Catche capital
and the mine

Change in location of the mine

(4-683.)

Mineral Survey No. 1464

Lot No. _____

Prescott Land District.

FIELD NOTES

OF THE SURVEY OF THE MINING CLAIM OF

The Berkshire Mining Company
by E. D. Treadwell Agent

Proctor Overnight Orange East of Good Hope Proctor Silver Dike Ground Run Proctor and Mumma Leads Verde Mining District,

KNOWN AS THE

Garapani County, Arizona

Section Unsurveyed Township 15 N, Range 2 East

Surveyed under instructions dated April 21st, 1890,
by R. C. Powers,
U. S. Deputy Mineral Surveyor

Claim located at various dates in locations
as shown on map, 1890

Survey commenced May 3rd, 1890

Survey completed May 14th, 1890

Address
E. D. Treadwell, Agent
Jerome
Arizona
Garapani C.

POOR

QUALITY

The following pages are scanned at the best possible quality setting. The original pages are of poor quality and this is the best possible reproduction.

PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, Malcolm Treadwell and J Russell Gavis,
do solemnly swear that we will well and faithfully execute the duties of chain carriers;
that we will level the chain upon even and uneven ground and plumb the tally-pins,
either by sticking or dropping the same; that we will report the true distance to all
notable objects, and the true length of all lines that we assist in measuring, to the best
of our skill and ability, and in accordance with instructions given us, in the survey of
the Mining Claim of The Buckshier Mining Company,
known as the Proctor and Missouri Lead,
situate in Verde mining district,
Garapai County, Arizona,
in Section _____, Township No. _____, Range No. _____.

Malcolm Treadwell, Chairman.

J Russell Gavis, Chairman.

Subscribed and sworn to by the above-named persons before me this 3d day of May, 1900

26 4

R. C. Powers
Notary Public

I, Herbert G Treadwell, do solemnly swear that I will well and truly perform the duties of axeman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of The Buckshier Mining Company, known as the Proctor and Missouri Lead, more fully described in the preceding affidavit.

Herbert G Treadwell, Axeman.

Subscribed and sworn to by the said Herbert G Treadwell before me this 3d day of May, 1900

26 4

I, Charles A Ford, do solemnly swear that I will well and truly perform the duties of flagman, in the establishment of corners and other duties, according to instructions given me and to the best of my skill and ability, in the survey of the Mining Claim of The Buckshier Mining Company, known as the Proctor and Missouri Lead, more fully described in the preceding affidavit.

Charles A Ford, Flagman.

Subscribed and sworn to by the said Charles A Ford before me this 3d day of May, 1900

994.6 To Cor No 1 of Oregon of this survey.

1060 To Cor No 4

Identical with N.W. Cor. of location and Cor. No 3 of Grand Bounce Lode of this survey, and chiseled 4/1466 S.B. Ext. Merid before described.

300 Thence S-23°-26'-W
 a loc. mon. station at cor. of W. end. line.
 360 Cross trail 1 ft wide, cor N-40°W & S. 10°E.
 600 Pa cor No 1 the place of beginning.

Variation at all corners of ground
 Bounce Ex. T. is 13°-50'-E.

Net area of ground Bounce Ex. T. is 1/4. 60 acres.

Survey No 1466

Silver Pine Pede

Beginning at Cor No 1

Identical with N.W. Cor of location
and Cor No 7 of Oversight of this survey
A granite rock 24 x 8 x 8 ins set 12 ins
in the ground and chiseled S-T + 70/1466
with a mound of stone alongside. Whence
U. S. Loc. Mon. No 1365 brs N-61°W, 2517 ft. Dist
No other bearings available

Thence S-2°30'-E.

- 70 Cross trail 2 ft. wide, brs E + N-81°W
750 A loc. mon of stone at cen. of W. Side line
1500 To Cor No 2

Identical with S.W. Cor of location
and Cor No 6 of Oversight of this survey
A Porphyry stone 24 x 10 x 6 ins set 12 ins
in the ground and chiseled S-T + 60/1466
with a mound of stone alongside.
No bearings available.

Thence N-87°30'-E

- 300 A loc. mon. of stone at center of S. end line
580 To Cor No 3

Identical with S.E. Cor of location.
A granite rock 24 x 8 x 7 ins set 12 ins
in the ground and chiseled S-T/1466
with a mound of stone alongside
No bearings available

Thence N-1°44'-W

- 508 Cross trail, 2 ft wide, brs. S-80°E + N-80°W
600 Cross trail, 1 ft wide, brs. S-47°E + N-62°W
655 Cross trail 1 ft. wide brs S. 45°W + N-32°E
782 To Cor No 4

On line 2-3 of Loan Pine Pede
survey No 1469

A limestone rock 24 x 8 x 6 ins set 12 ins
in the ground and chiseled
4 S.T./1466 with a mound of stone
alongside.

No bearings available

Thence S-65°18'-W

- 80 To Cor No 5

Identical with Cor No 2 of

Loan Pine, Survey No 1469
 A limestone rock 24 x 6 x 7 ins set 12 ins
 in the ground and chiseled S-S.T./1466 and
 2 L.P./1469 with a mound of stone
 alongside.

No bearings available
 Thence N-1°44'-W

388 Cross trail, 1ft wide, brs S-37°E + N-72°W

400 Cross Blow Out Creek 5ft wide flows S-69°E

"FRACTION"

AMENDED NOTICE OF MINING LOCATION.
Quartz Claim.

To All Whom it May Concern:

This mining claim, the name of which is the Fraction Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by George Brookshire, E.F. Roberts, H. Hobbs and W.F. Cole, original notice recorded in Book 44 of Mines, page 387, Records of Yavapai County, Arizona, the undersigned, on the 6th day of April, 1896.

