west center side of Tennessee Code this survey

4. A frame building 46 x 27 used as a business and a day office - S.W. cor. bears  $N. 12^{\circ} E$  38 ft from post on west center side of Tennessee Code this survey.

5. On a side house 17 x 27 ft used as a bunk house N.E. cor. bears  $S. 55^{\circ} W$  71 ft from cor. N<sup>o</sup> 1. N.E. cor. Tennessee Code this survey

6. A two story frame building, 22 x 40, used as a boarding and sleeping house - N.E. cor. bears  $S. 29^{\circ} 30' E$  400 ft from post on North end center Tennessee Code this survey.

7. A well, 40 ft deep, bears  $S. 44^{\circ} E$  175 ft from post on North end center of Tennessee Code this survey.

### Opposing or adjacent Landclaims

On the North: The Schuykill mill site Survey N<sup>o</sup> 1221 - The Schuykill Code Lot N<sup>o</sup> 38 -

On the West: Distaff mine Survey No 1013, claimed by Charles Sherman and The Bullam Basin, Little Wonder and Mollie Gibson Codes, Survey N<sup>o</sup> 1428.

on the South: The "Johnny Bull mine" claimed by Lombard Smith

on the East:

By the Bryan Code unmurveyed, claimed

by J. D. Murphy and the  
"Chonetes" Feb 22 87.

Instrument

This survey was made with a Steller  
and Brightley Transit, with solar  
attachment which was used in  
deflecting the camera. The distances  
were measured with a 50 foot  
chain and a 50 foot steel tape.

Note

Tennessee and Great Road codes  
were surveyed under original  
order of survey issued by the Surveyor  
General of Arizona Nov. 20<sup>th</sup> 1889.  
and Tennessee South Code under amended  
order of survey of date January 2<sup>nd</sup>  
was added to the group; The same  
became acting as assistants all  
through the survey, after having been  
properly sworn in.

A. S. Kuencer.

U.S. Deputy Mineral  
Surveyor.

(4-686.)

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, O. F. Kuencer, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated Nov 20-1899 & Jan 2-1900, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of The Yavapai Mining & Development Company, known as the Tennessee Great Lead and Tennessee Sulphur Lead situate in Yavapai Mining District, Mohave County, Arizona in Section 3, Township No. 23 N, Range No. 18 W and designated as Survey No. 1427, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

O. F. Kuencer  
 U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said O. F. Kuencer  
 U. S. Deputy Mineral Surveyor, before me Geo. P. Ferry  
 this 13<sup>th</sup>  
 day of July 1900

## QUARTZ CLAIM.

To All Whom It May Concern:

This mining claim, the name of which is the Tennessee South Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by The Wallapai Mining & Development Company a Corporation organized under the laws of the Territory of Arizona the undersigned, on the 5<sup>th</sup> day of December 1899.

The length of this claim is Seventy Nine (79) feet, and we claim Seventy Nine (79) feet in a Southerly direction and Six Hundred (600) feet in an Easterly & Westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three Hundred (300) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Wallapai Mining District, in Mohave County, in the Territory of Arizona, about Nine Hundred feet in a Southerly direction from Mill on the Tennessee Mine.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at

at a point in an Easterly direction Thirty Five (35) feet from the discovery shaft (at which this notice is posted), being in the center of the North end line of said claim; thence Westerly Three Hundred (300) feet to a Monument, being the North West corner of said claim; thence Southerly Thirty Nine & 1/2 (39 1/2) feet to a Monument at the center of the West side line of said claim; thence Southerly Thirty Nine & 1/2 (39 1/2) feet to a Monument being at the South West corner of said claim; thence Easterly Three Hundred (300) feet to a Monument at the center of the South end of said claim; thence Easterly Three Hundred (300) feet to a Monument, being at the South East corner of said claim; thence Northerly Thirty Nine & 1/2 (39 1/2) feet to a Monument being at the center of the East side line of said claim; thence Northerly Thirty Nine & 1/2 (39 1/2) feet to a Monument at the North East corner of said claim; thence Westerly Three Hundred (300) feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines," approved March ~~20<sup>th</sup>~~<sup>21<sup>st</sup></sup>, 1895.

Dated and posted on the ground this 5<sup>th</sup> day of December 1899.

Wallapai Mining & Development Company
