AMENDED LOCATION.

Know all men by these presents, that we, the undersigned, assigns of George F. Berry and A. W. Berry, in compliance with the Mining Acts of Congress, approved May 10th, 1872, and all subsequent acts, and with the laws of the Territory of Arizona with regard to the location of mining claims and the amendment thereof, have on this 25th day of August 1900, amended, located and claimed, and by these presents do amend, locate and claim, by right of discovery and amended location, fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto under and according to the provisions of the United States Mining Laws under which it is located.

This claim commences at this monument and notice placed upon the ledge, and runs one thousand (1000) feet in a northerly direction and five hundred (500) feet in a southerly direction along the ledge.

The exterior boundaries are as follows, viz:

Commencing at a monument of stone on west boundary line, distant three hundred (300) feet in a westerly direction from discovery monument; thence in a northerly direction parallel with the ledge one thousand (1000) feet to monument of stone at N.W. corner of claim; thence in an easterly direction at right angles across the ledge six hundred (600) feet to monument of stone at N.E. corner of claim; thence in a southerly direction parallel with the ledge fifteen hundred (1500) feet to monument of stone at S.E. corner of claim; thence at right angles across the ledge in a westerly direction six hundred (600) feet to monument of stone at S.W. corner of claim; thence in a northerly direction parallel with the ledge five hundred (500) feet to monument on west boundary and place of beginning.

This ledge may be more generally described as situated in

Big Bug Mining District and joins the Belcher Mine on the south and Eugenie Mine on the north and about one half mile north-east of Big Bug Creek and about 16 miles south-east of Prescott in Big Bug Mining District, Yavapai County, Arizona Territory, and shall be known as the "Mammoth" mining claim. 11

This being the same lode, vein or ledge originally located on the 14th day of May 1893 by Geo. E. Berry and A. W. Berry and recorded June 1st, 1893, in the office of the County Recorder of Yavapai County in Book 36 of Mines at pages 441 and 442.

This further and amended certificate of location is made without waiver of any previously acquired rights, but to correct any error in the original location or the record thereof, and particularly to correct an error in the spelling of the name of said claim in the original notice of location, said name being spelled therein "Mameth" instead of "Mammoth", the latter being the correct spelling of the name of said mining claim.