The length of this claim is fifteen hundred (1500) feet, and we claim one thousand (1000) feet, in a westerly direction and 500 feet in an easterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the Northwest to the Southeast.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about 500 feet in an easterly direction from Porous Iron claim, east side joins west side of Prospector claim & west side joins north end of Silver Tip claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at a point in a westerly direction 1000 feet from the discovery shaft (at which this notice is posted), being in the center of the west end line of said claim; thence southerly 300 feet to a monument, being the southwest corner of said claim; thence easterly 750 feet to a monument at the center of the south side line of said claim; thence easterly 750 feet to a monument, being at the southeast corner of said claim; thence northerly 300 feet to a monument at the center of the east end of said claim; thence northerly 300 feet to a monument, being at the northeast corner of said claim; thence westerly 750 feet to a monument being at the center of the north side line of said claim; thence westerly 750 feet to a monument at the north west corner of said claim; thence southerly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

This amended notice of location dated and posted on the ground, this 24th day of October 1899.

This amended location is made by George Brookshire and E.F. Roberts, two of the original locators, and the estate of Henry Hobbs, deceased, all being successors to the interest formerly owned by W.F. Cole.

George Brookshire
E.F. Roberts.

"OVERSIGHT"

AMENDED NOTICE OF MINING LOCATION.
Quartz Claim.

To All Whom it May Concern:

This mining claim, the name of which is the Oversight Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by George Brookshire, E.F. Roberts and H. Hobbs, (original notice recorded in Book 44 of Mines, page 96, Records of Yavapai County, Arizona), the undersigned, on the 1st day of January 1896.

The length of this claim is fifteen hundred (1500) feet, and we claim one thousand (1000) feet, in a northerly direction and 500 feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory, about one mile in a northerly direction from the Cliff Mine, lies on the west side of and parallel with the Silver Tip claim & also adjoins east side of Porous Iron claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument ~~of stone~~ at a point in a southerly direction 500 feet from the discovery shaft (at which this notice is posted), being in the center of the south end line of said claim; thence easterly 300 feet to a monument being the southeast corner of said claim; thence northerly 750 feet to a monument at the center of the east side line of said claim; thence northerly 750 feet to a monument being at the northeast corner of said claim; thence westerly 300 feet to monument at the center of the north end of said claim; thence westerly 300 feet to a monument, being at the northwest corner of said claim; thence southerly 750 feet to a monument, being at the center of the west side line of said claim; thence southerly 750 feet to a monument at the southwest corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

This amended notice of location dated and posted on the ground this 24th day of October, 1899.

"OREGON"

AMENDED NOTICE OF MINING LOCATION.
Quartz Claim.

To All Whom it May Concern:

This mining claim, the name of which is the Oregon Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by George Brookshire, E.F. Roberts, W.F. Cole and H. Hobbs, original notice ~~of location~~ recorded in Book 44 of Mines, page 387, Records of Yavapai County, Arizona, the undersigned on the 1st day of April, 1896.

The length of this claim is fifteen hundred (1500) feet, and we claim one ~~thousand~~ thousand (1000) feet in a westerly direction and five hundred (500) feet in an easterly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim.

The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about one and a half miles in a westerly direction from Kirwaggen & Haskell ranch & west end line adjoins North side line of Grand Bounce and Grand Bounce Extension.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument on north side line of Grand Bounce Extension at a point in a westerly direction 1000 feet from the discovery shaft (at which this notice is posted), being in the center of the west end line of said claim; thence northerly 300 feet to a monument being the northwest corner of said claim; thence easterly 750 feet to a monument at the center of the north side line of said claim; thence easterly 750 feet to a monument being at the northeast corner of said claim; thence southerly 300 feet to a monument at the center of the east end of said claim; thence southerly 300 feet to a monument, being at the southeast corner of said claim; thence westerly 750 feet to a monument being at the center of the south side line of said claim; thence westerly 750 feet to a monument at the southwest corner of said claim; thence northerly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

This amended notice of location dated and posted on the ground, this 24th day of October, 1899.

This amended location is made by George Brookshire and E.F. Roberts, two of the original locators, and the estate of H. Hobbs, all three being successors to the interest formerly owned by W.F. Cole.

"MISSOURI"

AMENDED NOTICE OF MINING LOCATION.
Quart Claim.

To All Whom it May Concern:

This mining claim, the name of which is the Missouri Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by George Brookshire, E.F. Roberts and Henry Hobbs (Original notice recorded in Book 45 of Mines, page 332, Records of Yavapai County, Arizona), the undersigned, on the 1st day of January 1897.

The length of this claim is fifteen hundred feet, and we claim seven hundred and fifty (750) feet in a northerly direction and seven hundred and fifty feet in a southerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred (300) feet in width of the surface grounds, on each side of the center of said claim.

The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about one and a half miles in a westerly direction from Kirwaggen & Haskell ranch, west side line adjoins east end lines of Prince and Oregon claims.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at a point in a southerly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the south end line of said claim; thence easterly 300 feet to a monument, being the south east corner of said claim; thence northerly 750 feet to a monument at the center of the east side line of said claim; thence Northerly 750 feet to a monument, being at the northeast corner of said claim; thence westerly 300 feet to a monument at the center of the north end of said claim; thence westerly 300 feet to a monument, being at the northwest corner of said claim; thence southerly 750 feet to a monument, being at the center of the west side line of said claim; thence southerly 750 feet to a monument at the southwest corner of said claim; thence easterly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

This amended notice of location dated and posted on the ground, this 24th day of October 1899.
