# PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, Chas Small and A. J. Moss,  
do solemnly swear that we will well and faithfully execute the duties of chain carriers; that we will level the chain upon even and uneven ground and plumb the tally-pins, either by sticking or dropping the same; that we will report the true distance to all notable objects, and the true length of all lines that we assist in measuring, to the best of our skill and ability, and in accordance with instructions given us, in the survey of the Mining Claim of Clara E Gamage et al.  
situate in Blue Tans mining district,  
Yavapai County, Arizona,  
in Section \_\_\_\_\_, Township No. \_\_\_\_\_, Range No. \_\_\_\_\_

### Area

	acres
Total and net area Denver no 3 lode	20.66 V
Total and net area Tip Top lode	20.66
Total and net area Denver no 2 lode	20.53 V
Total and net area Denver no 1 lode	20.53
Total and net area Center lode	12.37 V
Total and net area Denver no 4 lode	20.53
Total and net area Mammoth lode	20.53
Total and net area Gold King lode	20.66
Total and net area Burro lode	20.66
Total and net area Gold King no 2 lode	<u>20.66</u>
Total and net area Lode Claim	197.74 acres

The surveys of the foregoing lode claims are identical with their respective locations

### Expenditure of Five Hundred Dollars.

I certify that the value of the labor and improvements upon these claims, placed thereon by the claimants and their grantors, is not less than five thousand dollars, and that said improvements consist of:

No 1. Discovery  
The Tunnel on the Tip Top lode which bears from Cor. no 1  $N 26^{\circ} 35' W$  310 ft. to the mouth running  $N 49^{\circ} E$  264 ft to breast

with 30ft cut - in rock  
Value \$3,200.

The work in tunnel No 1 of this claim is in connection with No 1 of the Denver No 1 lode, done for the development of all the lodes of this <sup>claims</sup>. From near the center of the Tip Top this tunnel is to be extended NW + SE by cross cutting to develop all the lodes of this claim.

Therefore \$400	is credited to the Denver No 3 lode.

ft from N.W. end center.

Value \$100

\$400 of work on Tunnel No 1 on  
Denver No 1 lode is credited  
to the Center lode. \$400

A Disc Shaft on the Mammoth  
4x6x10 ft is on the center line,  
600 ft North 47° 20' W from S.E.  
end center. is on the ledge which  
crops out into the Center lode  
where there is a disc cut 10ft  
from N.W. end Center Mon. The  
same ledge continuing into the  
Denver No 2. Value \$100

\$400 of the work on tunnel No 1  
on Denver No 1 lode is credited  
to Mammoth lode

Value \$400

There are other shallow workings on the  
claims as mentioned in the Notices of  
location which are of no especial value  
as improvements.

Judging from surface indications and present development the course of the ledges extend throughout the center of each lode location.

reaching the highest point near the center of the ~~Denver~~ no 3 lode. where the surface descends rapidly to the N.E. and S.W. -

The main ledge runs through the Denver no 1 and Denver no 4 lodes. There is a cross ledge on the Top Top lode running through the center of the lode. There are well defined ledges upon all the other lodes. -

This claim is on unsurveyed land and is situated North East 4500' from Gilbert Post Office in Blue Lake Mining District Yavapai Co, Arizona on unsurveyed land.

Adjoining claims are: St. George on N.E. claimant unknown; Bunker Hill, on N.W. John Sullivan claim both unsurveyed. No other known adjoining claims.

This survey was made with a Gurlay Light mountain Transit.

The courses were deflected from the true meridian as determined by direct solar observations. The distances were measured with a 100 ft steel tape. -

Field notes  
of the establishing of  
U. S. L. M. no 1477

Blue Lake.  
Mining District  
Yavapai County  
Arizona

Established in connection  
with the Survey of Denver group  
of mines Clara E. Gausage et al.  
owners.

