PRELIMINARY OATHS OF ASSISTANTS IN SURVEY OF MINING CLAIM.

WE, J. M. Elder and F. M. Merritt,
do solemnly swear that we will well and faithfully execute the duties of chain carriers;
that we will level the chain upon even and uneven ground and plumb the tally-pins,
either by sticking or dropping the same; that we will report the true distance to all
notable objects, and the true length of all lines that we assist in measuring, to the best
of our skill and ability, and in accordance with instructions given us, in the survey of
the Mining Claim of George A. Dredwell Mining Co by E. D. Dredwell Atty in fact.
....., known as the
Slope and Stagnant
situate in Wilcox mining district,
Yavapai County, Arizona Territory,
in Section, Township No., Range No.

J. M. Elder....., Chainman.
F. M. Merritt....., Chainman.

Subscribed and sworn to by the above-named persons before
me this 11th day of April, 1890

W. H. Merritt
My Commission Expires Nov 16th 1901 Notary Public

I,, do solemnly swear that I will well and
truly perform the duties of axeman, in the establishment of corners and other duties,
according to instructions given me and to the best of my skill and ability, in the survey
of the Mining Claim of

known as the,
more fully described in the preceding affidavit.

....., Axeman.

FINAL OATH OF U. S. DEPUTY MINERAL SURVEYOR

I, R. C. Powers, U. S. Deputy Mineral Surveyor, do solemnly swear that, in pursuance of instructions received from the United States Surveyor General for Arizona, dated March 5th 1901, I have, in strict conformity to the laws of the United States, the official regulations and instructions thereunder, and the instructions of said Surveyor General, faithfully and correctly executed the survey of the Mining Claim of George A. Treadwell Mining Co. by E. L. Treadwell Atty. in Fact, known as the Spoke and Stonewall, situate in Verde Mining District, Yavapai County, Arizona, in Section —, Township No. —, Range No. —, and designated as Survey No. 1543, as represented in the foregoing field notes, which accurately show the boundaries of said mining claim as distinctly marked by monuments on the ground, and described in the attached copy of the location certificate, which was received by me from the Surveyor General with said instructions, and that all the corners of said survey have been established and perpetuated in strict accordance with the law, official regulations and instructions thereunder; and I do further solemnly swear that the foregoing are the true and original field notes of said survey and my report therein, and that the labor expended and improvements made upon said mining claim by claimant or their grantors are as therein fully stated, and that the character, extent, location and itemized value thereof are specified therein with particularity and full detail, and that no portion of said labor or improvements so credited to this claim has been included in the estimate of expenditures upon any other claim.

R. C. Powers
U. S. Deputy Mineral Surveyor.

Subscribed and sworn to by the said R. C. Powers

NOTICE OF MINING LOCATION.
Quartz Claim.

To all whom it may concern:

This mining claim, the name of which is the Shoke Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by.....the undersigned on the 1st day of January 1898.

The length of this claim is 1500 feet, and.....claim 300 feet in a westerly direction and 1200 feet in an Easterly direction from the center of the discovery shaft, at which this notice is posted, ^{lengthwise of the claim} together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about one mile in a southerly direction from Jerome: this is an East extension of the Stone Wall mine.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stone at a point in a westerly direction 300 feet from the discovery shaft (at which this notice is posted), being in the center of the West end line of said claim; thence 300 feet to a monument of stone, being the S.W. corner of said claim; thence 750 feet to a monument at the center of the South side line of said claim; thence Easterly 750 feet to a monument being at the S.E. corner of said claim; thence 300 Northerly feet to a monument at the center of the East end of said claim; thence North-erly 300 feet to a monument, being at the N.E. corner of said claim; thence Westerly 750 feet to a monument being at the center of the North side line of said claim; thence N.Westerly 750 feet to a monu-ment at the N.W. corner of said claim; thence Southerly 300 feet to the place of beginning.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20th, 1895.

Dated and posted on the ground this 1st day of Jan. 1898.

"SPOKE".

AMENDED NOTICE OF MINING LOCATION.
Lode Claim.

To all whom it may concern:

This mining claim, the name of which is the Spoke Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by the original locators, viz:-David Hall, J.W. Newbould and Martin Lacey (location recorded in Book 50 of Mines, page 49, Records of Yavapai County, Arizona), on the 1st day of January 1898.

