TO ALL WHOM IT MAY CONCERN: This Mining Claim the name of which is the "MONTE CARLO" MINING CLAIM, situated on lands belonging to the UNITED STATES OF AMERICA, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by L.H. Trim, the undersigned, on the first day of January 1898.

The length of this claim is fifteen hundred feet, and I claim three hundred feet on each side of the discovery shaft hereinafter described, at which this Notice is posted, lengthwise of the claim,

The general course of the lode, deposit and premises is from the Northeast to the Southwest.

The claim is situated and located in GREENLEE GOLD MOUNTAIN MINING DISTRICT, in GRAHAM COUNTY, in the TERRITORY OF ARIZONA, about four miles in a Northerly direction from CLIFTON, and on the Westerly side of the San Francisco River, and about two miles from said River.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a point in a North-easterly direction 245 feet from the discovery shaft, (at which this notice is posted) being the center of the Northerly end line of said claim; thence three hundred feet in a North-westerly direction to a monument of stones, being the Northwest corner of said claim; thence seven hundred fifty feet South-westerly to a monument of stone at the center of the Westerly side line of said claim; thence onward seven hundred and fifty feet to a monument of stones, being the Southwest corner of said claim; thence three hundred feet in a South-easterly direction to a monument of stones, being the center of the Southerly end of said claim; thence onward three hundred feet to a monument of stones, being the South-easterly corner of said claim; thence seven hundred and fifty feet in a North-easterly direction to a monument of stones, being at the center of the Easterly side line of said claim; thence onward seven hundred and fifty feet to a monument of stones, at the North-east corner of said claim; thence three hundred feet to the place of beginning.

The said discovery shaft which is ten feet deep, four feet wide, and six feet long, was done by me after entering upon said premises for the purpose aforesaid, and I claim three hundred feet on each side of the center of said discovery shaft lengthwise of the claim, as above fully set forth.

All done under the provisions of Chapter Six of Title XXXII, of the Revised Statutes of the United States and of an Act of the General Assembly of Arizona, entitled "An Act Concerning Mines", approved March 20, 1895.

This Mining Claim was formerly known as the "New England Mining Claim".

Dated and posted on the ground this 1st day of January 1898.