### Description of the monument

A stone monument 6 feet base  
5 feet high with post 8 ins.  
in diam. projecting 30 ins.  
above the top of mound.

scribed on the north side  
U. S. L. M. no 1477 with nail  
driven in for point of connection

### Location.

The monument is located upon  
the highest point of a high ridge  
and is visible from all directions

It is admirably situated for  
connecting the mining claims  
located upon all sides of it.

It is so situated and so built  
that there is no danger of its  
destruction from natural  
causes. No other U. S. M. M. or cor. public lands  
are within two miles.

### Bearings

Black Peak brs. N 1° 30' E 6195 ft.

Red Picacho

A very prominent mountain peak bears S 31° 30' E about 4 miles

The Railway Water Trestle in the town of Wickenburg bears S. 64° 25' W about 11 miles

Gilbert Post Office bears N 74° 10' W 6135 feet

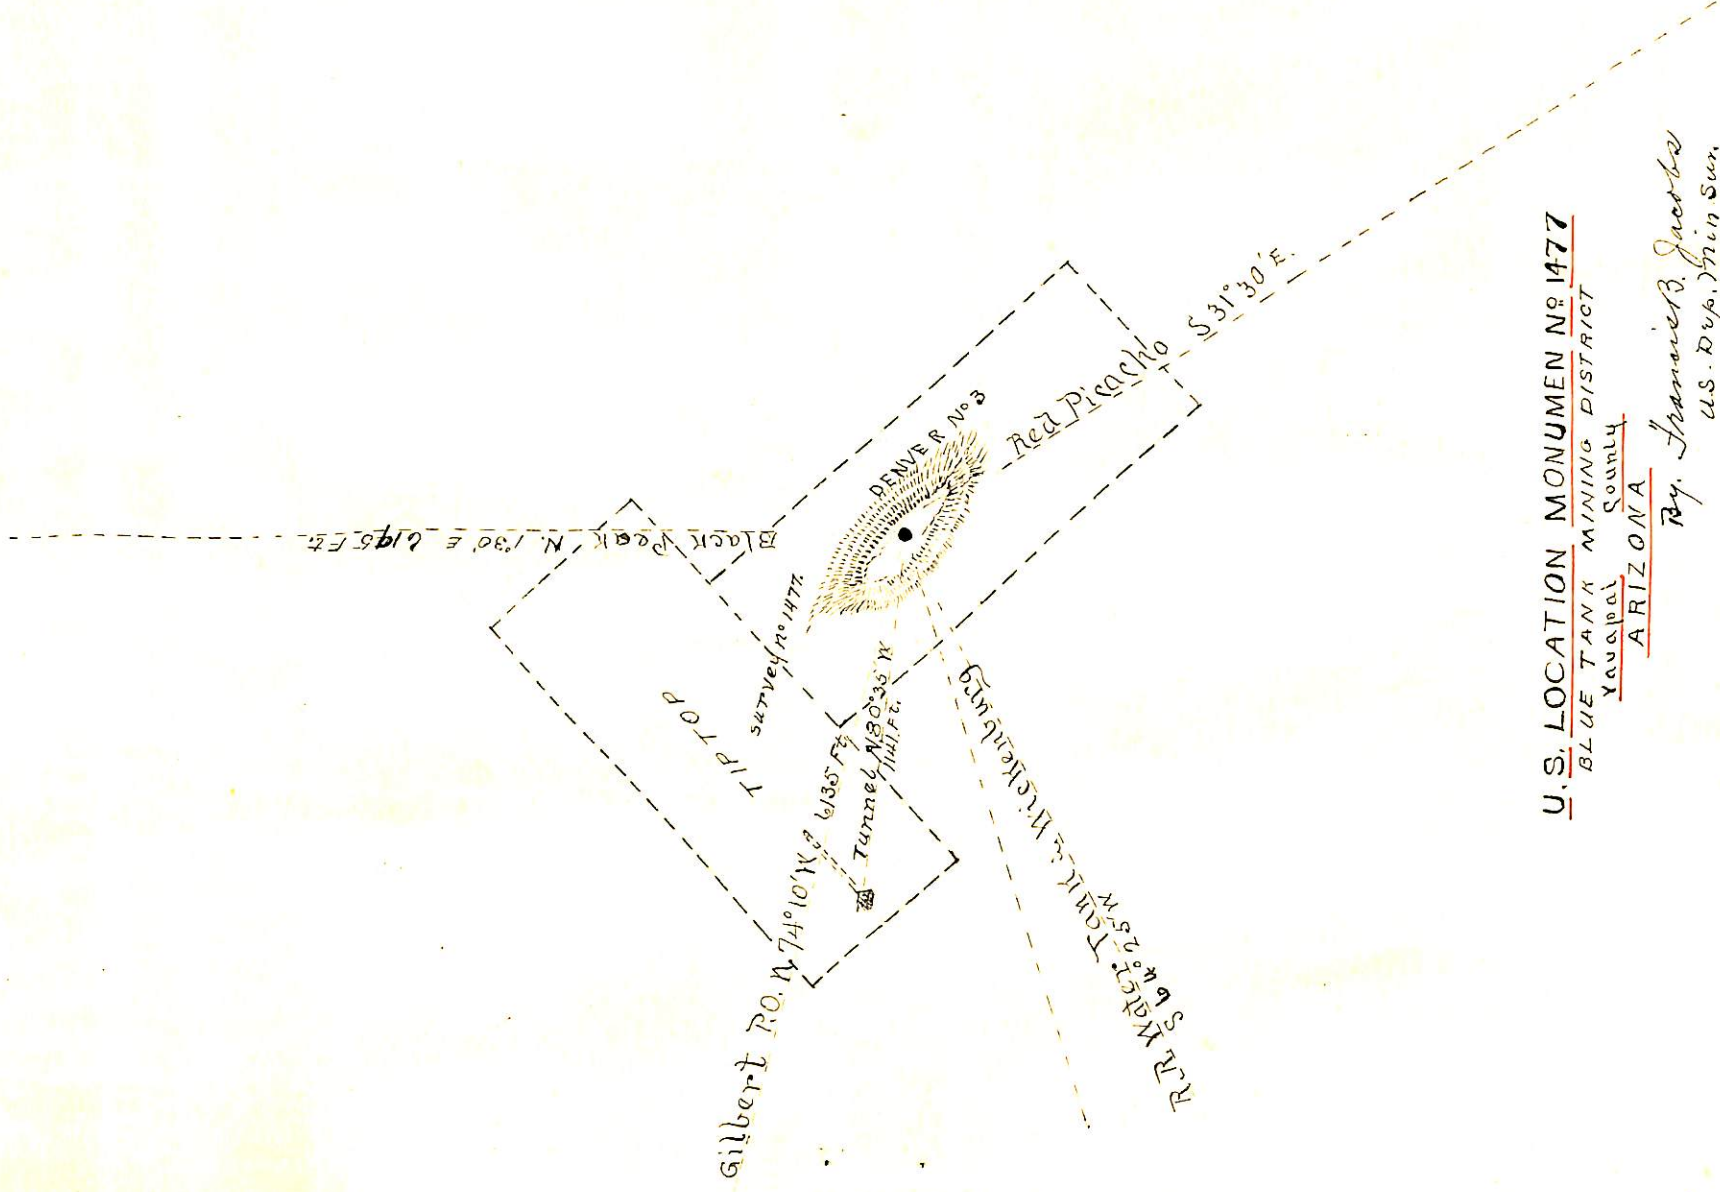

Main Tunnel on the Tip Top lode Survey no 1477. bears. N 85° 35' W. 1141 ft.

There are no trees or rocks near the monument for bearings

Amended Notice of Mining Location. Lode Claim.

To all whom it may concern:

This Mining Claim, the name of which is the *Denver Number One* Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Clara E. Gamage, the undersigned, on the 30 day of April, 1900.

