GOLDEN WREATH

AMENDED NOTICE OF MINING LOCATION.
Lode Claim.

TO ALL WHOM IT MAY CONCERN.

This mining claim, the name of which is the Golden Wreath Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by T.W. Boggs, M.E. Davidson and M.E. Wheeler, the undersigned, on the 23rd day of December 1899.

The length of this claim is Fifteen Hundred feet, and we claim Three Hundred feet in a Northerly direction, and Twelve Hundred feet in a Southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with Three Hundred feet in width of the surface grounds, on each side of the center of said claim.

The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Big Bug Mining District in Yavapai County, in the Territory of Arizona, about half way between the old Hitchcock place and the Commercial Co. saw mill-site, and upon the South side of Big Bug Creek.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stone at a point in a Northerly direction 300 feet from the discovery shaft (at which this notice is posted), being in the center of the North end line of said claim; thence Easterly 300 feet to a monument of stone, being the N. E. corner of said claim; thence Southerly 750 feet to a monument of stone at the center of the East side line of said claim; thence Southerly 750 feet to a monument of stone being at the S. E. corner of said claim; thence Westerly 300 feet to a monument of stone at the center of the South end of said claim; thence Westerly 300 feet to a monument of stone, being at the South West corner of said claim; thence Northerly 750 feet to a monument of stone being at the center of the West side line of said claim; thence Northerly 750 feet to a monument of stone at the N. W. corner of said claim; thence Easterly 300 feet to the place of beginning.

This being the same lode originally located on the 27th day of April 1893 and recorded on the 13th day of May 1893, in Book 36 of Mines, pages 363-364, Records of Yavapai County, Arizona.

This further and amended notice of location is made without waiver or surrendering any previously acquired rights, but for the purpose of correcting errors and omissions in the original location, description or record.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th 1895, and amended March 2^d, 1899.

Dated on the ground this 23^d day of December 1899.
