Notice of Mining Location.

To all whom it may Concern: Notice is hereby given that the undersigned, having complied with all the requirements of Chapter XXXII, of Title 6, of the Revised Statutes of the United States, and the local mining laws, rules and regulations has this day located fifteen hundred (1500) linear feet of this vein or lode; *and variations with surface ground three hundred (300) feet* bearing precious metals, with all dips, spurs and angles on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto under and according to the provisions of the United States mining laws under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs 100 feet in a South Westerly direction and 100 feet in a North Easterly direction along the ledge.

The exterior boundaries are as follows, to-wit: Commencing at a monument of stone at the center of the South West end of claim and running 300 feet in a South Easterly direction to a monument of stone at the South East corner of claim, thence in a North Easterly direction parallel with the ledge 1500 feet to a monument of stone at the North East corner of claim; thence at right angles across the ledge in a North Westerly direction 600 feet to a monument of stone at North West corner of claim; thence parallel with the ledge in a Southeasterly direction 1500 feet to a monument of stone at the South West corner of claim; thence at right angles across the ledge in a South Easterly direction 300 feet to a monument upon the ledge and place of beginning.

This ledge may be more generally described as situated East of Bibbee about one mile and on the North side of the gulch and wagon road opposite Sampsons and Dalys Frame House, it is bounded

on the South by the Cumberland, on the West by the George Washington and Old Republic Patented Mining Claims, near the South end on the east side it overlaps M. O'Leary claim conflict not claimed in Warren Mining District, Cochise County, Territory of Arizona and shall be known as the Jockey Mining Claim.

FINAL OATHS OF ASSISTANTS.

We, B. M. Marton
 and H. D. Hannah, do solemnly swear that we assisted
Geo. C. Clark, United States Deputy Mineral Surveyor, in marking the corners and
 surveying the boundaries of the mining claim of
John M. Johnson
 known as the Jucker, represented
 in the foregoing field notes as having been surveyed by said deputy mineral surveyor and under
 his direction; and that said survey has been in all respects, to the best of our knowledge and
 belief, faithfully and correctly executed, and the corner and boundary monuments established
 according to law and the instructions furnished by the United States Surveyor-General for
Arizona

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, Geo. C. Clark, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated October 11th 1903, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of John M. Johnson, known as the Joaker, situate in Warder Mining District, Cochise County, Arizona, in Section Approximately, Township No. 33S, Range No. 24E (unsurveyed) G & S. R. B & M and designated as Survey No. 1527 amended, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or his grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

Geo. C. Clark
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said Geo. C. Clark
U. S. Deputy Mineral Surveyor, before me
this 30th
day of February, 1903.

Affidavit of Five Hundred Dollars Improvements.

We, H. D. Hannak, and B. N. Norton

of lawful age, being first duly sworn according to law, depose and say: That we are acquainted with the Jacker mining claim, situate in Warren Mining district, Cochise County, Arizona Territory, for which John M. Johnson

has made application for survey prior to application for patent under the provisions of the Act of Congress, approved May 10, 1872; and that the labor done and improvements made thereon by the applicant and his grantor exceed Five Hundred Dollars in value, and further that we are not personally interested in said mine.