The length of this claim is fifteen hundred feet, and ~~1~~ *xxx* claim ~~800~~ feet in a *southeasterly* direction, and 700 feet in a *northwesterly* direction from the center of the discovery ~~point~~ *cut* at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the *northwest* to the *southeast*

The claim is situated and located in the Blue Tank Mining District, in Yavapai County, in the Territory of Arizona, about 4500 feet in a *northwesterly* direction from Gilbert Post-office.

The surface boundaries of the claim described upon the ground as follows: Beginning ~~at the~~ *at* monument at the *S. E. end center* ~~at a point~~ *800* feet from the discovery ~~point~~ *cut* (at which this notice is posted), being in the center of the *S. E.* ~~end~~ *cut* ~~of said claim,~~ *at* ~~the~~ *S. 5/8 30' E*

*N. 49° E. 300 feet to a round of stones, being the N. E. corner of said claim, thence N. 47° 20' W. 750 feet to a round of stones, at the center of the N. E. side xxx feet to a round of stones, at the center of the N. W. side xxx feet to a round of stones, being at the corner of said claim, thence S. 49° W. 300 feet to a round of stones, at the center of the N. W. side xxx feet to a round of stones, being at the corner of said claim, thence S. 49° W. 300 feet to a round of stones, being at the corner of said claim, thence S. 47° 20' E. 750 feet to a round of stones, being at the corner of the S. W. side line of said claim; thence at the center 750 feet to a round of stones, at the S. E. corner of said claim; thence N. 49° E. 300 feet to the place of beginning.*

All done under the provisions of chapter six of title XXXII of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20th, 1895, and amended March 2nd, 1899.

This is an amended location notice of the *Denver Number One* Mining Claim, located by A. H. Gamage on the *27<sup>th</sup>* day of *March* 1893, and recorded in Book *36* of records of mines at pages *389 & 390* in the office of the county recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.

Dated and posted on the ground this 30 day of April, 1900.

"Denver Number Two"

AMENDED NOTICE OF MINING LOCATION. LODE CLAIM.

To all whom it may concern:

This mining claim, the name of which is the *Denver Number Two* Mining Claim situated on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Clara E. Gamage, the undersigned, on the 30 day of April 1900.

The length of this claim is fifteen hundred feet, and I claim 1450 feet in a *Southeasterly* direction, and 50 feet in a *Northwesterly* direction from the center of the discovery shaft at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the *Northwest* to the *Southeast*.

The claim is situated and located in the Blue Tank Mining District in Yavapai County, in the Territory of Arizona, about 4800 feet in a *Easterly* direction from Gilbert Post-office.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at the *S. E. End center* at a point in a *S. Easterly* direction 1450 feet from the discovery shaft, (at which this notice is posted), being in the center of the *S. E.* end line of said claim; thence *N 49° E* 300 feet to a mound of stones, being the *N. E.* corner of said claim;

thence *N. 47° 20' W* 750 feet to a mound of stones, at the center of the *N. E.* side line of said claim;

thence same course 750 feet to a mound of stones, being at the *N. W.* corner of said claim; thence *S. 49° W* 300 feet to a mound of stones, at the center of the *N. W.* end ~~line~~ of said claim; thence same course 300 feet to a mound of stones, being at the *S. W.* corner of said claim;

thence *S. 47° 20' E* 750 feet to a mound of stones, being at the center of the *S. W.* side line of said claim; thence same course 750 feet to a mound of stones, at the *S. E.* corner of said claim; thence *N. 49° E* 300 feet to the place of beginning.

All done under the provisions of chapter six of title XXXII of the Revised Statutes of the United States, and of an act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20th 1895, and amended March 2nd 1899.

This is an amended location notice of the *Denver No. 2* Mining Claim, located by A. H. Gamage on the *Second* day of *April* 1893, and recorded in Book *36* of records of mines at pages *392 - 3* in the office of the County Recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.

Amended Notice of Mining Location. ... Mine claim.