The length of this claim is fifteen hundred (1500) feet, and we claim twelve hundred (1200) feet in an Easterly direction and 300 feet in a Westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about one mile in a Southerly direction from the town of Jerome, and lying on the south side of the Chautauqua claim (survey No. 1375) being adjoining and paralling said claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument at a point in a Westerly direction three hundred (300) feet from the discovery shaft (at which this notice is posted), being in the center of the West end line of said claim; thence Northerly 300 feet to a monument, being the northwest corner of said claim; thence Easterly 750 feet to a monument on Chautauqua south side line at the center of the North side line of said claim; thence Easterly 750 feet to a monument S.E. cor. Chautauqua being at the Northeast corner of said claim; thence Southerly 300 feet to a monument at the center of the East end of said claim; thence Southerly 300 feet to a monument, being at the South east corner of said claim; thence Westerly 750 feet to a monument being at the center of the South side line of said claim; thence Westerly 750 feet to monument at the Southwest corner of said claim; thence Northerly 300 feet to the place of beginning.

This amended location is made for the purpose of correcting errors in original location notice without waiver of any previously acquired rights.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines," approved March 20, 1895. Amendment made by present owners of this claim.

Dated and posted on the ground this fifteenth day of November 1899.

"STONE WALL".

NOTICE OF LOCATION.

To all whom it may concern:

Notice is hereby given that the undersigned, having complied with all the requirements of Chapter VI, of Title 32 of the Revised Statutes of the United States, and the local mining laws, rules and regulations, have this day located fifteen hundred (1500) linear feet of this vein or lode, bearing precious metals, with all dips, spurs, angles and variations, with surface ground three hundred (300) feet on each side of the center of vein, with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, under and according to the provisions of the United States Mining Laws under which it is located.

This claim commences at this monument and notice placed upon the ledge and runs 750 seven hundred and fifty feet in an Easterly direction, and 750 feet in a westerly direction along the ledge.

The exterior boundaries are as follows, to-wit:

Commencing at a monument of stone at east end center; thence in a southerly direction across the ledge three hundred (300) feet to monument of stone at S.E. corner of claim; thence in a westerly direction parallel with the ledge seven hundred and fifty (750) feet to a monument of stone at South side boundary; thence in a westerly direction parallel with the ledge seven hundred and fifty (750) feet to monument of stone at S.W. corner of claim; thence in a northerly direction across the ledge three hundred (300) feet to monument of stone at west center of claim; thence in a northerly direction across the ledge three hundred (300) feet to monument of stone at N.W. corner of claim; thence in an Easterly direction parallel with the ledge seven hundred and fifty (750) feet to monument of stone at North side boundary of claim; thence in an Easterly direction parallel with ledge seven hundred and fifty (750) feet to monument of stone at N.E. corner of claim; thence in a Southerly direction across the ledge three hundred (300) feet to monument of stone at East end center and place of beginning.

This ledge may be more generally described as situated in an Easterly from the direction from the Venture mine and bounded on the west by the Venture mine, in Verde Mining District, Yavapai County, Arizona Territory.

And shall be known as the Stone Wall Mining Claim.

Dated on the ground, this 15th day of September, 1897.

Lode Claim.

To all whom it may concern:

This mining claim, the name of which is the Stonewall Mining Claim, situate on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by the original locators, David Hall, Martin Lacey and J.W. Newbould (recorded in Book 48 of mines, pages 398 and 399, records of Yavapai County, Arizona) on the 15th day of September 1899.

The length of this claim is fifteen hundred feet, and we claim seven hundred and fifty (750) feet in an easterly direction and 750 feet in a westerly direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with three hundred feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Verde Mining District, in Yavapai County, in the Territory of Arizona, about one mile in a southerly direction from the town of Jerome. The east end line adjoins west end line of Spoke claim.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument on west end line of Spoke claim at a point in an easterly direction 750 feet from the discovery shaft (at which this notice is posted), being in the center of the East end line of said claim; thence northerly 300 feet to a monument, being the North east corner of said claim; thence westerly 750 feet to a monument at the center of the North side line of said claim; thence westerly 750 feet to a monument being at the Northwest corner of said claim; thence southerly 300 feet to a monument at the center of the West end of said claim; thence southerly 300 feet to a monument being at the Southwest corner of said claim; thence easterly 750 feet to a monument being at the center of the South side line of said claim; thence easterly 750 feet to a monument at the Southeast corner of said claim; thence northerly 300 feet to the place of beginning.

This amended location is made for the purpose of correcting errors in the original location notice without waiver of any previously acquired rights.

All done under the provisions of Chapter Six, of Title XXXII, of the Revised Statutes of the United States, and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895, Amendment made by present owners of this claim.

Dated and posted on the ground this fifteenth day of November 1899.