To all whom it may concern:  
This mining claim, the name of which is the **Lower Mountain Town** mine claim, situated on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Class 2.5 claims, the undersigned, on the 30 day of April, 1900.  
The length of this claim is fifteen hundred feet, and 100 feet in a *southwesterly* direction, and 100 feet in a *northwesterly* direction from the center of the discovery shaft. At section from the center of the discovery shaft, together with three hundred feet in width of the surface grounds on each side of the center of said claim.  
The general course of the lode deposit and premises is from the *southwest* to the *northwest*.  
The claim is situated and located in the Pine Tank Mining District, in Yavapai County, in the Territory of Arizona, about 3200 feet in a *eastwardly* direction from the Liberty Post-office. The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at the *S. 3. End center* at a point in a *S 47° 20' E* direction 1400 feet from the discovery shaft, *S. 3.* In the center of the *S. 3.* 300 feet to a mound of stones, being the *N. 3.* and line of said claim; thence *N. 49° E.* 300 feet to a mound of stones, being the *N. 49° E.* corner of said claim; thence same course 500 feet to a mound of stones, being at the *N. 49° E.* corner of said claim; thence same course 750 feet to a mound of stones, at the *S. 3.* corner of said claim; thence same course 750 feet to a mound of stones, at the *S. 3.* corner of said claim; thence same course 750 feet to a mound of feet to the place of beginning.  
All laws under the provisions of chapter six of title XXXI of the Revised Statutes of the United States, and of an act of the General Assembly of Arizona, entitled an act concerning mines, approved March 20th, 1903, and amended March 2nd, 1905. This is an amended location notice of the *Lower Mountain Town* mining claim, located by A. H. G. G. G. on the *Lower Mountain Town* 1898, and recorded in Book 49 of records of mines at page 40 in the office of the county recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.  
Dated and posted on the ground this 30 day of April, 1900.

Amended Notice of Mining Location. Lode Claim.

To all whom it may concern:

This Mining Claim, the name of which is the *Burro* Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Clara E. Gamage, the undersigned, on the 30 day of April, 1900.

The length of this claim is fifteen hundred feet, and ~~1~~ *1400* feet in a *southeasterly* direction, and ~~100~~ feet in a *withwestely* direction from the center of the discovery shaft at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the *withwest* to the *southeast*

The claim is situated and located in the Blue Tank Mining District, in Yavapai County, in the Territory of Arizona, about 5000 feet in an ~~withwestely~~ *southeasterly* direction from Gilbert Post-office.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at the *S.E. end cut* at a point in a *southeasterly* direction *1400* feet from the discovery shaft, (at which this notice is posted), being in the center of the *southeast* end line of said claim; thence *N. 42° 40' E* 300 feet to a mound of stones, being the *N. E.* corner of said claim; thence *N. 47° 20' W* 750 feet to a mound of stones, at the center of the *N. E.* side ~~xxxx~~ line of said claim; thence same course 750 feet to a mound of stones, being at the *N. W.* corner of said claim; thence *S. 42° 40' W* 300 feet to a mound of stones, at the center of the *N. W.* end ~~xxxxxxx~~ of said claim; thence same course 300 feet to a mound of stones, being at the *S. W.* corner of said claim; thence *S. 47° 20' E* 750 feet to a mound of stones, being at the center of the *S. W.* side line of said claim; thence same course 750 feet to a mound of stones, at the *S. E.* corner of said claim; thence *N. 42° 40' E* 300 feet to the place of beginning.

All done under the provisions of chapter six of title XXVII of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20th, 1895, and amended March 2nd, 1899.

This is an amended location notice of the *Burro No. 2* Mining Claim, located by A. H. Gamage on the *10<sup>th</sup>* day of *June* 1899, and recorded in Book *49* of records of mines at page *473* in the office of the county recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.

Dated and posted on the ground this 30 day of April, 1900.

AMENDED NOTICE OF MINING LOCATION. LODE CLAIM.

To all whom it may concern:

This mining claim, the name of which is the *Center* Mining Claim situated on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Clara E. Gamage, the undersigned, on the 30 day of April 1900.

The length of this claim is <sup>mined</sup> ~~fifteen~~ hundred feet, and I claim 100 feet in a *southeasterly* direction, and 800 feet in a *northwesterly* direction from the center of the discovery ~~shaft~~ *cut* at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the *northwest* to the *southeast*

The claim is situated and located in the Blue Tank Mining District in Yavapai County, in the Territory of Arizona, about 3800 feet in a *northeasterly* direction from Gilbert Post-office.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at the *S. E. End Center* at a point in a *southerly* direction 100 feet from the discovery ~~shaft~~ *cut* (at which this notice is posted), being in the center of the *S. E.* end line of said claim; thence *N. 49° E* 300 feet to a mound of stones, being the *N. E.* corner of said claim; thence *N. 47° 20' W.* 450 feet to a mound of stones, at the center of the *N. E.* side line of said claim; thence same course 450 feet to a mound of stones, being at the *N. W.* corner of said claim; thence *S. 49° W.* 300 feet to a mound of stones, at the center of the *N. W.* end line of said claim; thence same course 300 feet to a mound of stones, being at the *S. W.* corner of said claim; thence *S. 47° 20' E.* 450 feet to a mound of stones, being at the center of the *S. W.* side line of said claim; thence same course 450 feet to a mound of stones, at the *S. E.* corner of said claim; thence *N. 49° E* 300 feet to the place of beginning.

All done under the provisions of chapter six of title XXXII of the Revised Statutes of the United States, and of an act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20th 1895, and amended March 2nd 1899.

This is an amended location notice of the *Bureau* Mining Claim, located by A.H. Gamage on the *27th* day of *March* 1893, and recorded in Book *36* of records of mines at pages *390-2* in the office of the County Recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.

AMENDED NOTICE OF MINING LOCATION. LODE CLAIM.

To all whom it may concern:

This mining claim, the name of which is the *Center* Mining Claim situated on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Clara E. Gamage, the undersigned, on the 30 day of April 1900.

The length of this claim is ~~fifteen~~ <sup>nine</sup> hundred feet, and I claim 100 feet in a *southeasterly* direction, and 800 feet in a *northwesterly* direction from the center of the discovery ~~shaft~~ *cut* at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds on each side of the center of said claim.

The general course of the lode deposit and premises is from the *northwest* to the *southeast*.

The claim is situated and located in the Blue Tank Mining District in Yavapai County, in the Territory of Arizona, about 3800 feet in a *northwesterly* direction from Gilbert Post-office.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at the *S. E. End Center* at a point in a *southerly* direction 100 feet from the discovery ~~shaft~~ *cut* (at which this notice is posted), being in the center of the *S. E.* end line of said claim; thence *N. 49° E* 300 feet to a mound of stones, being the *N. E.* corner of said claim; thence *N. 47° 20' W.* 450 feet to a mound of stones, at the center of the *N. E.* side line of said claim; thence same course 450 feet to a mound of stones, being at the *N. W.* corner of said claim; thence *S. 49° W.*

300 feet to a mound of stones, at the center of the *N. W.* end line of said claim; thence same course 300 feet to a mound of stones, being at the *S. W.* corner of said claim; thence *S. 47° 20' E* 450 feet to a mound of stones, being at the center of the *S. W.* side line of said claim; thence same course 450 feet to a mound of stones, at the *S. E.* corner of said claim; thence *N. 49° E*

300 feet to the place of beginning. All done under the provisions of chapter six of title XXXII of the Revised Statutes of the United States, and of an act of the General Assembly of Arizona, entitled An Act Concerning Mines, approved March 20th 1895, and amended March 2nd 1899.

This is an amended location notice of the *Puro* Mining Claim, located by A.H. Gamage on the *27th* day of *March* 1893, and recorded in Book *36* of records of mines at pages *390-2* in the office of the County Recorder of the aforesaid county of Yavapai, to which reference is hereby made; and this amended location notice is made and posted to correct errors in the description in the said original location notice.
